	Males	Females
Whole Number recorded	27	18
Number of deaths in Town	17	13
Residents of Westford	24	18

NOTE

All persons are respectfully requested to examine the foregoing reports of births, marriages and deaths, and report to the Town Clerk any errors or omissions that may be discerned therein, so that the records may be corrected. An error in the record, other than a mistake in copying a certificate or return, can be corercted only in accordance with a deposition under oath made by one who was required by law to furnish the information for the original record or by one or more creditable persons having knowledge of the case.
(See General Laws, Chapter 46, Section 13.)

Births occurring late in the year are sometimes returned without the Christian name. In such cases parents should return the name to the Town Clerk as soon as selected, as incompleteness of the record may occasion trouble in the future.

Attention is particularly called to the following extracts from the General Laws.

GENERAL LAWS, CHAPTER 46

Section 1. Each city and town clerk shall receive or obtain and record * * * facts relative to the births * * * in his city or town.

Section 3. Every physician or medical officer registered shall keep a record of the birth of every child in cases of which he was in charge and * * * shall, within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred a report * * * If the child is illegitimate, the name and other facts relating to the father shall not be stated except at the request in writing of both father and mother filed. * * * Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported * * * A physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars. * * *

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required * * * shall furnish the same upon request of the clerk of the town * * * or of any person authorized by him. (Penalty for refusing not more than ten dollars.)

Section 6. Parents, within forty days after the birth of a child, and every householder within forty days after a birth in his house shall cause notice thereof to be given to the clerk of the town where such child is born.

Section 8. (Penalty for neglect to comply with the provisions of Section 6, not more than five dollars.)

GENERAL LAWS, CHAPTER 207

Section 36. If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the town where either of them lived at the time of their marriage, a certificate or declaration of their marriage including the facts required in a notice of intention of marriage.

Section 55. Whoever violates Section 36 shall forfeit ten dollars.

The Town Clerk hereby gives notice that he is prepared to furnish parents, householders, physicians and registered hospital medical officers applying therefor with blanks for return of births as required by law.

CHARLES L. HILDRETH, Town Clerk.

Town Clerk's Report on Dogs

Number of Dogs Licensed Dec. 1, 1931 to Dec. 15, 1932	
242 Males at $2.00	$484.00
40 Females at $5.00	200.00
Total	$684.00
Clerk's fees 282 licenses at 20 cents	56.40
	$627.60
Paid into County Treasury, June 1, 1932, as per County Treasurer's receipt	$255.60
Paid into Town Treasury, as per Town Treasurer's receipts	372.00
	$627.60

Number of dogs returned by Assessors	
Males	194
Females	26
Total	220

The attention of owners and keepers of dogs is called to the following extracts from Chapter 140 of the General Laws:

Section 137. The owner or keeper of a dog which is three months old or over shall, annually, on or before the thirty-first day of March, cause it to be registered, numbered, described and licensed for one year from the first day of April following, if kept in any town, in the office of the clerk thereof. The owner or keeper of a licensed dog shall cause it to wear around its neck a collar distinctly marked with its owner's name and its registered number.

Section 138. The owner or keeper of a dog may at any time have it licensed until the first day of April following; and a person who becomes the owner or keeper of a dog after April first which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March 31 in any year shall when it is three months old cause it to be registered, numbered, described, licensed and collared as required in the preceding sections.

CHARLES L. HILDRETH, Town Clerk.

ANNUAL TOWN MEETING, FEBRUARY 15, 1932

At a legal meeting of the inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, Monday, February 15, 1932, the following business was transacted: Frederick A. Hanscom, Town Moderator, called the Meeting to order.

1. Voted that the reports of the Finance Committee, other Committees, Boards and Officers be accepted as printed, with the following correction, the name of Cyril S. Sleeper to be added to the list of jurors.

A motion that a Town Accountant and Clerk be employed upon a full time basis was lost.

2. A motion that the compensation of the Tax Collector be three-fourths of one per cent of the amount collected was lost by a vote of 79 to 89.

Voted that the compensation of the Tax Collector be sixty-seven and one-half one hundredths of one per cent of the amount collected.

3. Voted that the compensation of the Treasurer shall not exceed that paid in 1931.

4. Voted that under this article each item be considered separately.

Voted that the sum of $560 be appropriated for the Selectmen which includes a 10 per cent reduction in salary.

Voted that the sum of $815 be appropriated for the Town Accountant which includes a 10 per cent reduction in salary.

Voted that the sum of $700 be appropriated for the Town Treasurer which includes a 10 per cent reduction in salary.

Voted that the sum of $800 be appropriated for the Assessors which includes a 10 per cent reduction in their compensation.

Voted that the sum of $300 be appropriated for the Town Counsel.

Voted that the sum of $340 be appropriated for the Town Clerk which includes a 10 per cent reduction in salary.

Voted that the sum of $1000 be appropriated for Registration and Election.

2. Voted that the sum of $1800 be appropriated for the Town Hall.

3. Voted that the sum of $3000 be appropriated for the Police Department.

4. Voted that the sum of $3000 be appropriated for the Fire Department.

5. Voted that the sum of $3440 be appropriated for Hydrants.

6. Voted that the sum of $125 be appropriated for the Sealer of Weights and Measures.

7. Voted that the sum of $100 be appropriated to defray the expenses of the Fish and Game Warden.

8. Voted that the sum of $500 be appropriated to defray the expenses of Fighting Forest Fires.

9. Voted that the sum of $150 be appropriated to defray the expenses of the maintenance of the Town Forest.

10. Voted that the sum of $120 be appropriated to defray the expenses of the Tree Warden which includes a 10 per cent reduction in his compensation.

11. Voted that the sum of $1400 be appropriated to defray the expenses of the Moth Department which includes a 10 per cent reduction in the compensation of the Superintendent of the Department.

12. Voted that the sum of $3050 be appropriated for the Board of Health which includes a 10 per cent reduction in the salary of the Public Health Nurse.

13. Voted that the sum of $135 be appropriated to defray the expenses of the Cattle Inspector which includes a 10 per cent reduction in the compensation of the Cattle Inspector.

14. Voted that the compensation of the Superintendent of Streets on all road work done by him under the appropriations made by the Town, including State and County road construction, be at a rate of compensation 10 per cent less than that paid in 1931.

Voted that the sum of $6000 be appropriated for the maintenance of the existing State and County roads on condition that like amounts be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $2000 be appropriated for repairs on the Concord Road on condition that like amounts be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $2000 be appropriated for repairs on the Tyngsboro Road on condition that like amounts be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $14 500 be appropriated for other Highway purposes to be divided as follows: $13,000 for Town roads, $1500 for Snow and Ice Removal.

15. Voted that the sum of $14,876.50 be appropriated for Public Welfare which includes a reduction of 10 per cent in the present salary of the Superintendent and Matron of the Town Infirmary and a 10 per cent reduction in the salary of the Members of the Board of Public Welfare.

16. Voted that the sum of $3000 be appropriated to defray the expenses of Old Age Assistance.

17. Voted that the sum of $2400 be appropriated for Soldiers' Benefits.

18. Voted that the sum of $70,000 be appropriated for the School Department and that in so far as the Town has authority therefor the salary of the Superintendent of Schools be reduced 30 per cent and the salaries of the Principals and Janitors be reduced 10 per cent.

19. Voted that the sum of $2000 be appropriated to defray the tuition charge of Westford pupils attending the Lowell Vocational High School.

20. Voted that the sum of $2000 and the receipts from dog licenses in 1931 be appropriated for the expenses of the Public Library.

Voted to reconsider item 3 of article 4.

Voted that the sum of $2800 be appropriated for the Police Department which includes a 10 per cent reduction in the compensation of the members of the Department.

21. Voted that the sum of $250 be appropriated for the Care of the Common.

22. Voted that the sum of $50 be appropriated for the expense incurred in Lighting the Town Clock.

23. Voted that the item relative to Band Concerts be dismissed.

24. Voted that the sum of $300 be appropriated to defray the expenses of Commemorating Memorial Day.

25. Voted that the sum of $600 be appropriated to defray the expenses of publishing the Town Reports.

26. Voted that the sum of $1000 be appropriated for Liability Insurance.

27. Voted that the sum of $1000 be appropriated for Cemeteries.

28. Voted that the sum of $7500 be appropriated for General Loans.

29. Voted that the sum of $3300 be appropriated for Interest on General Loans.

30. Voted that the sum of $3600 be appropriated for Interest on Revenue Loans.

31. Voted that the sum of $9650 be appropriated for Street Lights.

Voted that article 7 be acted upon before item 32 of article 4.

Voted that the Town continue to insure the school house at Parker Village.

32. Voted that the sum of $3800 be appropriated for Fire Insurance.

Voted that article 13 be acted upon before item 33 of article 4.

Voted that the Board of Public Welfare dispose at public auction of the herd of cattle and such other live stock and personal property at the Town Infirmary as may thereby become unnecessary for use.

33. Voted 30 to 9 that the sum of $5000 be appropriated in accordance with the provisions of Section 6 of Chapter 40, General Laws, as a Reserve Fund.

34. Voted that the sum of $3.30 be appropriated to cover an overdraft of 1931 in the Forest Fire Department.

35. Voted that the sum of $3,717.35 be appropriated to pay bills outstanding December 31, 1931, to be divided as follows: $31.65 for General Government; $6.70 for Town Hall; $460.75 for Board of Health; $2,604.35 for Board of Public Welfare; $613.90 for Vocational School Tuition.

5. Voted that the Town appropriate the sum of $50 and elect a Director for demonstration work in agriculture and home economics, and that said sum be spent in town under the supervision of the Director. John A. Kimball was elected Director.

6. Voted to dismiss the article relative to the installation of additional street lights.

7. See under item 31 of article 4.

8. Voted that in accordance with Clause 1 of Section 5 of Chapter 40 of the General Laws, as amended by Section 3 of Chapter 458 of the Acts of 1931, the Town provide indemnity through insurance for the protection of its officers or employees against loss incurred while in the performance of their duties or employment in the operation of motor vehicles of the Town.

9. Voted that the various Boards and Departments of the Town be instructed to collect and pay into the treasury all outstanding indebtedness, except taxes, due the Town and arising under their jurisdiction. In default of such collection and with the approval of the Selectmen that legal action be taken to enforce payment of such indebtedness.

10. Voted that the report of the Committee on naming and renaming streets and roads be accepted and that their recommendations as to the names and descriptions of the streets and roads, as set forth in their report, be adopted.

11. Voted to dismiss the article relative to the Middlesex County Tuberculosis Hospital.

12. Voted unanimously that the Town Treasurer with the approval of the Selectmen be and hereby is authorized and empowered to borrow money from time to time in anticipation of the revenue of the municipal year beginning January 1, 1932, and to issue a note or notes therefor payable within one year, and in accordance with Section 17 of Chapter 44 of the General Laws as amended to renew any of such revenue notes as may be payable within a shorter period than one year, any debt or debts so incurred under this vote whether as to the original indebtedness or renewal thereof to be payable within one year from the date of the original loan and from the revenue of said financial year.

13. See under item 32 of article 4.

14. Voted that the Tax Collector be instructed to collect all taxes according to law and that he be authorized to return, at the expense of the town, a receipted tax bill when paid.

15. Voted to accept the minutes of the Meeting.

16. Voted to dissolve the Meeting.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, MARCH 18, 1932

At a legal meeting of the inhabitants of the Town of Westford qualified by law to vote in Town Affairs, held at the Town House, Friday, March 18, 1932, at eight o'clock P. M., the following business was transacted: Frederick A. Hanscom, Town Moderator, called the meeting to order.

1. Voted to accept the report of the Finance Committee.

2. Voted that the sum of $1400 be appropriated to defray the commission and expenses of the Tax Collector.

3. Voted to dismiss the article relative to rescinding the vote taken under article 4 at the last Annual Meeting appropriating money for the Police Department.

4. Voted to dismiss the article relative to appropriating money to meet the cost and expenses of the Police Department.

5. Voted that the sum of $8000 of the amount appropriated at the last Annual Town Meeting for the Welfare Department be taken from Surplus Revenue.

6. Voted unanimously that the sum of $10,557.91, being the amount of the assessment already made for the Town's proportion of the cost of the construction and equipment of the Middlesex County Tuberculosis Hospital, be and the same is hereby appropriated and that of said amount the sum of $10 000 be funded as authorized by Chapter 10 of the Acts of 1932, said sum to be paid in substantially equal instalments over a period of ten years in accordance with the provisions of said Chapter 10, and the Town Clerk be and he hereby is directed to file with the County Commissioners promptly a copy of this vote.

7. Voted 95 to 72 to lay on the table the article relative to amending the By-Laws. The vote being doubted, a second vote was taken and the count then showed 99 to 75 in favor of laying the article on the table.

8. Voted 60 to 42 that the Selectmen be authorized to enter into a contract with the Westford Water Company for two additional hydrants on Prescott Street, Forge Village, the rental to be the same as now paid by the Town, and that the sum of $40 be appropriated to cover the same.

9. Voted to accept the minutes of the Meeting.

10. Voted to dissolve the Meeting.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, SEPTEMBER 23, 1932

At a legal meeting of the Inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, September 23, 1932, at eight o'clock P. M., the following business was transacted:

Frederick A. Hanscom, Town Moderator, being absent, Herbert V. Hildreth was elected Moderator pro tempore by ballot and was sworn in by the Town Clerk.

1. Voted to accept the report of the Finance Committee.

2. Voted that the Town transfer the following amounts from the existing appropriations: Town Hall $400; Memorial Day $23; Publication of Town Reports $22; Town Forest $80; Town Roads $1000; the same to be available for appropriation under the following article.

3. Voted that the Town appropriate the sum of $6735 for the following purposes: Liability Insurance $325; Interest on General Loans $150; Soldiers' Benefits $700; Welfare Department $5500; Town Treasurer $60; such appropriation to be made from the funds transferred under the preceding article, $4000 from free cash and the balance from the proceeds of the auction sale authorized at the last annual meeting.

4. A motion that the Town authorize the Selectmen to enter into a contract with the Lowell Electric Light Corporation for two additional street lights on the Groton Road was lost by a vote of 5 to 18.

5. Voted that the Town accept donations made for the Welfare Department and authorize the expenditure of the same by the Board of Public Welfare.

6. Voted to accept the minutes of the meeting.

7. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

REPORT OF SELECTMEN

Citizens of Westford:

Cooperating with the Welfare Board, the Highway Department has endeavored to give work to the unemployed as recommended by that Board, the number being about thirty. These have been paid from the highway appropriation. Ten or twelve ex-service men and about the same number of the regular men were also given work.

Using the stagger system as necessary, some fifty men were given work on the highways during the year. Most of the work this year was done by hand labor, the exceptions being on the new construction on Tyngsboro Road and Wyman's Corner, Groton Road, where by request of the State Engineer a gasoline shovel was used to remove high banks, trees and large stones.

Of the total amount expended on the highways this year it was divided approximately as follows: Labor 45%, Oil, Gravel, etc. 28%, Trucks 15%, Teams 3%, repairs to machinery 5%, and Machine Hire 4%.

Before we received our allotments, the Welfare Board furnished labor in the amount of about $2,000.00 paid for from their appropriation.

This is the first year we have operated under Chapter 81, under which the Town appropriates for general Road repairs $10,625.00 and the State provides $8,500.00. A State Engineer supervises the work and helps on the layouts, etc.

Our relation with the State Engineers under this plan was very pleasant and we have found them always willing to cooperate.

As the Town benefits from the appropriation given by the State and from the advice and services of the Engineers, we recommend that the Town continue for the coming year to operate under this Chapter.

The work on "State and County Aided Roads" was continued as formerly under Chapter 90.

The Concord Road was completed from the residence of Mr. George Heathcote to the Carlisle Road at Parkerville School House. This now completes the rebuilding of the entire length of the Concord Road from Forge Village to the Schoolhouse.

Another section on the Tyngsboro Road was built this year and we are asking for a further appropriation to continue the work next year.

A short length of road was rebuilt on the Groton Road west from Wyman's Corner, and we are asking for an appropriation to continue the work next year towards the Groton Line.

Of the total amount spent on the highways this year $22,000.00 was town appropriation, the balance was furnished by the State and County.

If the amounts are voted as requested and tabulated under the Finance Committee's report, and the State and County contribute the amounts expected we can continue under the plan of last year regarding the unemployed.

We have found the State and County officials and Engineers very generous in their allotments of money to the Town and very willing to advise and cooperate with us on our road problems.

The report of the Superintendent of Highways gives in detail the work accomplished during the year.

We would also direct your attention to the report of the Police Department.

Respectfully submitted,

WILLIAM R. TAYLOR,
MARK A. PALMER,
ARTHUR M. WHITLEY,

Selectmen.

Total			$291,285.00

REPORT OF SUPERINTENDENT OF HIGHWAYS

During the year 1932 considerable heavy construction was done in various sections of the Town. Unemployed labor was used to a great extent in this work, thus relieving considerably the cost of the Welfare Department. Of the total amount spent on the highways this year 45 per cent has been paid in wages.

Following is a list of the work done:

Nutting Road from Cemetery to Groton Road was graveled, rolled and oiled.

Keyes Road, a distance of a mile, was graveled, rolled and had two applications of oil.

Dunstable Road, a distance of one and a half miles, was graveled, rolled and had two applications of oil.

Chamberlain Road was completed from Chamberlain's Corner to Brookside, by graveling, rolling and oiling for a distance of one mile.

Providence Road from Main St. to Cummings Road, a distance of one mile, was graveled ,rolled and treated with two applications of oil.

Pine Ridge Road from Bridge St. to Cold Spring Road was completed, including the hill where the road was widened and straightened and graveled. The entire road was rolled and tarred. The bridge walls were pointed and a new concrete cap was added.

Howard Road for about one half mile was widened, graveled, and rolled; this work necessitated two new culverts. Another piece is to be done this year.

Hildreth St. from Concord Road toward Westford for about one quarter mile was widened and graveled to the width of 18 feet. This road is to be completed this coming year.

West Street as far as Cowdrey Hill Road was reshaped, rolled and two applications of oil applied.

The usual maintenance was carried on under the provisions of Chapter 81. When roads became rough they were scraped, graded and rolled. As occasion demanded all streets were patched with bituminous patch and kept smooth.

Some of the roads which will require attention in 1933 under Chapter 81 are as follows:

Chamberlain Road from Chamberlain's Corner to Chelmsford Line.

Providence Road from Main St. to Chelmsford Road.

So. Chelmsford Road from Chelmsford Road to So. Chelmsford Line.

Griffin Road from Carlisle Road easterly.

Old Lowell Road from Carlisle Road to So. Chelmsford Road.

Tadmuck Road from Main St. to Chelmsford Road.

Plain Road from Westford Station to Nabnasset School.

Forest Road from Groton Road to Oak Hill Road.

There are short strips on many other roads which will also require attention.

Under Chapter 90 the Concord Road was finished. This work was all done by hand labor. Tyngsboro Road was continued under this chapter, the work being done by hand labor except for the cutting back of the heavy banks and moving large stones which was done with a gas shovel. Work was started in November on the Groton Road and a distance of 1500 feet was reconstructed. The hill was cut down and the clay bank cut back about 10 feet. As advised by the State Engineer a gas shovel was used to do this work. As this had to be completed by Dec. 1st loading machines were used to hasten the work along. At Wyman's Corner the road was made 30 feet wide with a 2 1-2 foot banked curve which makes it safe and easy to drive on. The shoulders on all these roads were oiled. The Groton Road, easterly from Wyman's Corner, was scarified, flattened, rolled and oiled. All other Chapter 90 roads were either oiled or tarred, patrolled and kept patched as needed.

During the past year a quantity of solvay calcium chloride was purchased and used on some of our highways especially in the outlying districts as a dust layer. It is also vaulable in melting ice in catch basins as it is about six times as powerful as salt.

Gravel Distribution

Road	Amount in cubic yards
Nuttings Road	796
Patten Road	8
Mill Stone Hill Road	328
Dunstable Road	2514
Keyes Road	984
Cold Spring Road	10
Howard Road	740
Griffin Road	594
Robinson Road	282
South Chelmsford Road	364
Elliot Road	94
Texas Road	126
Bridge St.	186
Forest Road	60
Beaver Brook Road	334
Concord Road	4650
Tyngsboro Road	2850
Vose Road	432
Francis Hill Road	190
Chamberlain Road	630
Stony Brook Road	40
Gould Road	8

Edwards Corner	62
Plain Road	836
Providence Road	874
Church St.	40
Lougee Road	256
Hildreth St.	354
Boston Road	24
Old Lowell Road	212
Tenney Road	346
Groton Road	2486
Pine Ridge Road	1452

About 2420 cubic yards of screened sand were used in covering ice on streets and hills, also for patching and covering up oil or tar.

Respectfully submitted,

J. AUSTIN HEALY,
Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

Selectmen of Westford:
Gentlemen:

I herewith submit my report for the year 1932 for the Police Department.

Report to the Department of Correction has been made.

Arrests made	26
Assault and Battery	4
Auto Violations	18
Abandoned Autos	9
Auto and Mortorcycle Accidents	26

REPORT OF TOWN ACCOUNTANT

To the Honorable Board of Selectmen and to the Citizens of Westford:

I herewith present the Annual Town Report of the Town Accountant in accordance with the General Laws, with other financial matters that may be of general interest.

I wish to remind the public that all books of accounts are open to the public for their inspection at any time.

If there is any part of the report which is not clear to the reader the Accountant will explain the same on request.

All transfers from the Reserve Fund shown in this report were authorized by a vote of the Finance Committee.

The over-drawn appropriations of Soldier's Benefits, Old Age Assistance, Interest on General Loans and Interest on Revenue Loans are covered by a vote of the Selectmen according to the General Laws.

TREE WARDEN'S REPORT

The Tree Warden submits the following report for the year ending December 31, 1932:

My work has consisted of removing dead trees and trimming broken and dead limbs from them.

I would suggest the sum of $300.00 be appropriated this year to carry on the work.

Respectfully submitted,

HARRY L. NESMITH,
Tree Warden.

TREASURER'S REPORT

FOR THE YEAR ENDING DECEMBER 31, 1932

Balance on hand January 1, 1932	$ 26,950.81	
Total receipts to December 31, 1932	364,026.35	
		$390,977.16
Balance on hand December 31, 1932	$ 26,614.67	
Total payments to December 31, 1932	364,362.49	
		$390,977.16

Respectfully submitted,

CHARLOTTE P. GREIG,
Treasurer.

REPORT OF SEALER OF WEIGHTS AND MEASURES

As Sealer of Weights and Measures for the Town of Westford, I submit the following report for the year 1932:

ARTHUR L. HEALY,
Tax Collector.

REPORT OF THE BOARD OF HEALTH

We herewith submit the following yearly report ending December 31, 1932

The prevention and control of Diphtheria by the injection of Toxin Antitoxin still continues to keep this disease down in our schools.

The Dental Clinic is greatly patronized by the pupils, as more and more are taking advantage of this opportunity to safeguard their health.

As a whole, the condition of our milk supply is steadily improving from year to year. as to the production, distribution and care of same, in our town.

Reportable diseases have greatly diminished this year, showing a good trend to the betterment of public health.

The local Health Department have cooperated with the Westford Tuberculosis Relief Committee and the School Department in the distribution of milk to the underweight or undernourished children. We were able to do this work by the aid of the public spirited citizens and organizations of the town to which we are greatly indebted. We hope the voters of the town will make some provision at the next town meeting to carry on this beneficial work.

While Mrs. Veronica Meagher, the Public Health Nurse, was on leave of absence, the work was ably done by Miss Ruth Nesmith, of Westford.

Following is the report of the Public Health Nurse, who has done very satisfactory and pleasing work for the members of the Board of Health and for the people of Westford.

Respectfully submitted,

CYRIL A. BLANEY, M. D.,
Chairman, Board of Health.

REPORT OF THE PUBLIC HEALTH NURSE

C. A. Blaney, M. D.,
Chairman, Board of Health,
Westford, Mass.

Dear Sir:

Following is the report of the Public Health Nurse from January 1, to December 31, 1932:

School Visits	477
Absentees visited in their homes	146
Children examined for minor ailments	56
Children sent home for illness, Impetigo or Pediculosis	96
Dressings and First Aid	151
Child Welfare Visits	122
Home Visits for Corrective work	404
Home Visits to solicit money for free milk	41
Contagious Disease Cases visited	38
Nursing Visits	127
Number of Patients to Clinics	488
To Lowell General Hospital Skin Clinic	11
To Lowell General Hospital Pediatric Clinic	12
To Lowell General Hospital Surgical Clinic	5
To Lowell General Hospital Medical Clinic	3
To Lowell General Hospital Tumor Clinic	5
To St. John's Hospital Eye, Ear, Nose and Throat Clinic	46
To St. John's Hospital Pediatric Clinic	30
To St. John's Hospital Orthopedic Clinic	3
To St. John's Hospital Neurological Clinic	4
To Childrens' Hospital Scoliosis Clinic	1
To Lahey Clinic	1
To School Dental Clinic	367
To Hospital or Private Physician	25
To New England Baptist Hospital	3
To State House, Child Guardianship Care	7
Home Visits for Diphtheria Toxin Antitoxin Permissions	39
Public Health and Business Meetings	6
Administered Anesthesia	2
To Hospital for Tonsil and Adenoid Operations	13

Class Room Inspection made.
All pupils weighed and measured.
Eye and Ear Tests made.
Vaccinations checked.

Milk Inspections made.

All Milk Producers and Dealers visited.

Tubercular Patients visited.

Board of Health Permits delivered.

Free Milk given daily at schools to 130 pupils.

State Re-Examination Clinic held at Westford.

Diphtheria Toxin Anti-toxin administered by Dr. Blaney, School Physician.

Total number of innoculations, three injections each 168

Assisted School Physician with Physical Examination.

Result of Physical Examination	No. Examined	No. Defects
High School		12
Frost School	172	62
Cameron School	198	114
Sargent School	191	73
Nabnasset School	52	14

The State Re-Examination Follow-Up Clinic, whose purpose is to prevent adult Tuberculosis, was held in November, and 10 children were X-rayed and examined.

The findings in these cases were:

Hilum Tuberculosis	Suspicious Cases	Contacts	Refused Exam.
4	4	1	1

The Westford Tuberculosis Relief Committee, working under the direction of the Board of Health has served free milk in the schools for those children, who are underweight or undernourished, and whose parents are unable to buy extra milk.

The money used in the expenditure of this milk has been donated by private citizens, local organizations and concerns, and the school faculty.

A substitute nurse was employed during the months of May, June, and July. This position was filled by Miss Ruth Nesmith, R. N., of Westford.

Contagious Diseases Reported to the Board of Health

Varicella	16
Scarlet Fever	11
Mumps	2

Diphtheria	1
Measles	3
German Measles	1
Typhoid Fever	1
Pulmonary Tuberculosis	1
Dog-bite	3

Deaths from Contagious Diseases

Pulmonary Tuberculosis	1

Respectfully submitted,

C. VERONICA MEAGHER, R. N.,
Public Health Nurse.

REPORT OF PUBLIC WELFARE DEPARTMENT

The Board organized Feb. 23, 1932, with Mr. P. E. Wright as Chairman. Owing to ill health Mr. Wright resigned in May and Mr. Arthur M. Whitley was appointed to fill the position for the remainder of the year.

The work of this Board is rapidly growing and the idea that the Board of Public Welfare is only one of the minor boards of the Town Government and that its functions are of slight importance is a serious mistake. The work is very exacting and requires no small amount of experience. All these facts are being recognized by citizens who come close enough to the Board to understand its problems. We have found it necessary to keep detailed records of all cases and many dollars have been saved this year by so doing. The State requires complete reports on every case and if this is not done the Town will not get any reimbursement. To take care of all these matters a full time agent was appointed.

It has been the endeavor of the Board to have every one where possible do something in return for the aid granted. The Highway Department has arranged for a great amount of this. Trucks were furnished at no expense to the Welfare Department and many roads were gravelled in this way. Also many extra men were put on the Highway pay-rolls which otherwise would have had to have been taken care of from the Welfare Department. Part of the agents wages were paid in this way in order to keep a close check on all work done.

At the infirmary after the appointment of Mr. Brown as Superintendent drastic measures were taken to reduce the expenses. This has been accomplished and today the home is clean and wholesome throughout. The inmates are well fed, clothed and happy. Outside of the Home the grounds are neat and tidy. The crops raised were of good quality and of sufficient quantity to meet the needs of the Home and yet have some to market. The Superintendent has with the aid of some of the unemployed made considerable improvement at the rear of the Home. Several old sheds have been removed and the yard graded. All the trimmings of the barn have been painted. Several other needed repairs have been done such as shingling the south side of the house, repainting the kitchen and laying new linoleum in the kitchen, pantry and hall.

The cost of our Outside Aid has increased on all sides. There seems no way to determine what this expense will be. Over 80 families have been helped during the past year not including those aided by the Community Chest. Through these agencies we have received the best of co-operation at all times. The Red Cross has been a great help in all of our cases and with its donation of 1000 bags of flour together with large quantities of cloth and clothing many fam-

ilies were cared for much better than they could have been otherwise and with less expense to the Town.

Mothers' Aid cases have doubled this year and on all of these the Town pay two-thirds with the exception of cases that belong to other towns for which the Town is reimbursed for the whole amount. There are several cases where aid has been granted to families who have no settlement in this Town and in these cases reimbursement for the total amount of the aid rendered is collected.

The cases of Old Age Assistance have been increasing all through the past year and will continue to do so from all appearances. The fact is now well established that there is no such thing as an Old Age Pension, the proper term is Old Age Assistance. Under the law assistance may be rendered to needy and deserving persons seventy years of age or over who have resided in this state twenty years or more providing their children are unable to care for them. The only practical difference between this law and the one that has been on the books for many years, is that the State now has a voice in the matter as to whom this aid shall be given. The State reimburses the Town to the extent of one-third of the aid that is given after first collecting an equal or greater amount from the town through the collection of an extra tax. Thus the town is in reality paying it all. Let those who would ask aid of the town, state or nation, whether as a pension or in any other form remember that the town, state or nation has no money to give except that which comes from the people through direct or indirect taxation. There is no Mystery as to where the money comes from. It comes from the pockets of the people. When a person receives money which he has not earned he receives it as a bounty from other persons who have had to earn it. It is the duty of every individual in the community to do his utmost to guard against the possibility of ever being reduced to that condition of poverty wherein he will be compelled to ask others whose opportunities have been no greater than his to help him. Undue pride in early or middle life often leads to something very different, very humiliating later on. Those who in self-gratification or in the attempt to keep up with the "Joneses" spend every cent they earn from week to week are traveling the road that in old age leads to the home "over the hill" or to some other place or conditions provided by the generosity of those who have manifested wisdom during the productive years of their lives. It is assumed to be true that while all good citizens are willing to be taxed to the limit to help those who have fallen into distress through circumstances which they could not control, they are wholly unwilling to submit to the taxation to help those who fail to help themselves or who through egregious folly, bring poverty and distress upon their own heads. Besides this it must be apparent that one-half of the people cannot support themselves and at the same time provide for the other half.

Disbursements through Public Welfare Departments have increased in many of our neighboring communities more than two hundred percent during the past few years.

No son or daughter of an aged or needy parent should feel that their filial obligation has ceased because they fancy that something resembling a pension has been provided, but should themselves in all good conscience, provide for that parent as long as they can possibly do so, even to the point of extreme self-sacrifice. On the other hand no aged or needy person whose kin are honestly unable to assist him in his declining years should hesitate through over sensitiveness or undue pride to ask for that which all good citizens are pleased to give. The number now receiving old age assistance here is twelve. Judging from the number of applications yet to be passed upon we shall have six or seven more next year.

While other places have organized a separate bureau at considerable added expense to have charge of this branch of charitable work the local Board has assumed this extra duty without extra cost.

Tables on Aid Rendered in 1932

Kind of aid	No. of Families	No. of Persons	Aided in Westford	Aided Elsewhere	Aided at Infirm.

ARTHUR M. WHITLEY,
CHARLES A. BLODGETT,
EDMUND PROVOST,
Board of Public Welfare.

REPORT OF THE FOREST WARDEN

During the year 1932 we had thirty-six forest fires. As they were most all small fires the loss of wood land was slight.

I have issued two hundred fifty fire permits.

The following is a list of persons with whom fire extinguishers have been placed and a list of forest fires.

Respectfully submitted,

HARRY L. NESMITH,
Forest Warden.

List of Fire Extinguishers in Town

1. David Gregg
2. Geo. A. Drew
3. Clyde Prescott
5. Bernard Flynn
6. L. J. Elaison

Instructions for Taking Care of Fire Extinguishers

1. Any person who is loaned a Fire Extinguisher by the Town of Westford for use at brush or house fires must be responsible for same.

2. After using and before refilling the extinguisher should be thoroughly washed. Make sure the hole in the nozzle is clear.

3. Always wash and refill immediately. There may be another fire.

4. In winter the extinguisher should be put near a stove or in a warm place to prevent freezing. Otherwise it should be emptied and washed out.

5. By putting into the extinguisher ¾ of a cup of salt and stirring until dissolved, the extinguisher will not freeze so easily. It cannot, however, be left in a wholly unheated building.

6. All persons having extinguishers, who close their homes for the winter, or who leave town, should notify the Forest Warden, Harry L. Nesmith, by telephone, and give the extinguisher to him.

7. Every spring the extinguisher should be discharged, washed out and refilled.

8. Any extinguisher that is lost or becomes defective should be reported to the Forest Warden.

9. Each person taking an extinguisher to a fire should take his own extinguisher home.

10. Know the number of your extinguisher.

11. Any person allowing an extinguisher to freeze must pay for having it repaired.

REPORT OF FIRE ENGINEERS

Westford, Mass., Dec. 31, 1932

The Board of Fire Engineers submits the following report for the year ending December 31, 1932:

The companies have responded to 35 fires other than forest fires during the year—13 buildings, 10 chimneys, 2 oil stoves, 3 autos, and 7 others where the damage was small.

The following is a list of the buildings where the damage was large:

March 9—House of Wasil Baleda.
March 24—Garage of Lester McLenna.
April 19—Camp of F. H. Dixon.
April 4—House of Rufus Jaques.
May 2—Hen House of Albert Peterson.
May 15—Store of Z. Demsevich.
May 27—Storehouse, Abbot Worsted Co.
July 4——Storehouse, Fisher Buckshorn.
July 4—House of Thomas Stewart.
August 15—House of Russell Furbush.
November 30—Garage of Clarence Hildreth.
December 24—Barn of Frank X. Moran.
December 27—House of Minko.

BOARD OF FIRE ENGINEERS.

MIDDLESEX COUNTY EXTENSION SERVICE REPORT

Following is a report of the work of the Middlesex County Extension Service as developed during the year in Westford.

The major part of the work in agriculture during the year was done on the subject of fruit growing. Forty-two farm visits were made upon request to help with pruning, orchard management, spraying and marketing. An apple packing demonstration was given at Robert Prescott's storage plant. Some assistance was rendered through a local committee in the marketing of apples during the fall.

Judges were furnished for the local Grange fair.

Chamberlain's Corner has a large and enthusiastic group of homemakers. They completed the program of saving time and energy in the home under the leadership of Mrs. William Parfitt and Mrs. Alec Fisher. This group is continuing with a study of low cost meals. Mrs. John Day and Mrs. E. N. Bridgeford are the leaders.

The mothers, carrying the program of child guidance, with Mrs. David Scott and Mrs. Leroy Whitcomb as leaders, completed their work in April.

A single meeting on flower garden arrangement, seed selection and soil fertilization was held. Recreation, indoors and out was also discussed at the meeting.

Professor W. R. Cole, State College specialist, discussed and demonstrated the preservation of food. The meeting was held at the home of Mrs. Henry Fletcher. Twenty-four women attended.

One hundred and thirty-four boys and girls were enrolled in 4-H Club work during the past season in clothing, handicraft, garden, canning, health, and poultry projects. Due to the illness of Mr. William Roudenbush, Mr. Arlen Wilder served as 4-H town chairman. Local leaders were Miss Madeline Stone, Miss Alice Remis, Miss Harlene Knowlton, Mrs. Albert Wall, Mr. Houghton Osgood, Mr. Peter Perry, Mr. James Fitzgibbons, and Charles Mann.

Erlene Downing and Martin Gannon were winners in the Middlesex North Garden contest. Eileen Keizer won first place in the canning judging contest held at Acton fair.

Harlene Knowlton lacked two-tenths of a point of being the winner in the Ball Jar contest in competition with 33 other canning club members from all over Massachusetts. She tied for second place. Harlene has been the winner of three major prizes in the canning club during the summer. She took part in a canning contest conducted by the Kerr Glass Company, and was awarded a gold medal for being first in Middlesex County.

The usual large number of completions in club work were consumated by Forge Village, with banner clubs in both clothing and handicraft.

Plans for the coming year include more work with, and through, the town committee. Particular emphasis during the past year was placed on garden work. More organized garden groups with local leaders in each community will be stressed during the coming year. It is hoped also that the girls may organize several canning clubs locally to take care of the preservation of vegetables grown by the boys.

JOHN A. KIMBALL.

REPORT OF FISH AND GAME WARDEN

Westford, Mass.,
January 1, 1933

To the People of the Town of Westford, Mass.

The following is the report of the Fish and Game Warden of Westford for the year 1932.

I am sorry to say that I don't see any increase in our song birds. We have none of the song birds that we had in former years. All this last summer as I traveled through the woods and fields, I saw very few small birds. The birds that used to nest in the garden and near dwellings have disappeared with the help of the pet cat. One cat is supposed to kill fifty birds in a season; so if we want to have birds, shut the cat up until the nesting season if you don't it won't be long until we will have no more songsters.

We have a great many more partridge this year than we have had for a number of years. Still I think we ought to have a closed season on them because they are a little tame and easy to get. I have seen very few woodcock — just a few pair. There are two or three small flocks of quail, and there will be more this year as they raised some at the Game Farm and we will get some when they are liberated this spring.

We have more pheasants this year than we ever had before; and as this winter has been very mild we will probably have a lot more as we will get some from the Game Farm. I received some complaints last summer from people who had their corn crops destroyed by pheasants. The birds that are liberated here are hatched in an incubator and raised in a cage so they are quite tame so they are likely to do more damage than the wild birds.

We had no Aigrets or Little Blue Herons this past summer but quite a few of the large Blue Herons. Ducks were very plentiful in the late summer and early fall. We had two large flocks that were here until late fall.

Gray Squirrels are plentiful and are very tame. A number of people have them right in their dooryards; in fact there was a nest here in an empty tenement. There have been two or three cases where squirrels have been raised in the house. It is bad to kill a harmless, little animal when they are so friendly.

This town and a number of the adjoining towns have been stocked a number of times with snow-shoe rabbits, but they all disappear. Very few are seen after they are liberated.

I had a report that a flock of Golden Pheasants were here, I have not seen them but I hope the sportsmen will leave them alone as they are a handsome bird.

The following brooks have been stocked with trout this year. The trout came from the Sandwich Hatchery:— Tadmuck Brook, 2 cans; Boutelle Brook, 2 cans; Town Farm Brook, 2 cans; Snake Meadow Brook, 2 cans. From Nashua Hatchery:—Town Farm Brook, 4 cans; Snake Meadow Brook, 2 cans.

This is a list of the pheasants liberated: Chamberlain's Corner, 5; Town Farm, 5; Long-Sought-For-Pond, 5; Flynn Bridge, 5; Abbot Land, 9; Poor Farm Meadow, 12; Hornbrook Farm, 9. There were 1,000 small mouth bass in Long-Sought-For Pond.

In closing I would like to ask the sportsmen to have a little respect for the farmer, land owner, and tenant, and if you go out for a little sport be careful and do not damage his property. Remember he has to fix up everything you spoil, besides paying his taxes, and feeding the birds that you go out to kill. Don't smoke in the woods. I would like to ask the people not to furnish small boys with firearms unless they stay at home; they are a regular nuisance in the woods.

Every year I give more time to this work; it takes a great deal of time to look after the fish and game. I have been out on this work on the following dates: January, 5 times; February, 6 times; March, 4 times; April, 7 times; May, 4 times; June, 3 times; July, 4 times; August, 3 times; September, 3 times; October, 10 times; November, 11 times; December, 5 times.

If we have any heavy storms or deep snow and you have birds near the house please let me know and I will take care of them through the bad weather.

Hoping this report will meet with your approval, I am,

Yours obediently,

JOE WALL,

Fish and Game Warden

Reserve Fund	5,000.00	4,924.84	5,000.00	2,000.00
Overdrawn Appropriations	3.30	3.30	1,138.95	1,138.95
Outstanding Bills 1931 and 1932			5,300.00	5,300.00
County Tuberculosis Hospital Association			639.01	639.01
State Tax			6,465.00	6,465.00
County Tax			6,050.94	6,050.94
				$184,323.90

ESTIMATED RECEIPTS

Corporation Tax		$ 10,140.00	
Income Tax		12,480.00	
Poll Tax		2,028.00	
Excise Tax		5,900.00	
Gas Tax		4,250.00	
All Other		6,000.00	
			$ 40,798.00
Amount to be raised by taxation			$143,525.90
Valuation of town 1932	$3,910,009.00		

General Government: We have recommended a reduction in the amounts asked for in the items Selectmen, Town Counsel, Town Clerk and Registration and Election as we consider the requests were for larger sums than will be required.

Town Hall: We see no reason why the amount recommended is not sufficient to cover necessary expenses.

Police Department: We have recommended the sum of $2,500.00 to cover the salary of the Chief of Police, also pay the special officers when required.

Fire Department: We recommend the appropriation of $3,800.00. Of this amount $2,500.00 is to be used for general purposes and $1,300.00 for the purchase of a new truck to be located at Forge Village, the price of same not to exceed this sum.

Health Department: We recommend the sum of $2,750.00 as we consider this to be sufficient.

Highways: We have recommended the amount asked for two reasons. First, to obtain the assistance and allotments from the State and County. Second, to furnish employment to those able to work and who may apply to the Welfare Board for aid. In making this recommendation we have taken into consideration the sums paid to those working for the Highway Department.

Schools: We have recommended the sum of $63,000.00. This means a decided reduction from the sum appropriated and used in 1932. Your committee held a long conference with the School Board and suggested ways where a reduction might be made, but we refrain from making fixed recommendation as the Board, together with the advice of the Superintendent of Schools, is best fitted to do this.

Public Library: We have recommended a reduction in the appropriation of $200.00.

We have recommended small reductions in the following: Lighting of Clock, Care of Common, Memorial Day, Publishing Town Reports, and Farm Bureau these for the reason that a general reduction justifies us in doing so and the sums allowed will be sufficient.

Cemeteries: We believe under the prevailing rate of wages paid that the work at the cemeteries can be as well done as in previous years, thus the recommendation of $200.00 less.

Street Lights: In making this recommendation we would advise that the Board of Selectmen make some arrangement with the Lowell Electric Light Corporation whereby the number of lights covering the entire town be reduced in a manner where all will be treated in an equal and just way.

It is the aim of the Committee to bring about as low a tax rate as possible, but even though we have recommended much lower appropriations, the rate is bound to stay as high as the past year for two reasons. The Income from the State and other sources is to be much lower than in previous years. Second, the valuation of the property in the Town has been falling off for several years. Something must be done to overcome this shrinkage. There is a feeling that a revised and equalized valuation by the Board of Assessors should be made. Your Committee has had a meeting with the Board and recommended that some action of this kind be taken.

Respectfully submitted,

HERBERT V. HILDRETH,
OSCAR R. SPALDING,
FRANK L. FURBUSH,
P. HENRY HARRINGTON,
JULIAN A. CAMERON,
JOHN C. ABBOT.

Finance Committee.

Warrant for Annual Town Meeting, Westford, Mass.

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

To the Constable of the Town of Westford in said County:

GREETING:

You are hereby required, in the name of the Commonwealth aforesaid, to notify and warn all the inhabitants of said Town qualified to vote in elections, and also in Town affairs to meet in their several Polling Places, viz.:

Precinct 1. Town Hall, Westford Centre.
Precinct 2. Abbott's Hall, Graniteville.
Precinct 3. Abbott's Hall, Brookside.
Precinct 4. Abbott's Hall, Forge Village.

MONDAY, FEBRUARY 13, 1933

being the second Monday in said month, at 6:30 o'clock in the morning for the following purposes:

To bring in their votes for the following officers:

For Three Years

Town Clerk.
One Selectman.
One Member Board of Public Welfare.
One Assessor.
Two Members of the School Committee.
One Member Board of Cemetery Commissioners.
One Trustee of Public Library.
One Member Board of Health.

For One Year

Moderator.
Town Treasurer.
Collector of Taxes.
Constable.
Tree Warden.

23. Commemoration of Memorial Day.
24. Publishing of Town Reports.
25. Liability Insurance.
26. Cemetery Commissioners.
27. General Loans.
28. Interest on General Loans.
29. Interest on Revenue Loans.
30. Electric Lights.
31. Fire Insurance.
32. Reserve Fund.
33. Overdrafts of 1932.
34. Bills Outstanding December 31, 1932.

4th. To see if the Town will appropriate $50 and elect a Director under the provisions of Section 40-45 of Chapter 128 of the General Laws.

5th. To see if the Town will vote to install additional street lights as follows:
4 Hartford Road.
4 Makepeace Road.

6th. To see if the Town will vote to insure its officers and employees against liability for damage occasioned by the operation of its motor vehicles.

7th. To see if the Town will vote to sell the land and building, or the land or building located in Parkerville, heretofore occupied and used for school purposes, or determine what other disposition is to be made thereof.

8th. To see if the Town will vote to grant to Horace E. Gould damages for land taken in relocation of North Street and the Groton Road and appropriate money therefor.

9th. To see if the Town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the Town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932, bonds maturing in 1933 issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the Town's share of interest on said bonds due in 1933, also for the care and treatment of tubercular patients under Acts of 1928, Chapter 385 as amended by Acts 1931, Chapter 60, also for care, maintenance and repair of said Hospital for 1932 including interest on temporary notes issued therefor in accordance with General Laws, Chapter 111, Sections 85 and 85A, and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

10th. To see what action the Town will take towards reducing the number of street lights and securing lower rates, both for street lighting and domestic service, through the cancellation, change, alteration or otherwise of the contract with the Lowell Electric Light Corporation.

11th. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year, and to renew any and all of the revenue notes of the year 1933, in accordance with Section 17 of Chapter 44 of the General Laws as amended; any debts so incurred to be paid from the revenue of 1933.

12th. To see if the Town will vote that the members of the Board of Public Welfare be chosen for the term of one instead of three years.

13th. To see if the Town will vote to amend its by-laws by striking out Section 1 of Article 1 and inserting in place thereof the following:

Section 1. The annual meeting for the election of Town officers shall be held on the second Monday of February in each year. The polls shall remain open from 12 o'clock noon until 8 o'clock in the evening. All business except the election of such officers and the determination of such matters as by law or vote of the town are required to be elected or determined by ballot shall be considered at 1 o'clock on the Monday following. At state elections the polls shall remain open from 12 o'clock noon until 8 o'clock in the evening.

and by adding at the end of said by-laws the following new article:

ARTICLE VII.

Section 1. These By-Laws may be amended at any Annual Town Meeting by a majority vote; any proposed amendment, however, must appear in full in the Warrant for such meeting.

And you are hereby directed to serve this warrant by posting up true and attested copies at the Town Hall and each Post Office in said Westford, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk. at the time and place of holding the first meeting aforesaid.

Given under our hands this twenty-seventh day of January, in the year of our Lord Nineteen Hundred and Thirty-Three.

WILLIAM R. TAYLOR,
MARK A. PALMER,
ARTHUR M. WHITLEY,
Selectmen of Westford.

REPORT OF THE SCHOOL COMMITTEE

Citizens of Westford:

The School Committee wishes to report that it has completed another year of this depression without lowering the grade of education offered in our schools.

Two new members, Mrs. Olive P. Heathcote, and Mr. Edward Buckingham, were elected to serve on the committee. Mr. Robert W. Barclay, our new Superintendent, took up his duties at the beginning of the school year. Mr. William C. Roudenbush has recovered from illness and resumed his duties as principal of Westford Academy. We also had a few new teachers to fill the vacancies caused by teachers resigning.

The members of the committee have tried to cut the cost of the schools as much as possible without lowering the educational advantages offered the children. The costs of supplies, books, and coal especially have been reduced by the co-operation of the principals, teachers, and janitors, with the superintendent. We appreciate the attitude taken by them and hope it will continue.

Many repairs were made during the year which were not planned for in our budget. These included repairing roofs on three of the buildings and replacing sections in the boiler at the academy.

The question of teachers' salaries has been discussed as well as investigated. We find the salaries paid in this town as low as or lower than those in the surrounding towns.

The members of the committee know that it costs considerable to maintain the schools. They also realize the condition of business, and that taxes will be high and hard to raise. We will do all that is possible to keep our costs down and with the co-operation of all parties concerned hope to save considerable during the coming year.

We request the sum of $68,395.00 to maintain the Public Schools of Westford and $2,500.00 for Vocational School tuition for 1933.

Respectfully submitted,

ALBERT G. FORTY,

Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

I herewith submit my report as Superintendent of Schools for the brief period beginning September 1, 1932, and ending December 31, 1932, together with the annual reports of my colleagues, and other statistical data.

The schools opened on September twelfth with a total enrollment of 802 pupils. Each principal took charge of his building and did an excellent piece of work in organizing it without assistance from the new superintendent, who had not had time to get acquainted with his schools.

One of the principal aims in the system at present is to meet the public demand for assistance in reducing taxation without seriously restricting the educational opportunities offered the children in our schools. This demand has been met through the excellent co-operation of our teachers, principals, and janitors. The following changes have been made in the interests of economy.

1. **Central Supply System.** A general supply room has been opened at the Academy, and an individual supply room in each building. This system places the control of all supplies in the hands of the superintendent and principals, instead of in those of the individual teachers.

2. **Heating.** The janitors have been requested to save fuel and other supplies. They have made an excellent response to this request. Several changes have been made in the heating and ventilating systems that have increased their efficiency and decreased their operating costs. There are several minor changes that ought to be made to further increase their efficiency.

3. **Lighting.** We are endeavoring to cut our lighting bills by reducing the size of the lights used, by installing individual fixture switches, and by shutting off unnecessary lights and motors. The success of this economy move can best be seen by our last month's electric bill for the Academy, where there was a saving of more than 40 per cent over the bill for the same month for the previous year.

4. **Painting.**—Through the cooperation of Mr. Harold Hildreth, agent for the welfare department ,we have been allowed the use of men who are receiving aid from that department. These men have done some valuable work including the whitewashing and painting of our boiler rooms, playrooms, and other basement rooms. This work has cost us only the price of the paint, and without doubt has saved us a considerable amount.

5. **Book Accounting System.** We are endeavoring to catalog all our books so that they can be easily located and moved from one building to another in case of a shortage. The exchange of books this fall, under considerable difficulty, saved us from making a heavy expenditure for the purchase of new copies.

Several successful drives for the benefit of this community have been put on by the teachers and pupils. The teachers contributed $50.00 to the milk fund and over $100 to the Community Chest. The pupils raised a considerable sum of money for the Community Chest and later collected a large amount of food to help in giving a holiday variety to the tables of those who are receiving assistance from the welfare department. The pupils in the Frost School gathered a large quantity of evergreen to be made into wreaths by the veterans at the Bedford Hospital.

Our children should consider themselves very fortunate in having at the head of their local manufacturing concerns people who are willing, in spite of the existing depression, to give generously to the schools' Christmas parties. The Abbot Worsted Company gave $100 to the Cameron School, $50 to the Sargent School, $50 to the Frost School, and $35 to the Nabnassett School. The Sargent Manufacturing Company gave $25 to the Sargent School. This money was carefully spent by the teachers in purchasing useful gifts and pleasing toys for the children.

In order to prevent an existing confusion, experienced when it became necessary to close our schools during a severe storm, we are trying to arrange for the establishment of a satisfactory no school signal. We have requested the use of the fire signal in each village for this purpose, and are now awaiting the decision of the fire engineers.

The work in our elementary schools is progressing satisfactorily under the able leadership of the various principals. Mr. Ralph Osborne of Brockton has been secured as principal of the Nabnassett School to fill the vacancy caused by the resignation of Mr. Lawrence Woodbury. Miss Angie Parfitt of Westford is taking the place of Miss Louise Lothrop in the Frost School.

At the Academy, Mr. Roudenbush has returned to his former position after a year's sick leave. Mr. Gay, who was acting principal last year, has been retained as assistant principal. As neither the principal nor the superintendent had sufficient data for formulating a satisfactory program of studies, the Academy opened with a temporary schedule, the operation of which was attended by numerous conflicts and some resulting confusion. At the end of the first week, however, a new and permanent program was adopted which eliminated most of these difficulties.

Basketball teams for both the girls and the boys have been organized and are being coached by Mr. Sweatt and Mr. Gay respectively. Thus far the girls' team has been very successful. The boys' team has not had so great a success because of the small number of candidates who have tried out for the squad. For the benefit of athletics, a play entitled "Silas Takes the Air" was given under the leadership of Mr. Jenkins. The sum of $87 was realized, which will go towards the purchase of suits, equipment, and transportation of our basketball teams. It is our hope that we can organize the school in the near future in such a way as to arouse a keener school spirit in regard to athletics, and inspire an interest in and appreciation of the ethics of good sportsmanship.

Through the courtesy of the Lowell Gas Light Company we have been fortunate in securing for one afternoon each week the services of Mrs. Leonora Pendigast as domestic science instructor, without expense to the town. A new, up-to-date gas range has been installed by the company without charge to supplement our own equipment, which has not been in use for some time. It has been necessary for us to divide the class into two sections as there are 66 girls enrolled in the course. To those who might object to this course on the ground that it is an added expense to the community, we can safely say that the entire cost to the town will average about $4.00 a month.

In the interests of the schools as well as of the taxpayers, I have been considering several changes that might be made, as well as some that should be made at once. The following is a partial list of these suggestions:

1. That the eight weeks system of school vacations be eliminated. This arrangement would do away with the February recess and allow the schools to close a week earlier in June, thus providing a warm shelter in winter for many pupils whose parents are at work, and a release from the school room during hot weather. From the teachers' standpoint this procedure helps to reduce living expenses. It also gives the progressive teacher a two weeks' vacation before starting upon summer school work.

2. That the small classes in certain subjects in the Academy be held in alternate years. This would increase the sizes of these classes and permit a broadening of the curriculum without additional expense.

3. That the small classes in the elementary schools be consolidated. It would be possible to close the Nabnassett school and transport its pupils to other buildings. The children would benefit by their participation in larger classes where the teacher could give all or nearly all of her time to one grade instead of to three grades, as is now the practice in the Nabnassett School. We are already transporting twenty of the fifty-two pupils enrolled. With transportation

of the remainder as the only item to be deducted, there would be effected the saving of two teachers' salaries, a janitor's salary, a water bill, electric light bills, and a coal bill, besides the cost of general repairs to the building.

4. That the music supervisor be hired for five days a week instead of three. This would permit the teaching of music in the Academy where it is sadly needed.

5. That the heating system in the Academy auditorium be overhauled and repaired. This would necessitate the replacing of one of the heating units that is now practically worthless and the possible addition of more radiators. At present we are able to heat this room in moderate weather only. During cold waves we are forced to crowd our study pupils into class rooms, an arrangement which is not satisfactory.

6. That the furnaces in the Frost School be replaced by one that would use soft coal. At present this four room building is being heated at approximately the same cost as the academy. This heavy expense of operation is due to the fact that the boilers now in use burn only hard coal, the price of which is more than double that of soft.

7. That the inside of the Sargent School be renovated. This would include painting and varnishing, further changing of the lighting fixtures in three rooms to increase the amount of light and decrease the lighting cost, replacing three ceilings that are in bad condition, and changing the position of the blackboards in two rooms from the back to the front.

In concluding this report, my sincere thanks go to the members of the School Board for their friendly counsel and for their hearty support of my efforts to guard the interests and improve the opportunities of the youth of Westford. I also wish to express my appreciation for the helpful spirit of co-operation shown by principals, teachers, janitors, and others interested in our schools.

Respectfully,

ROBERT W. T. BARCLAY,
Superintendent of Schools.

REPORT OF WESTFORD ACADEMY

January 1, 1933.

Mr. Robert W. Barclay,
Superintendent of Schools,
Westford, Massachusetts.

Dear Sir:

Following is the twenty-first annual report of Westford Academy since my principalship. During my absence last year, Mr. Alfred F. Gay was acting-principal, and prepared the annual report

Faculty

William C. Roudenbush, Latin, French, History.
Alfred F. Gay, Science, Mathematics.
Merrill L. Jenkins, Latin, French, English.
Mrs. Mary L. Robinson, English.
Miss Ethel N. Caldwell, Science, Mathematics.
Miss Evelyn H. Pickard, Commercial.
Miss Florence M. Misner, Commercial, and Secretary to the Superintendent.
Chester V. Sweatt, Seventh and eighth grades.
Miss Angie E. Parfitt, Seventh and eighth grades.

Enrollment

	Boys	Girls	Total
Post-Graduates	2	2	4
Seniors	5	11	16
Juniors	9	17	26
Sophomores	18	25	43
Freshmen	20	35	55
Eighth Grade	10	13	23
Seventh Grade	14	18	32
	78	121	199

Pupils are assigned to various Home Rooms throughout the building, the assembly hall being used only as a Study Hall except on special occasions.

Basketball Schedule, 1932-1933

		Scores			
		Boys		Girls	
		W.	Opp.	W.	Opp.
Dec. 9	Pepperell at Westford	28	9	48	11
Dec. 14	Littleton at Westford	7	13	41	17
Dec. 16	Lunenberg at Lunenberg	17	20	30	11
Dec. 21	Ayer at Ayer	10	15	30	26

Jan. 6 Townsend at Westford.
Jan. 11 Acton at Acton.
Jan. 13 Groton at Westford.
Jan. 18 Ayer at Westford.
Jan. 20 Littleton at Littleton.
Jan. 28 Pepperell at Pepperell.
Feb. 1 Chelmsford at Westford.
Feb. 3 Lunenberg at Westford.
Feb. 8 Acton at Westford.
Feb. 10 Townsend at Townsend.
Feb. 17 Groton at Groton
Mar. 3-4 Fitchburg Tournament.
Mar. 10 Chelmsford at Chelmsford.

Mr. Gay coaches the boys' team and Mr. Sweatt the girls' team. Gustaf Peterson, class of 1928, a graduate of Springfield College, is referee at the home games.

Eligibility Rules

1. Pupils must be passing three subjects to play on athletic teams.

2. Pupils meeting above requirements at first marking period will be eligible until the second marking period.

3. Pupils meeting above requirement No. 1 at second marking period will be eligible for the remainder of the basketball season.

4. Pupils meeting above requirement No. 1 at April marking period will be eligible for baseball.

5. Pupils who expect to represent Westford Academy cannot play for any other organized team.

Miscellaneous

Provision is made for helping pupils in their work after school hours by the following schedule:

Monday—Mr. Sweatt, Mrs. Robinson.
Tuesday—Mr. Roudenbush, Mr. Gay.
Wednesday—Mr. Jenkins, Miss Pickard.
Thursday—Miss Caldwell, Miss Misner, Miss Parfitt.
Friday—By appointment as necessary.

The attention of parents is called to this program which shows that a definite opportunity is always at hand for any pupil to receive special assistance if he is so disposed.

This does not mean, however, that no other times than those mentioned are available to pupils who desire help. It is possible to arrange for such assistance at almost any time by speaking to the teacher beforehand.

The honorary members of the Tadmuck Club from the class of 1933 are Harlene Knowlton and Mary Wilson.

On November 29 Milton J. Schlagenhauf, director of admissions of Northeastern University, Boston, met the boys of the Senior and Junior classes and gave them a valuable talk on present day problems which lie ahead of any young man who seeks a technical training.

A class in cooking was begun the last of November under the direction of Mrs. Leonora Pendergast of Lowell. This class has an enrollment of 62 girls divided into two groups who meet alternate Tuesdays from 1:08 to 2:45 P. M. Thus each girl has regular instruction once in two weeks.

An assembly was held December 23 with a Christmas program consisting of carols, "walking rehearsals," recitations, vocal and instrumental numbers by members of the school. Other features of the program were a speech by Joseph Ackerman, class of 1932, who told of college experiences, and several piano-accordian solos by Alec. Bileda of Graniteville.

The following communication from the Board of Registration of Nurses for the State of Massachusetts is of especial importance to all girl students in the Academy.

"The Board of Registration of Nurses has ruled that the educational requirements for admission to Approved Training Schools for Nurses in Massachusetts shall be as follows:

1. For all candidates admitted after September 1, 1932—two years of high school.

2. For all candidates admitted after September 1, 1933—four years of high school.

3. For all candidates admitted after September 1, 1934—the following credits shall be required in the high school course:

(a) Two units of Natural Science i. e. general science, physics, chemistry, biology, physiology.

(b) Three units of English.

(c) Two units of Mathematics (i. e. commercial arith., bookkeeping, algebra, geometry).

4. In place of the requirements of 1, 2, or 3 the College Preparatory Course will be accepted."

The system of mid-year examinations has been introduced. These examinations count one fourth in determining averages.

The program of the graduation exercises of June 22, 1932, follows this report.

Respectfully submitted,

WILLIAM C. ROUDENBUSH,
Principal.

GRADUATION EXERCISES OF WESTFORD ACADEMY

Assembly Hall
Westford, Massachusetts
Wednesday, June 22, 1932, at 8 o'clock P. M.

PROGRAM

March ..... Senior Class
Prayer ..... Reverend George H. Douglas

Washington and Franklin Medal
Given by Massachusetts Society Sons of the American Revolution
Ruth Anita Mateer, '32

CLASS SONG
Tune—Little Log Cabin of Dreams

(Verse)

Freshmen when we entered
Started on our way.
Doubtful as to whether,
We really ought to stay.
Pleasant hours together,
Work combined with play,
Understanding teachers,
Helping day by day.

(Chorus)

We send you this parting,
With eyes that are smarting.
And hearts that are so full of pain.
We long to be near you,
To love and revere you,
But leave this to those who remain.
Gone are those moments together,
Gone are the days we once knew.
Farewell, dear old Westford,
We'll never forget,
The hours that we've spent with you.
Cherished, and loved by all,
Farewell, oh dear old Westford,
We leave you with a sigh.

Caroline M. Weaver.

REPORT OF SUPERVISOR OF MUSIC

Mr. Robert Barclay,
Superintendent of Schools,
Westford, Massachusetts.

Dear Sir:

Following is my report as Supervisor of Music.
My program, three days a week, is herewith given:

Monday—Sargent School

8.45-9.00—Harmonica Band.
9.00-9.30—Grade Eight.
9.30-10.00—Grade Six.
10.00-10.15—Recess.
10.15-10.45—Grade Three.
10.45-11.15—Grade Four.
1.15-11.45—Grade Seven.
11.45-12.45—Noon Recess.
12.45-1.15—Grade Five.
1.15-1.45—Grade One.
1.45-2.15—Grade Two.
2.15-2.45—Grade One, Rhythm Band.

Tuesday—Cameron School

8.45-9.15—Grade One.
9.15-9.45—Grade Two.
9.45-10.15—Grade Three.
10.15-10.30—Recess.
10.30-11.10—Grade Four.
11.10-11.45—Grade One, Rhythm Band.
11.45-1.00—Noon Recess.
1.00-1.30—Grade Five.
1.30-2.00—Grade Six.
2.00-2.30—Grade Seven.
2.30-3.00—Grade Eight.

Wednesday—Nabnassett and Frost Schools

8.45-9.25—Grades Two and Three.
9.25-9.45—Grade One.
9.45-10.15—Grades Four, Five, Six.
10.30-10.45—Harmonica Band (Frost).
10.45-11.15—Grade Six (Frost).
11.15-11.45—Grades Three and Four (Frost).

11.45-12.20—Grade Five.

12.20-1.00—Noon Recess.

1.00-2.00—Grades Seven, Eight (only period for music).

2.00-2.25—Grade Two.

2.25-2.45—Grade One.

Our objectives in teaching music are:

1. The ability to sing.
2. The ability to play an instrument.
3. The ability to understand music.
4. "The ability to utilize music for a healthful and abundant awakening of one's emotional nature."

As we look back and view the activities of the community we discover that music plays a large and increasing part in human life today. It provides an experience which brings enjoyment to almost everyone. Nine out of every ten entertainments we go to are musical ones. Every entertainment the schools present is of a musical nature. Since appreciation of good music on the part of all, whether as a performer or a listener, is desirable, education should make as great a contribution as possible to the development of a wide-spread musical appreciation. Therefore, we try to instill this love of, or appreciation for, music. It is with this end in view that we have, besides vocal music, the Rhythm Bands, the Harmonica Bands, the victrola and the radio. In order to have a normal training for appreciation, music of the highest quality should enter abundantly into the life of the school.

Our entertainments during the year were as follows:

1. Special Christmas programs in all the schools.

2. Lincoln exercises in the schools.

3. April 29—a pageant-cantata "George Washington," presented by the Cameron and Sargent Schools, grades four to eight.

4. May 13—an operetta "Another Washington" by Frost and Nabnassett Schools.

5. Memorial Day exercises at the Common. Music by the combined upper grades, assisted by William Prescott.

6. Graduation exercises of the combined eight grades at the Academy Hall. Several choruses were sung by the grades.

7. High School graduation. The Glee Club sang the following numbers:

1. "Starry Night" .....Densmore
2. "Twilight" .....Friml
   The Misses Chrystabelle, June and Caroline Weaver
3. "I Couldn't Hear Nobody Pray" .....Negro Spiritual
   Miss Ruth Mateer, and Glee Club

In closing, I wish to express my sincere gratitude to all those who have helped to make our music year such a happy and successful one.

Respectfully submitted,

DAISY P. PERRY,

REPORT OF SCHOOL NURSE

Mr. Robert Barclay,
Superintendent of Schools.
Westford, Massachusetts.

Dear Sir:

Following is the report of the School Nurse from January 1 to December 31, 1932:

School visits	477
Absentees visited in their homes	146
Children examined for minor ailments	56
Children sent home for illness, Impetigo or Pediculosis	96
Dressings and First Aid	151
Child Welfare visits	122
Home visits for corrective work	404
Contagious disease cases visited	38
Children taken to school dental clinic	367
To Hospitals for tonsil and adenoid operations	13
To pediatric clinic, Lowell	42
To skin, clinic, Lowell	5
To eye, ear, nose and throat clinic, Lowell	46
To neurological clinic, Lowell	4
To scoliosis clinic, Children's Hospital, Boston	1
To State House, Child Guardianship Care	7

Class room inspections made
Pupils weighed and measured.
Vaccinations checked.
Eye and ear tests made.
State re-examination clinic held at Westford.
Diphtheria toxin anti-toxin clinic held at schools.
Assisted School Physician with annual physical examination of pupils in all Westford schools.

Respectfully submitted,

C. VERONICA MEAGHER, R. N.,
School Nurse.

REPORT OF SCHOOL NURSE

Following is the report of the School Nurse from May 1 to July 10, 1932:

School visits	170
Absentees visited in their homes	56
Dressings and First Aid	40
Children examined for minor ailments	30
Children sent home for illness and pediculosis	3
Child Welfare visits	15
Observation and advisory home visits	197
Children taken to school dental clinic	88
Contagious disease cases visited	
To Hospital for T. & A. operation	5
To eye, ear, nose and throat clinic, Lowell	19
To pediatric clinic	2
To Lowell General Hospital	1

Respectfully submitted,

RUTH E. NESMITH, R. N.,
(Substitute).

REPORT OF SCHOOL PHYSICIAN

Members of the School Committee:

Following is my report as Medical Inspector of the Schools of Westford for the year ending December 31, 1932:

This year during my inspection of the Schools, I was ably assisted by Mrs. Veronica Meagher, whose services were offered by the local Board of Health.

While making the various inspections and examinations of all the school children, many defects and faulty conditions were found, which were reported to the parents.

This year the School Physician and Nurse made a special examination, of the boys and girls, who were candidates for the basketball teams. This examination took place after regular school hours.

By the careful follow-up work of the nurses, many of these conditions were quickly corrected, as the report of the nurse will show.

Will state, also, that less contagious and infectious diseases were found among the school children this year, than in previous years.

By generous contributions of the Public we were able to provide milk to the underweight children of the schools.

At the next Town Meeting, we hope that the Town will make a sufficient appropriation to carry on this essential work. Unless such is done, we cannot continue the work, for lack of funds.

All interested in Child Health were greatly pleased to see the good sense of the children and parents in taking the Diphtheria Toxin Anti-toxin, given to the school children by the services of the local Board of Health.

While the regular School Nurse was absent from her duties, by consent of the Board of Health, her work was very ably carried on by Miss Ruth Nesmith.

The general health and welfare of the school children has steadily improved from year to year, and it is my belief that the parents will continue to take the same interest, and cooperate with the School Nurse, Teachers and Physician of the Schools, in keeping up this high standard of health.

Respectfully submitted,

DR. C. A. BLANEY,

School Physician.

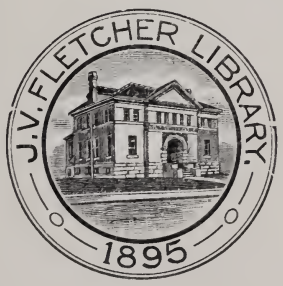
Annual Report

OF THE

J. V. FLETCHER LIBRARY

OF THE

TOWN OF WESTFORD, MASS.



For the Year Ending December 31, 1932

REPORT OF THE TRUSTEES OF THE J. V. FLETCHER LIBRARY

January 1, 1933.

The trustees of the J. V. Fletcher Library respectfully submit their annual report for 1932, including the report of the librarian and the list of books added in 1932.

The trustees ask for the following appropriation, viz:

1. The sum of two thousand dollars ($2,000) to meet the current expenses of the main library and its branches.

2. The receipts from the dog licenses in 1932.

The trustees wish to express their appreciation of the loyal service rendered to the library by Mr. Frederick A. Hanscom as janitor from 1920 to 1932.

JULIAN A. CAMERON, Chairman,
WILLIAM C. ROUDENBUSH,
ALICE M. HOWARD, Secretary.

		$ 2,719.00

REPORT OF LIBRARIAN

January 1, 1933.

To the Trustees of the J. V. Fletcher Library:

The report of the Library for the year ending December 31, 1932, is herewith presented.

While the circulation at the main library has been 265 less books, the villages have seen a large gain. The decrease at the library has been due to the fact that fewer children have come up from the villages in the school barges. Many new adult readers have been welcomed at the library this year, thereby increasing the adult circulation by 494 but not enough to compensate for the loss in the children's department. But this decrease in books has been more than offset by the magazines, making a total circulation here of 23,420.

The library still serves the pupils at the center during the noon hours on Tuesdays and Thursdays. This makes a very busy place while the children hurry to find books for study or recreation in the short time at their disposal.

Travel has been the most popular non-fiction this year with a circulation of 603; biography second with 496 books loaned. The circulation per capita was 8.5 volumes, including periodicals and the cost per volume was 8.8 cents. The per capita cost of the library was 75.5 cents, two cents less than last year. Nine days had a record of more than 200 books borrowed, the largest being 287 on April 5. The smallest was 45 on June 30. April had the largest circulation, 1969, averaging 164 a day. June had the smallest with 1040. The library has been open 155 days with an average day's loan of 125 books and 26 magazines, besides pictures of which 905 went out during the year.

The picture collection has continued to grow in size and usefulness. While the teachers have been the principal borrowers, others should find them of use. Some have been loaned to Sunday School teachers. Sources for the pictures are discarded magazines, covers from other periodicals, circulars, occasional gifts and a few purchased that were especially needed and were not forthcoming in other ways. The subjects include geography, history, religion, minerals, biography, art and many others. The filing case which was purchased several years ago has already become inadequate and another is needed.

The children have continued to read from the certificate list put out by the Division of Public Libraries and 315 five-book certificates and 39 honor certificates were given out during the first half of the year.

The sum of $40.23 in fines was collected and turned over to the town.

The Division of Public Libraries has again been of service to several of our readers by loaning books which we could not afford to buy. About eighteen books of nonfiction were borrowed besides books in Polish and Russian for readers who desired them. Nine books were borrowed from other libraries.

The added interest in stamp collecting has necessitated the purchase of several volumes on this subject.

To further her professional education the librarian attended the conference of the American Library Association at New Orleans in April, followed by a ten day trip into Mexico. Dolls and other souvenirs of the trip were later on exhibition at the library. In June she attended the meeting of the Northeastern Library Association at Bethlehem, New Hampshire.

Also much time is spent in reading book reviews and literature pertaining to library work so that she may give better service to the public. Several times a year Miss Howard and the librarian make trips together to Boston book stores for the purpose of examining and purchasing books for the library, beside numerous individual visits.

The number of books sent to the schools and deposit stations is not shown in the circulation figures for the main library, though a great deal of time is required for picking out, charging and checking off these 1300 books. This work and much else, such as cataloging and mending books must be done behind the scenes on days when the library is not open, thus leaving library days for the more friendly assistance needed by the borrowers.

A new book truck was purchased early in the year making the work of checking off and putting away the books much more convenient and at the same time leaving the counter free.

According to the American Library Association, an assistant is needed for every 20 000 books circulated. Due to the steady increase in the work at the library a regular part time assistant is now necessary and the library has been very fortunate in securing Miss Edna M. Hamlin who has given very efficient service.

The circulation of magazines has been greater than in any previous year. Several new magazines have been added. All except current numbers may be borrowed for one week and the list for the coming year is as follows:

REGULATIONS

The J. V. Fletcher Library is open Tuesdays, Thursdays, and Saturdays (legal holidays excepted) from 1.30 till 5, and from 6.30 till 9.00 P. M.

The Graniteville deposit station at the home of Mrs. Carroll M. Sawyer is open Monday afternoon and evening.

The Forge Village deposit station at the Post-Office in charge of Mrs. Josephine Connell is open daily.

The Brookside deposit station at Community Hall in charge of Mrs. Alice McTeague is open Thursday evenings.

New books of fiction can be kept only one week; but there may be one renewal. All other books may be kept four weeks. Renewals may be made by telephone or by postal.

No book shall be transferred, or acknowledged as returned, unless delivered to the librarian.

For each day that a book is kept beyond the prescribed time a fine of one cent is charged.

Borrowers finding books mutliated or defaced should report the fact to the librarian.

Residents of Westford	23	15

NOTE

All persons are respectfully requested to examine the foregoing reports of births, marriages and deaths, and report to the Town Clerk any errors or omissions that may be discerned therein, so that the records may be corrected. An error in the record, other than a mistake in copying a certificate or return, can be corrected only in accordance with a deposition under oath made by one who was required by law to furnish the information for the original record or by one or more creditable persons having knowledge of the case. (See General Laws, Chapter 46, Section 13.)

Births occurring late in the year are sometimes returned without the Christian name. In such cases parents should return the name to the Town Clerk as soon as selected, as incompleteness of the record may occasion trouble in the future.

Attention is particularly called to the following extracts from the General Laws.

GENERAL LAWS, CHAPTER 46

Section 1. Each city and town clerk shall receive or obtain and record * * * facts relative to the births * * * in his city or town.

Section 3. Every physician or medical officer registered shall keep a record of the birth of every child in cases of which he was in charge and * * * shall, within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred a report * * * If the child is illegitimate, the name and other facts relating to the father shall not be stated except at the request in writing of both father and mother filed. * * * Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported * * * A physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars. * * *

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required * * * shall furnish the same upon request of the clerk of the town * * * or of any person authorized by him. (Penalty for refusing not more than ten dollars.)

Section 6. Parents, within forty days after the birth of a child, and every householder within forty days after a birth in his house

shall cause notice thereof to be given to the clerk of the town where such child is born.

Section 8. (Penalty for neglect to comply with the provisions of Section 6, not more than five dollars.)

GENERAL LAWS, CHAPTER 207

Section 36. If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the town where either of them lived at the time of their marriage, a certificate or declaration of their marriage including the facts required in a notice of intention of marriage.

Section 55. Whoever violates Section 36 shall forfeit ten dollars.

The Town Clerk hereby gives notice that he is prepared to furnish parents, householders, physicians and registered hospital medical officers applying therefor with blanks for return of births as required by law.

CHARLES L. HILDRETH, Town Clerk.

Town Clerk's Report on Dogs

Number of Dogs Licensed Dec. 15, 1932 to Dec. 31, 1933

222 Males at $2.00	$444.00
16 Spayed Females at $2.00	32.00
34 Females at $5.00	170.00
Total	$646.00
Clerk's fees 272 licenses at 20 cents	54.40
	$591.60
Paid into Town Treasury as per Town Treasurer's Receipts	$591.60

Number of Dogs returned by Assessors

Males and Spayed Females	249
Females	30
Total	279

The attention of owners and keepers of dogs is called to the following extracts from Chapter 140 of the General Laws:

Section 137. The owner or keeper of a dog which is three months old or over shall annually, on or before the thirty-first day of March cause it to be registered, numbered, described and licensed for one year from the first day of April following, if kept in any town, in the office of the clerk thereof. The owner or keeper of a licensed dog shall cause it to wear around its neck a collar distinctly marked with its owner's name and its registered number.

Section 138. The owner or keeper of a dog may at any time have it licensed until the first day of April following; and a person who becomes the owner or keeper of a dog after April first which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March 31 in any year shall when it is three months old cause it to be registered, numbered, described, licensed and collared as required in the preceding sections.

CHARLES L. HILDRETH,
Town Clerk.

ANNUAL TOWN MEETING, FEBRUARY 20, 1933

At a legal meeting of the inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, Monday, February 20, 1933, the following business was transacted.

Roger H. Hildreth, Town Moderator, was sworn in by the Town Clerk, Charles L. Hildreth, and called the meeting to order.

1. Voted that reports of the Finance Committee, other Committees, Boards and Officers be accepted as printed.

2. Voted that the compensation of the Town Officers be as follows:

Selectmen, Chairman, $135.00 Other two members, $115.00 each. Board of Public Welfare, chairman, $15.00. Other two members, $10.00 each. Town Treasurer, $450.00. Town Clerk, $90.00. Collector of Taxes, .675 of 1% of the amount collected. Tree Warden, .53 per hour. Assessors, $3.50 per day.

3. Voted that under this article each item be considered separately.

1. Voted that the sum of $5,065.00 be appropriated for General Government, to be divided as follows: Selectmen $460.00; Town Treasurer $740.00; Town Accountant $815.00; Assessors $850.-00; Tax Collector $1,400.00; Town Counsel $200.00; Town Clerk $300.00; Election and Registration $300.00

2. A motion that the sum of $1,700 be appropriated for the Town Hall was lost.

A motion that the sum of $1600 be appropriated for the Town Hall was lost.

Voted that the sum of $1500 be appropriated for the Town Hall.

3. Voted that the sum of $2500 be appropriated for the Police Department.

4. Voted to take up the items of Fire Department and new fire trucks separately.

Voted that the sum of $2500 be appropriated for the Fire Department.

Voted that a committee be appointed to act jointly with the Fire Engineers in purchasing and equipping a Fire Truck to be

located at Forge Village, the price of same not to exceed $1300, and that said sum of $1300, be appropriated. The Moderator appointed the board of selectmen as such Committee.

5. Voted that the sum of $3440 be appropriated for Hydrants.

6. Voted that the sum of $125 be appropriated for the Sealer of Weights and Measures.

23. Voted that the sum of $250 be appropriated to defray the expenses of Commemorating Memorial Day.

24. Voted that the sum of $500 be appropriated to defray the expenses of publishing and distributing the Town Reports.

25. Voted that the sum of $1400 be appropriated for Liability Insurance.

26. A motion that the sum of $900 be appropriated for Cemeteries was lost.

Voted that the sum of $800 be appropriated for Cemeteries.

27. Voted that the sum of $7500 be appropriated for General Loans.

28. Voted that the sum of $3175 be appropriated for Interest on General Loans.

29. Voted that the sum of $2000 be appropriated for Interest on Revenue Loans.

30. Voted that the sum of $6000 be appropriated for Street Lights.

31. Voted that the sum of $370 be appropriated for Fire Insurance.

32. Voted that the sum of $2000 be appropriated in accordance with the provisions of Section 6 of Chapter 40, General Laws, as a Reserve Fund.

33. Voted that the sum of $1138.95 be appropriated for Over-Drafts of 1932, to be divided as follows: Town Hall $7.89; Old Age Assistance $9.50; Soldiers' Benefits $265.97; Interest on General Loans $651.62; Interest on Revenue Loans $191.63; Veterans' Exemption $12.34.

34. Voted that the sum of $6179.68 be appropriated for Bills Outstanding December 31, 1932, to be divided as follows: Town Counsel $379.80; Election and Registration $88; Town Hall $111.71; Police Department $162.31; Fire Department $2.75; Sealer of Weights and Measures $2.63; Health Department $16.64; Street Lights $801; Snow and Ice Removal $264.82; Soldiers' Benefits $383.34; Care of Common $12.50; Lighting of Clock $4.05; Old Age Assistance $96; Public Welfare Department $2,964.71; Vocational Tuition $889.42.

4. Voted that the Town appropriate the sum of $25 for demonstration work in agriculture and home economics and that said sum be spent in town under the supervision of the Director. John A. Kimball was elected Director.

5. Voted to dismiss the article regarding additional street lights on Hartford and Makepeace Roads.

6. A motion to dismiss a motion to insure the officers and em-

ployees of the Town against liability for damage occasioned by the operation of its motor vehicles was lost.

Voted that in accordance with Clause 1 of Section 5 of Chapter 40 of the General Laws, as amended by Section 2 of Chapter 458 of the Acts of 1931, the Town provide indemnity through insurance for the protection of its officers or employees against loss incurred while in the performance of their duties or employment in the operation of motor vehicles of the Town.

7. Voted to dismiss a motion that the Selectmen be and hereby are authorized to sell at public auction or private sale the building formerly used for school purposes located upon land of the Town situated on the easterly side of the Carlisle Road.

Voted to dismiss the article.

8. Voted that the Town appropriate and pay Horace E. Gould the sum of $100 as damages to land taken in the relocation of North Street and Groton Road.

9. Voted that the sum of $1000, this being the town's share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932, bonds maturing in 1933, be and the same is hereby appropriated and that a further sum of $524.81 be and hereby is appropriated on account of interest and other charges on account thereof. That a further sum of $639.01 be and hereby is appropriated for the town's share of the net cost of care, maintenance and repair of the Middlesex County Hospital including interest on temporary notes issued therefor and including the town's share of the care and treatment of tubercular patients up to June 30, 1932 cared for under Acts of 1928, Chapter 385, as amended.

10. Voted that the Town appropriate the sum of $6000 to meet the expense of street lighting during the current year and that the Selectmen be and hereby are appointed a committee to negotiate with the Lowell Electric Light Corporation to light its streets with electricity with such service and at rates the cost of which shall not exceed this appropriation.

11. Voted unanimously that the Town Treasurer with the approval of the Selectmen be and hereby is authorized and empowered to borrow money from time to time in anticipation of the revenue of the municipal year beginning January 1, 1933, and to issue a note or notes therefor payable within one year, and in accordance with Section 17 of Chapter 44 of the General Laws as amended to renew any of such revenue notes as may be payable within a shorter period than one year, any debt or debts so incur-

red under this vote whether as to the original indebtedness or renewal thereof to be payable within one year from the date of the original loan and from the revenue of said financial year.

12. Voted to dismiss the article relative to the election of members of the Board of Public Welfare for a term of one instead of three years.

13. Voted that the By-Laws of the Town be amended by striking out Section 1 of Article 1 and inserting in place thereof the following:

Section 1. The Annual Meeting for the election of Town officers shall be held on the second Monday of February in each year. The polls shall remain open from 12 o'clock noon until 8 o'clock in the evening. All business except the election of such officers and the determination of such matters as by law or vote of the town are required to be elected or determined by ballot shall be considered at 1 o'clock on the Monday following. And by adding at the end of said By-Laws the following new article:

ARTICLE VII

Section 1. These By-Laws may be amended at any Annual Town Meeting by a majority vote; any proposed amendment however must appear in full in the warrant for such meeting.

14. Voted to accept the minutes of the meeting.

15. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, JUNE 16, 1933

At a legal meeting of the inhabitants of the Town of Westford qualified by law to vote in Town affairs, held at the Town House, Friday, June 16, 1933, at eight o'clock P. M., the following business was transacted.

Roger H. Hildreth, Town Moderator, called the meeting to order.

Article 1. Voted to accept the report of the Finance Committee.

Article 2. Voted that so much of the vote taken at the last Annual Town Meeting relative to the compensation of the Assessors be rescinded.

Article 3. Voted that the compensation of the Assessors for the year 1933 be at the rate of $4.50 per eight hour day.

Article 4. Voted to take up each item separately.

1. Voted that the sum of $125 be appropriated for the expenses of the Selectmen.

2. Voted that the sum of $100 be appropriated for Election and Registration expenses.

3. Voted that the sum of $28.80 be appropriated for bills outstanding December 31, 1932 to be divided as follows: Westford Infirmary $9.90; Schools $18.90.

4. Voted that the sum of $600 be appropriated for interest on Pevenue Loans.

Article 5. Voted to dismiss the article relative to the purchase of cows for the Infirmary.

Article 6. A motion that the Board of Public Welfare be authorized to appoint and fix the salary of a physician to render medical aid to those in need was lost by a vote of 19 to 24. Voted to dismiss the article.

Article 7. Voted to dismiss the article relative to choosing members of the Board of Public Welfare for the term of one year instead of three years.

Article 8. Voted to accept the minutes of the meeting.

Article 9. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, DECEMBER 12, 1933

At a legal meeting of the Inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, Tuesday, December 12, 1933, at seven thirty o'clock P. M., the following business was transacted:

Roger H. Hildreth, Town Moderator, called the meeting to order.

1. Voted to accept the report of the Finance Committee as read.

2. Voted unanimously that $4000 be transferred from the Overlay Reserve and be appropriated as follows: $3200 for the Welfare Department; $300 for Soldiers' Benefits; $450 for Liability Insurance; and $50 for the Expenses of the Town Hall.

3. Voted unanimously that the following amounts be appropriated to defray the expenses of the following: $100 for the Police Department; $125 for the Highway Department; $620 for the Equipment for the Civil Works Projects.

4. Voted unanimously that in order to meet the appropriations under Article 3 transfers be made from unexpended balances of the following appropriations: Interest on Revenue Loans $400; Old Age Assistance $250; and Outstanding Bills as of December 31, 1932, $195.

5. Voted unanimously that the sum of $1200 be transferred from the Overlay Reserve to defray the expenses of Truck Hire and Administration expenses of Civil Works Projects.

6. Voted to accept the minutes of the Meeting.

7. Voted to dissolve the Meeting.

CHARLES L. HILDRETH,
Town Clerk.

REPORT OF SELECTMEN

Citizens of Westford:

For details of the work done on the highways we refer you to the report of the Superintendent.

We have cooperated with the Welfare Board to give work to as many of the unemployed as possible.

We also endeavored to give trucking to those in town who owned dump trucks.

A further section of Tyngsborough Road was reconstructed which completed the work as far as the Groton Road.

The local chairman of the Civil Works Administration secured a Federal allotment to continue work on this road northerly from the Groton Road. It is hoped that another allotment will be obtained to continue this project.

We are asking for a town appropriation of $1000.00 to be used with a like amount from the State and County each. We believe that this appropriation, with an additional allotment from the Federal Government will about complete the work to the Tyngsboro town line.

Another stretch on the Groton Road was completed, extending nearly to Mill Stone Road, leaving about three fourths of a mile unfinished to the Groton line.

We therefore applied to the State and County for a further allotment, which was granted, but owing to the lateness in the season the section was not entirely finished.

As soon as the weather permits this work will be completed.

This closes our second year of operation under Chapter 81, and we are asking the Town to continue under this plan, which means that the Town must appropriate $10,625.00 to receive the $8,500.00 from the State and the work will be done under the supervision of a State Engineer.

Chapter 90 Roads or "State and County aided Roads" were taken care of as in previous years.

The relations with the Officials and Engineers of the State and County have been most pleasant, their cooperation and advice helpful

in our road problems and their allotments of money to the Town very generous.

We would call your attention to the report of Officer Sullivan of the Police Department.

We have been advised that traffic signals and safety lights, also the painting of traffic lines on the highways are safety projects and as such must be paid for from the Police Department appropriation and not from the Highway appropriation.

At the last annual Town Meeting the voters appropriated $6,000.00 for Street Lighting, this being a reduction of $3,000.00 or about 38% from the previous year.

An appropriation of $6,000.00 for a full year provides for a total of 333 lights or in other words, it made necessary a discontinuance of 201 lights.

We arranged with the Lowell Electric Light Company for this plan but in as much as two months had already elapsed when the cut was voted we arranged to have all lights discontinued for four or five weeks during the summer to enable us to live within the appropriation.

In removing the 201 lights made necessary by the cut in the appropriation, we endeavored to follow the suggestion of the Finance Committee, "to make some arrangement whereby the number of lights covering the entire town be reduced in a manner where all will be treated in an equal and just way."

Respectfully submitted,

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
W. OTIS DAY,

Selectmen of Westford.

REPORT OF SUPERINTENDENT OF HIGHWAYS

I herewith submit my report for year ending Dec. 31, 1933.

During the past year more work was accomplished on the highways of our Town, than has been done before in any one year. This of course, was due largely to unemployed labor, and the low price of truck hire.

Following is a list of work done:

West St., from Cowdrey Hill Road to Groton line. Graveled, rolled, and two applications of oil. Also part done last year was treated with application of oil.

Hildreth St., completed from Concord Road toward Westford, graveled, rolled, and oiled, new work about three quarters of a mile. Also oiling and Hone-drawing the entire street.

Tenny Road, from Keyes Road to Dunstable Road—graveled and rolled, part of it had one application of oil.

Dunstable Road, Ward's Corner to Tyngsborough line, was graveled, rolled and oiled a distance of about a half mile, also part done last year was oiled, making road all complete from Tyngsboro Road to Tyngsboro line.

Chamberlain Road going toward Chelmsford, for about a quarter of a mile. Was widened and graveled. This road is to be completed this coming year.

Mill Stone Road has been graveled from Groton Road to Groton line.

Tadmuck Road near Main St. was graveled for about a quarter of a mile. As this road has had gravel on several different places it should be completed this year.

Forest Road, from Groton Road to Oak Hill Road, a distance of about a mile. Was graveled, rolled, and two applications of oil applied, making this road complete.

Providence Road, from Main St. toward Chelmsford, was graveled and widened for about a quarter of a mile. This road is to be completed this year.

Various roads and streets were scarified, reshaped and rolled, as occasion demanded. This Town has a new Honing scraper, and by dragging on new oiled or tarred roads, it takes off the humps and fills in the hollows, making a smooth riding surface and helps to keep road in shape.

Several new Culverts were installed, either of corrugated iron, asphalt, or hard clay pipes.

The culverts were constructed of sufficient length, to avoid use of guard rail in most cases.

The usual scraping and patching, was carried on throughout the year.

Roads that will be completed this year:

Plain Road, from Nabnasset School, to Regniers, other half is done.

South Chelmsford, to Chelmsford line.

Griffin Road, to Griffin Farm, other half is done.

Tenny Road, from Wards Cor. to Tyngsboro line.

Under Chapter 90:

Makepeace Road, a little over a half mile was built of gravel, twenty-four ft. wide with shoulders, also rolled and tarred. Ample drainage was provided, new thirty-inch culvert built. Cable guard rail was erected at dangerous point near culvert.

The reconstruction of Tyngsboro Road was continued for about one half mile, twenty-four feet wide, ending at Groton Road. This piece was rolled and tarred.

The Groton Road to Groton line was continued, practically all graveling was completed, but three hundred feet on Groton end, and this will be done before spring. To date four culverts have been installed, three being of corrugated metal, the other forty feet long and five feet square, and made of reinforced concrete, with suitable head walls.

A balance remains unexpended on this contract, which has been reserved for grading, rolling, oiling, and such graveling as may be necessary to complete this section of the road. This work will be done just as soon as conditions warrant.

The following is the amount of gravel and sand used on all roads during the year 1933:

Gravel—10,967 loads.

Sand—4,598 loads.

Respectfully submitted,

J. AUSTIN HEALY,

Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Westford, Mass.,

Gentlemen:

I herewith submit my report for the year 1933 for the Police Department.

REPORT OF TOWN ACCOUNTANT

To the Honorable Board of Selectmen and to the Citizens of Westford:

I herewith present the Annual Report of the Town Accountant in accordance with the General Laws, with other Financial matters that may be of general interest.

I wish to remind the public that all books are open to the public for inspection at any time.

If there is any part that is not clear to the reader the Accountant will explain the same on request.

All transfers from the Reserve Fund shown in this report were authorized by the Finance Committee.

The over-drawn appropriations are covered by the Selectmen according to the General Laws.

TREE WARDEN'S REPORT

The Tree Warden submits the following report for the year ending December 31, 1933.

My work has consisted of removing dead trees and trimming broken and dead limbs. I would suggest that the sum of $300 be appropriated this year to carry on the work.

Respectfully submitted,

H. L. NESMITH,
Tree Warden.

REPORT OF FOREST WARDEN

During the year of 1933 there have been 30 forest fires. I have issued 250 fire permits.

Respectfully submitted,

H. L. NESMITH,
Forest Warden

1932 Taxes Outstanding December 30, 1933		$ 1,752.84

ARTHUR L. HEALY,

Tax Collector.

REPORT OF THE BOARD OF HEALTH

January 28, 1934.

The Board of Health submits the following report for the year ending December 31, 1933:

The care, producing, and grade of the milk supply of the Town on the whole is improving from year to year. We are very pleased to see most all of the milk retailed in the Town is from tubercular-tested herds, and during the next year we hope to have the work thoroughly completed.

The free distribution of milk is gladly accepted by the underweight children of the school, and benefits from the same are markedly noticed. There is a balance returned to the Town, on account of the year ending December 31, 1933, but the department will require the same appropriation to be able to continue the distribution of milk for the entire year.

The prevention and control of diphtheria in our Town seems to give gratifying results from the Toxin Anti-Toxin given by the Board of Health. We have had only one case of diphtheria reported since the treatment has been given for the past five years.

Contagious and infectious diseases are kept under control by the vigilance of the Board of Health and the follow-up work of the Health Nurse at the homes of those afflicted.

Our dental clinics have been patronized freely by the pupils, but there is a chance for still more of them to take advantage of the endeavors of the dentist and Board of Health for the welfare of the children.

The Chadwick Clinic of the State of Massachusetts, in conjunction with the Board of Health, showed good work on the prevention and control of tuberculosis as the nurse's report will show.

The Board of Health has returned to the Town their usual unexpended balance.

Following this report is the report of the Public Health Nurse who has performed her various duties in a most satisfactory manner.

Respectfully submitted,

CYRIL A. BLANEY, M.D., Chairman,
OLIVER A. REEVES,
ISAAC L. HALL.

REPORT OF THE PUBLIC HEALTH NURSE

January 24, 1934

C. A. Blaney, M. D.,
Chairman, Board of Health,
Westford, Mass.

Dear Sir:

Following is the report of the Public Health Nurse, from January 1, to December 31, 1933:

REPORT OF BOARD OF PUBLIC WELFARE FOR 1933

The Board, with the newly elected member, Thos. P. Cosgrove, met on February —, 1933, and organized for the year with Mr. Arthur Whitley as Chairman, Mr. Edmund L. Provost, Secretary. Michael L. McGlinchey was appointed agent for the Board.

The activities of the board were in keeping with the two previous years, and to say the least have been many and varied. The continuation of the depression had brought the demands upon it to a new high.

The Government's refund of a substantial percentage of the amount of welfare funds expended, was a very valuable asset in the tax reduction. The Civilian Conservation Corps to which we sent 18 men was another very substantial relief and a wonderful opportunity for the young men between 18 and 25; and if the now very much appreciated C. W. A. had not been established it is hard to think what might have been the outcome. Perhaps the end has not yet been reached, and what the results of the C. W. A. will be who can tell? But while it is here let us appreciate it; and it is very evident that the state of mind of those people who have not had a chance to support themselves in years and are now being able to do so, must be in itself a wonderful enjoyment and solace. Makes you feel as though you still live in the best country in the world.

As in 1932, the deserving and able-bodied men were given the chance to work at 30 cents per hour up until the road work was opened up about June 1 to take care of all our men, only the non-citizens who were given employment mostly at the Infirmary.

This year many repairs were made there on buildings, both inside and out of house and barn. Some of the improvements were the installation of two new bath rooms, an electric Frigidaire, the laying of two floors, painting and papering, the addition of two new radiators, the fitting up of a barber shop, and change unused storeroom into an office. Outside the extension of soil pipe, the new iron runs on barn cellar doors, the building of new stone wall, the grading of driveway. The relaying of new floor in cow barn, the whitewashing of barn.

The farm this year, with the assistance of the unemployed, has raised about 325 bushels of fine potatoes, set a stand of 5000 asparagus plants, 500 strawberry plants, filled 60-ton silo, and raised all kinds of vegetables to supply the wants of the Infirmary and some for market. Ordinarily, this wouldn't mean so much, but this year potatoes were a very profitable crop and your cellar, when filled with vegetables and over 300 jars of preserves means something. The machinery on farm was just about worthless and everything that was not in first-class condition was either made that way or replaced by new. We bought a new two-horse mowing machine, a new spraying outfit,

and a first-class potato digger, and every piece of machinery and every tool was put away well greased and oiled and ready for service.

In addition, we purchased a secondhand Chevrolet truck and that now doesn't seem as though anything new will have to be supplied for a year or two. The Home is neat and nice inside and out, and will be kept that way. You are welcome to inspect the place at any time.

The Red Cross continues its very fine distribution of clothing and flour, and needless to state it has been a wonderful asset to the town; its variety and quality have been above the ordinary, and nobody in need should be without clothing through the good offices of the Red Cross.

The Emergency Relief Commission should also receive credit from its portion of the products issued which include pork, eggs, coal, and other products to come.

There is no excuse for anybody in this town to be hungry or without clothing. We cannot say too much in praise for those, and there are many in our town who have, through grit and sacrifice, kept themselves and families from making application to the Welfare Department. The Board realizes this fact and can only predict that when in the end the grit and sacrifice will not have been wasted; it always has led the way and will again. And again do not be too severe in your criticism of persons whom you may have knowledge of being on the welfare rolls. Perhaps you may believe in your own mind that so and so is not entitled to aid but you must remember that each and every case is investigated thoroughly and passed judgment on by the full board who know generally both sides of the story. If you have any constructive criticism, we invite you at all times to make it. In fact it is your duty to inform the Board of anything you think is not just as it should be, and if you have any proof of your statements, they certainly will be acted upon. But because so and so didn't use his earnings right when he had the chance and is now in straightened circumstances, has his family got to go hungry on that account? Where is the perfect man? This is a prevalent criticism and you can depend on it that the Board has and will pass its best judgment on each and every case. Again, in a paragraph of last year's report, is a very fine piece of advice and will admirably fit in this one so we will repeat it again—"No son or daughter of an aged or needy parent should feel that their filial obligation has ceased because they fancy that something resembling a pension has been provided, but should themselves in all good conscience, provide for that parent as long as they can possibly do so, even to the point of extreme self-sacrifice. On the other hand no aged or needy person whose kin are honestly unable to assist him in his declining years should hesitate, through over-sensitiveness or undue pride, to ask for that which all

good citizens are pleased to give." That is just as true this year as it was last year. The old age assistance cases are still on the increase with 18 on the rolls and several on file.

REPORT OF FIRE ENGINEERS

Westford, Mass., December 31, 1933

The Board of Fire Engineers submits the following report for the year ending December 31, 1933:

The companies have responded to 27 fires other than forest fires during the year—8 buildings, 11 chimneys, 3 oil stoves, 1 auto, 1 tractor, and one building being struck by lightning.. Two where children playing with matches.

The following is a list of the buildings where the damage was large:

Mar. 4—House of Geo. Striger.
Mar. 22—Barn of D. L. Greig.
Apr. 7—House of George Yore.
Apr. 8—House of Francis Regnier.
Aug. 31—Cider Mill of S. B. Watson.
Nov. 11—Barn of Alex. McDonald.
Dec. 13—House of Guy Decatur.
Dec. 30—House and barn of Est. Judson Sweetser.

BOARD OF FIRE ENGINEERS.

MIDDLESEX COUNTY EXTENSION SERVICE REPORT

The following is a general report of the work carried on by the Middlesex County Extension Service in the Town of Westford for 1933:

Several sectional, county, and state meetings of interest to fruit growers were held during the year and one local meeting was held, attended by 34. Many farm visits were made, especially pertaining to spraying, culture, and marketing apples. Several local men took part in the county-wide marketing pool and in other ways were assisted in the marketing of their apples. Three local growers made the State 90% Clean Apple Club, namely: George Drew, Fisher Buckshorn, and Harrington & Perrins.

Some local dairymen were assisted in eradication of bovine T. B. and with replacements. Many farm visits were made to poultrymen, especially pertaining to disease control. Judges were furnished for the local Grange Fair.

As usual, Chamberlain's Corner carried through the year with a large attendance at every homemaker's meeting. A program of nutrition, home furnishings and a discussion of storage space and moth control was in charge of the leaders, Mrs. J. B. Day and Mrs. E. W. Bridgeford.

In the fall, Mrs. Ruth Johnson and Mrs. W. J. Parfitt taught the mothers tailoring. These mothers made hats, coats, leggings, and mittens for their children. Most of these outfits cost only the price of the thread.

Mrs. Harlan Knowlton and Mrs. Harry Abrahamson were leaders for the project in clothing renovation.

Contacts were made with the chairman of the welfare board, offering services for menu planning, food lists, low cost recipes, or home visits.

184 boys and girls were enrolled in the 4-H Club work. There were clubs in clothing, food handicraft, and canning. Leaders who volunteered their services were Miss Alice Remis, Miss Emma Goucher, Miss Elizabeth Nesmith, Mrs. Leona Pendergast, Mrs. Harlan Knowlton, Miss Gertrude Donahoe, Miss Eleen Keizer, Miss Ruth Mateer, Mr. Peter Perry, Mr. James Fitzbiggons, Mr. Paul Ford, Mr. Edward Downing, Mr. Michael McGlinchey, Mr. Roger Hildreth, and Mr. Houghton Osgood. Mr. William Roudenbush again served as 4-H town chairman.

Mary Wilson was awarded the two-day trip to Massachusetts State College for outstanding club work.

Walter Parfitt was a winner in the Middlesex North small garden contest.

Eleen Keizer was a prize winner in the county food contest.

Julia Trombly and Eunice Weidman took part in the county dress contest.

Harlene Knowlton was the canning champion of Middlesex County and was awarded a ten-day trip to Camp Gilbert at the State College.

The Westford clubs took part in the sectional rally at Lowell. Mr. Perry's club was one of the prize winners.

Through the cooperation of Mr. Roudenbush the 4-H chairman, and the local leaders, a very excellent exhibit and achievement program was given at the high school assembly. This was a combined exhibit of all Westford clubs and was very worthy of special mention.

JOHN A. KIMBALL,

Town Director.

REPORT OF FISH AND GAME WARDEN

Graniteville, Massachusetts,

January 1, 1934

The following is the report of the Fish and Game Warden of Westford for the year 1933.

I have patrolled the woods, fields, ponds, and brooks in the Town of Westford throughout the year and found things as usual .

I think it is a waste of time and money to stock certain brooks as some of them dry up in the late summer. It would pay better to make one good brook and not so many poor ones as some of our brooks dry up every year.

The last two or three years our brooks have been stocked by a committee of the Lowell Sportsmen Club. As they did not ask for my assistance I do not know just which brooks have been stocked, but as long as they are stocked I presume that it is all right. However, people here in town have a right to know just what has been done in this respect.

I have seen a number of small strings of fish that were caught here this year. We have the usual number of small birds, also quite a number of mourning doves. I have seen no aigrettes for about two years; but a lot of great blue herons and bitterns; not so many geese but some ducks and one large flock of wood ducks on the Stony Brook. We have more partridges, quail and pheasants than we have had for a number of years past. In fact there are a number of small flocks of pheasants that come right into the village to feed every day. I have not seen any snowshoe rabbits but we have a number of greys.

Grey squirrels are very plentiful every year. A great many people feed them and in a number of places they nest in houses and barns. They are really tame. It is too bad when people take care of wild birds and mammals the year round to have someone come in the open season and shoot them right in their yard. But some people do it and call it sport. These people have no right to have a license, but we can't always pick them out. Most people are honest, but we have a few bad ones. I get the usual number of complaints every year from farmers, land owners and tenants about pheasants destroying their corn; also rabbits and partridges destroying their trees. But until there is a law passed for their protection, nothing can be done but to shoot the birds and mammals that are doing the damage.

There are a few minors who make some trouble trying to fish without a license. Also, some people buy air rifles for their children to play with. They amuse themselves by shooting small birds and pigeons. They, as well as their parents, know they are breaking the law; if caught they will have to settle.

In closing this report I wish to thank all the people who have helped me in my work.

Throughout the year I have been out on this work on the following dates:

January 4, February 4, March 5, April 7, May 7, June 10, July 12, August 3, September 6, October 10, November 7, December 5. I have examined 47 licenses.

Hoping this report will meet with your approval, I am,

Obediently yours,

JOE WALL,
Fish and Game Warden

Westford, Mass.

Poll Tax	2,000.00		
Excise Tax	7,473.00		
All Other	10,000.00		
Total	$ 46,191.00		
Amount to be used from surplus	$ 8,000.00	$ 54,191.00	$ 54,191.00
Amount to be raised by taxation		$133,550.66	$129,775.66

Valuation of Town for 1933—$3,915,039.00.

General Government: We have recommended the various sums asked for with the following exceptions:—Tax Collector—We are likely to appropriate a considerably less total sum, therefore the expense of collecting the tax will be less. We recommend the sum of $1,350.00 which we believe will be sufficient.

In the appropriation Town Clerk we would divide the amount so that $225.00 would be used for the regular expenses and $75.00 for the binding and filing of plans and other papers.

Town Hall: The sum of $700.00 has been asked for to provide for a new heater as one of the present furnaces has worn out, and we recommend that this sum be appropriated.

Police Department: We recommend that the sum of $2,700.00 be appropriated to cover salary of regular officer and pay special officers, also automobile and other expenses; and the sum of $150.00 be appropriated to mark the highways, it having been decided that this work is to be in charge of the Police Department.

Fire Department: We recommend the appropriation of the sum of $2,750.00 to be used for general purposes. Also the sum of $1,500.00 for the purchase of a new truck and equipment, same to be located at Graniteville.

Forest Fires: We recommend the appropriation of $500.00.

Moth Department: We recommend the appropriation of the sum of $350.00. We do this for the reason that a large part of the work usually done by this department is now being carried on, Federal money paying for same.

Health Department: We recommend the appropriation of $4,300.00, the sum asked for.

Highway Department: We recommend the appropriation of the sum of $11,750.00 for town roads. This will be sufficient to insure State aid and also provide for necessary repairs on machinery and tools, provided no alterations be made on the two trucks owned by the Town.

We recommend the appropriation of the sum asked for State and County Aid roads, also that for the Tyngsboro road. We think the sum of $1,500.00 is sufficient to care for snow and ice in an ordinary season, and we so recommend.

Welfare Department: We approve and recommend the appropriations asked for, one of which is the sum of $1,700.00 for a new heating plant at the Infirmary. The State Officials have inspected the buildings and the heating of same and have found the heating to be inadequate, therefore it is necessary to provide a new plant of proper capacity.

Soldiers' Benefits: We estimate that the sum of $3,000.00 will be sufficient to care for this item.

Schools: We recommend the appropriation of the sum of $66,500.00. An appropriation of $65,000.00 was sufficient to meet the expenses of the past year, and we see no reason why it will not suffice for the coming year except for the expense of repairing the heating plant at the Academy. It is estimated that this will cost about $1,500.00 to put this in proper shape, therefore our recommendation as stated.

Vocational Tuition: We are of the opinion that the sum of $3,400.00 will be sufficient to care for this item, therefore our recommendation is for this amount.

Town Reports: We recommend the sum of $500.00 for printing and distribution of the annual report.

Cemeteries: We recommend the sum of $800.00, the same as for the past year.

Items of expense like general and revenue loans with interest charges, street lights, insurance, reserve fund, overdraft appropriation, outstanding bills and taxes, we recommend the amounts asked for.

We recommend the appropriation of $500.00 for making preparations for town zoning as called for in a special article of the Town Warrant.

Relative to the article requesting that the street lights which were removed in the several villages be put back. We recommend that the number now in use be not increased, but that the Board of Selectmen be requested to try and rearrange the present number so that they may accommodate those parties who are now dissatisfied.

Every year the committee makes an endeavor to bring about as low a tax rate as possible. It now appears that the rate will be lowered this year. Using as a basis the probable income from State Tax, Income Tax, Poll Tax, Excise Tax and all other probable income, also using $8,000.00 from surplus, it would appear that we should have a tax rate for the year 1934 of about $33.00 per thousand.

Respectfully submitted,

HERBERT V. HILDRETH,
OSCAR R. SPALDING,
FRANK L. FURBUSH,
P. HENRY HARRINGTON,
JULIAN A. CAMERON,
WILLIAM E. WRIGHT,

Finance Committee.

Warrant for Annual Town Meeting, Westford, Mass.

COMMONWEALTH OF MASSACHUSETTS

To the Constable of the Town of Westford in said County:

GREETING:

You are hereby required, in the name of the Commonwealth aforesaid, to notify and warn all the inhabitants of said Town, qualified to vote in elections and also in Town affairs, to meet at their several polling places, viz.:

Precinct 1. Town Hall, Westford Centre.
Precinct 2. Abbott's Hall, Graniteville.
Precinct 3. Abbott's Hall, Brookside.
Precinct 4. Abbott's Hall, Forge Village.

MONDAY, FEBRUARY 12, 1934

being the second Monday in said month, at 12.00 o'clock noon for the following purposes:

To bring in their votes for the following officers:

For Three Years

One Selectman.
One Member of Board of Public Welfare.
One Assessor.
Two Members of the School Committee.
One Member Board of Cemetery Commissioners.
One Trustee of Public Library.
One Member Board of Health.

For One Year

Moderator.
Town Treasurer.
Collector of Taxes.
Constable.
Tree Warden.

And Vote on the following questions:

1. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

2. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

The polls will be open from 12 o'clock noon to 8 P. M., and to meet in the Town Hall at Westford Centre on the following

MONDAY, FEBRUARY 19, 1934

at 1 o'clock in the afternoon, then and there to act upon the following articles, viz.:

1st. To hear the reports of the Finance Committee, other Committees, Boards and Officers.

2nd. To determine the salary and compensation of elected Officers and such Officers and Officials as provided by law.

3rd. To appropriate money to meet the cost and expenses of the following departments, officers and purposes:

1. General Government.
2. Town Hall.
3. Police Department.
4. Fire Department, including new fire trucks.
5. Hydrants.
6. Sealer of Weights and Measures.
7. Fish and Game Warden.
8. Forest Fires.
9. Town Forest.
10. Tree Warden.
11. Moth Department.
12. Health Department.
13. Cattle Inspector.
14. Highway Purposes.
15. Board of Public Welfare.
16. Old Age Assistance.
17. Soldiers' Benefits.
18. School Department.
19. Vocational Tuition.
20. Public Library.
21. Care of Common.
22. Commemoration of Memorial Day.
23. Publishing of Town Reports.
24. Liability Insurance.
25. Cemetery Commissioners.
26. General Loans.
27. Interest on General Loans.
28. Interest on Revenue Loans.
29. Electric Lights.
30. Fire Insurance.
31. Reserve Fund.

32. Overdrafts of 1933.
33. Bills Outstanding December 31, 1933.

4th. To see if the Town will appropriate $50 and elect a Director under the provisions of Section 40-45 of Chapter 128 of the General Laws.

5th. To see if the Town will vote to re-establish the street lights that were discontinued last year in Westford Centre, Forge Village and Graniteville and act in relation thereto.

6th. To see if the Town will vote to authorize the making of alterations, changes or repairs in the town hall, appropriate money therefor and act in relation to the same.

7th. To see if the Town will direct or instruct the Selectmen to distribute the hiring of trucks more evenly among the citizens of the Town than has been done in the past, or take any action thereon or in relation thereto.

8th. To see if the Town will vote to accept a deed of land on School Street, Graniteville, donated by Mrs. Harriet Hildreth of Winchester, Mass., to be used as part of the school playground.

9th. To see if the Town will vote to accept a deed of land on School Street, Graniteville, donated by the C. G. Sargent Estate to be used as part of the school playground.

10th. To see if the town will vote to authorize the Selectmen to appoint a committee of three to cooperate with the State Forest and Park Association in the detection and eradication of the Dutch Elm Disease.

11th. To see what action the Town will take relative to continuing the publication of the names of delinquent taxpayers in the annual town report.

12th. To see if the Town will vote for the allowance of damages occasioned to the following named through the relocation of the following named roads, and appropriate money therefor:

Makepeace Road:
Alfred Patenaude,
Annie Sygla.
Concord Road:
Lyman Priest,
James J. Fallon.
Tyngsboro Road:
John D. Psarias.

13th. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year, and to renew any and all of the revenue notes of the year 1934 in accordance with Section 17 of Chapter 44 of the General Laws as amended; any debts so incurred to be paid from the revenue of 1934.

14th. To see if the Town will appropriate a sum sufficient to pay the County of Middlesex, as required by law, on account of assessments levied on the Town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932 bonds maturing in 1934, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the Town's share of the cost and interest on said bonds due in 1934, also for the Town's share of the expense incurred under the provisions of Chapter 331, of the Acts of 1933 which provided for the settlement of certain claims of the Commonwealth against the Middlesex County Tuberculosis Hospital District, also for the care, maintenance, and repair of said Hospital for 1933, and including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto, and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

15th. To see if the Town will vote to establish a planning board and appoint a committee to act until the next annual meeting and act in relation thereto.

16th. To see if the Town will appropriate money for the purpose of developing a zoning scheme for presentation at a subsequent meeting.

17th. To see if the Town will vote to accept Section 3 of Chapter 143 of the General Laws.

18th. To see if the Town will vote to adopt the following amendments to the by-laws by inserting after Article V the following new articles:

ARTICLE V-A—Planning Board.

Section 1. A board of five members is hereby established to be known as the planning board. The terms of members shall be three years, but at the annual town meeting to be held in the month of February, 1935, there shall be elected two members to serve for one year, two members to serve for two years,

and one member to serve for three years, and thereafter there shall be elected at the annual meeting in each year such members as are necessary to fill vacancies.
Section 2. Vacancies otherwise occurring in the board shall be filled as provided in General Laws, Chapter 41, Section 11.

ARTICLE V-B—Use Districts.

Section 1. Under the provisions of General Laws, Chapter 143, Section 3, the Town of Westford is hereby divided into districts to be known respectively as Non-resident Districts, General Residence Districts, and Single Residence Districts, as follows:

Non-residence Districts shall comprise— (1) all lands which at the time this by-law becomes effective are used for any business or industry other than farming, truck gardening, the growing of trees, shrubs, vines or plants, the raising of animals, a telephone exchange, or the conduct of a boarding or lodging house; and (2) all lands located and fronting upon any section of any street or way which lies between two successive intersecting streets, but not further from the land in question than four hundred feet, and in which section not less than one-half of the lot frontage on the same side of the street as said intersecting streets, and also not less than one-half of the lot frontage on the other side of said street for the same distance, is at said time devoted to business or industry or is manifestly intended to be so used.

Residence Districts shall comprise all areas not included in Non-residence Districts. General Residence Districts shall comprise all Residence Districts bounded by four streets or ways, or by one or more streets or ways and the Town boundary line, in which, at the time this by-law becomes effective, more than one-half the area is developed and more than one-half of such development is used for other than Single Residences or their appurtenant land and buildings. All other Districts shall be Single Residence Districts.

The words "intersecting streets" as used in this by-law shall mean any streets or ways which join each other at any angle whether or not they cross each other.

Section 2. Except as hereinafter provided, no parcel of land lying in any Residence District and not at the time this by-law becomes effective devoted to any business or industry, other than those specified in Section 1, shall hereafter be used for any business or industry, and no parcel of land lying in any

Single Residence District not at said time devoted to a use other than Single Residences or buildings or purposes appurtenant to Single Residences shall hereafter be used except for Single Residences or purposes appurtenant thereto, and no permit shall be issued for the erection, alteration or conversion of any building for or to any such prohibited use upon any such parcel.

Section 3. A permit may be issued for the erection in any Residence District of a building for the purpose of any business or industry or for the alteration or conversion of a building in such District for or to such purposes, or for the erection in a Single Residence District of a building for purposes other than Single Residence or for the alteration or conversion of a building in such District for or to such purposes, if the Board of Selectmen shall after public hearing so permit; provided that there be filed with the application for such permit written consents thereto signed and acknowledged by the owners or legal representatives of the owners of three-fourths of the area of all lands used for the purposes for which said District is restricted as provided in Section 1 hereof, including vacant lands, which are within five hundred feet of the lot for which a permit is requested.

Section 4. No permit shall be granted under the foregoing section except after a public hearing before the Board of Selectmen. Notice of said hearing shall be given by publication of the time and place thereof in a local newspaper not less than two weeks before said hearing, the expense of such publication to be borne by the petitioner.

Section 5. In the single and general residence districts as now or hereafter defined by the Zoning By-Law, no single house shall be hereafter erected or placed on a lot containing less than six thousand five hundred (6,500) square feet, and no other residence building shall be hereafter erected or placed on a lot containing less than seven thousand, five hundred (7,500) square feet; but this shall not prevent the erection or placing of any residence building on any lot containing a less area, provided such lot on the effective date of this section does not adjoin other land of the same owner available for use in connection with such lot.

If any such residence building is placed on a lot smaller in area than hereby prescribed and such lot is hereafter further reduced in area, or if any lot on which any such residence building is placed is hereafter reduced in area so that it becomes

smaller than hereby prescribed, except in either case by the taking of a portion thereof by eminent domain, the said building thereon shall not be used until sufficient land is restored or added to said lot so that it will contain an area equal to its original area or equal to the area hereby prescribed for such building.

And you are directed to serve this warrant by posting up true and attested copies thereof at the Town Hall and each Post Office in said Westford, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of holding the first meeting aforesaid.

Given under our hands this first day of February, in the year of our Lord Nineteen Hundred and Thirty-Four.

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
W. OTIS DAY,

Selectmen of Westford.

Annual Report

OF THE

SCHOOL COMMITTEE

OF THE

Town of Westford, Mass.

For the Year Ending December 31,

REPORT OF THE SCHOOL COMMITTEE

January 1, 1934

Citizens of Westford:

The following is my report in behalf of the School Committee, for the year 1933:

At the annual election of town officers, Mr. George Gibbons of Forge Village and Mr. Eric Anderson of Westford Center were chosen to serve on the Committee. At its next meeting the following officers were selected: Mr. Edward Buckingham, chairman, and Mr. Eric Anderson, secretary. Later in the year, in order to contract for and to supervise the repair work at the Sargent School, a building committee was organized consisting of the following members: Mr. Gibbons, Mr. Forty, and Mr. Buckingham.

Our policy in the maintenance of our buildings is to keep them in good condition by doing some repairing annually rather than by putting it off and trying to do it all in one year. This year we have made extensive repairs to the interior of the Sargent School, a building which has received very little attention over a long period of time. Our maintenance bill is surprisingly low, when one considers the age and type of our buildings, together with their present conditions.

Our superintendent, Mr. Barclay, has continued his active program in the interests of the children and of the taxpayers. He has put into effect many changes to increase the efficiency of our school system. With the co-operation of his principals, teachers, and janitors, he has been able to cut our expenditures in many ways. A continuation of his policies is bound to further reduce the costs of our schools.

During the extremely cold weather in December, pipes were frozen in several of our buildings. The greatest damage was done in the Academy, where both the water and heating systems were put out of commission. This was the first real test that the heating system in the assembly hall had undergone since it was installed. There is no doubt that it failed. The actual amount of the damage cannot be estimated at present.

The increased cost of materials together with the probable cost of repairs due to the freeze-up, have added considerably to the amount of our budget. We therefore request $67,000 to maintain the Public Schools of Westford. The recent tuition bill from the Vocational School indicates that we shall need $3,500 for vocational tuition for the coming year.

Respectfully submitted,

EDWARD BUCKINGHAM,
Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 1, 1934

To the School Committee:

I herewith submit my second annual report as Superintendent of Schools, together with those of the Principal of the Academy and the School Nurse.

Our schools opened on September 5 with a total enrollment of 816. The increase in numbers over the preceding year was largely due to the fact that many families had moved into Westford seeking employment in the mills, where business seemed to have taken a sudden spurt under the new federal administration. Another contributory cause was the new N. R. A. ruling that prohibits the employment of minors under the age of sixteen instead of under that of fourteen as provided by our state laws. This change caused many to remain in school, and also increased our enrollment in the Vocational School.

With our aim to provide an adequate education for the children at as low a cost as possible, we have been fighting an uphill battle. Our first great obstacle was the cut in our proposed budget, which had already been cut to the bone in view of the existing conditions. This necessitated dropping our music supervisor, reducing our already low salaries, curtailing our purchase of materials and supplies, in spite of the advantage to be gained by securing them at the low prices then prevailing, and postponing book replacements and building repairs. This situation was further complicated by a sudden, tremendous increase in the cost of materials, but, in spite of this, we have managed to keep our expenditures within our budget.

In order to make clear to all what our local schools actually cost the taxpayers, the following figures are submitted:

Budget 1933		$ 65,000.00
State Aid	$ 10,395.00	
Tuition and Transportation of State Wards	1,268.23	
		$ 11,663.23
Net expenditure for local schools from local taxation, (including $333.32 tuition paid to the Town of Chelmsford)		$ 53,336.77

Our state aid varies according to each teacher's training, experience, and salary, together with the cost of our local system. The amount received for tuition and transportation changes according to the number of state wards attending our schools. The cost of tuition paid to the Town of Chelmsford varies according to the number of pupils residing in the vicinity of the Fletcher Quarry who are too far from our local schools for economical transportation to them.

Our children seem to be in very good physical condition for these hard times. Milk is provided free for the undernourished when the parents are unable to pay for it. This work is in charge of the local community nurse. Our local Red Cross is alert and active. Their chairman, Mrs. J. Herbert Fletcher, has asked the Superintendent of Schools to have each teacher watch his or her pupils to see that they have rubbers and sufficient clothing. As soon as a needy case has been reported, it has been promptly taken care of. The Welfare Department has also co-operated by looking after pupils from families receiving their aid.

Christmas cheer was brought into many homes by contributions from various organizations. The pupils, with assistance from the local Red Cross, were able to do their part by gathering and contributing many bags of vegetables, fruit, and canned goods. They also collected a truck load of evergreens for the veterans' hospital at Bedford. Depression did not dampen the Christmas spirit in our schools, as we were able to hold our usual Christmas parties through the generosity of the Abbot Worsted Company and the C. G. Sargent Sons, Inc. The Abbot Worsted Company gave $100 to the Cameron School, $50 to the Sargent School, $50 to the Frost School, and $35 to the Nabnasset School. The C. G. Sargent Sons, Inc. gave $25 to the Sargent School.

Keen interest in our schools and in the welfare of our children has been displayed in two generous gifts of land from members of the Sargent family. Both Mr. A. C. Sargent and Mr. C. G. Sargent expressed their hearty approval of the playground project, and consented to have the trustees of the Sargent estate deed over to the Town a piece of land adjoining school property already lying between Church Street, Graniteville, and the railroad tracks, so that its rear portion might extend as far as School Street. The second gift, from Mrs. Henry Hildreth of Winchester, Massachusetts, who was formerly Miss Harriet Sargent, consisted of the corner lot on Church and School streets, adjoining the other two already mentioned, and completed a splendid unit to be used as a school playground. A building on the lot presented by Mrs. Hildreth has been razed and transformed into a bandstand on top of "Sugarloaf Hill", where the former Sargent bandstand stood.

When school opened in September, there were several new teachers in the faculty. The vacancies caused by the resignations of Mr. Gay, Miss Parfitt, Miss Hart, and Mr. Osborne were filled by the following appointments and transfers:

Mr. Reginald V. T. Steeves, of the Austin-Cate Academy at Strafford, New Hampshire, was appointed to succeed Mr. Gay at the Academy as teacher of mathematics and science. He is also athletic director for the girls.

Mr. Ernest V. Knapman, of Brigham Academy, Bakersfield, Vermont, was appointed to succeed Miss Parfitt at the Academy as

teacher of mathematics, science, and English. He is also athletic director for the boys.

Mr. Paul Ford, of Brockton, was appointed Principal of the William E. Frost School.

Miss Emma Goucher was transferred from the Frost School to Grade III at the Sargent School.

Mrs. Lottie Blodgett was transferred from Grade IV in the Sargent School to Grade V in the same school.

Miss Elizabeth Nesmith was appointed to succeed Miss Hart and assigned to Grade IV in the Sargent School.

Miss Gertrude Donahoe of the Nabnassett School was promoted to the principalship of that school.

Miss Mary Reynolds was transferred from the Sargent School to Grades I, II, and III in the Nabnassett School.

In order to improve the school spirit at the Academy we have endeavored to provide other common interests besides those furnished in the regular classroom studies. We have cut the number of recitation periods from six to five so as to reduce both the number of pupils in the study rooms and the number of study periods of each pupil. We have also cut two minutes from each period and reduced the noon hour recess to 28 minutes, thus making it possible for nearly all the classes to meet in the forenoon. By this arrangement, the academic day is practically over at the lunch hour. In the two afternoon periods club activities are encouraged. Every boy and girl must attend at least one gymnasium class a week. When not in a gymnasium class, each student must be in attendance at a particular club that he has chosen. Friday afternoons are reserved for teacher help periods, interclass games, and assemblies.

We were unable to continue our cooking class this fall because of the illness of Mrs. Pendergast. We hape that we shall be fortunate enough to secure her services as soon as she resumes her duties with the Lowell Gas Light Company.

In September interested parents petitioned for a kindergarten for children over four years of age and not in school. The matter was brought up before the Board, and it was voted to start one under the following conditions:

1. That a suitable place be found to hold such a class without further cost to the School Committee:

2. That the teacher be elected by the School Committee and be under the supervision of the Superintendent, the salary of the teacher to be paid by the parents of the children attending this school.

3. That the School Department furnish the necessary supplies and equip the class with furniture then in storage.

We were very fortunate in obtaining the services of Miss Priscilla Wright from the Perkins School for the Unadjusted Child. She is well trained and capable. Her untiring efforts to increase her class may

be rewarded by a small amount of Federal Aid from the F. E. R. A. This will permit her to open a free school in the Abbott Hall in Forge Village for children from families receiving assistance from the Welfare Department.

There have been two changes in our staff of janitors during the year. In May Mr. Oscar Anderson was appointed as assistant janitor of the Frost School and of the Academy. In August Mr. Michael McGlinchey was appointed janitor of the Nabnassett School to succeed Mr. Edwards.

The following repairs and alterations have been made during the year. Their cost has been met by the sources indicated:

I. Welfare Work.

The work undertaken by the Welfare Department last year was continued under the direction of Mr. McGlinchey. The painting of the basements in our buildings was completed together with many repairs. There were several worthwhile projects that could have been accomplished at a great saving to the Town if some of the help could have been continued.

II. School Budget.

A. ACADEMY.

1. Direct radiation was put into the assembly hall at the Academy, and one of the broken indirect heating units was replaced.

2. Worn out seats and desks that came from the old academy building were removed and replaced by good ones from the Sargent School.

3. Other desks were resurfaced where needed.

4. Additional radiation was installed in the superintendent's office so that it could be heated sufficiently for use in the winter months.

5. Sashes in three windows were replaced.

B. FROST SCHOOL.

1. The timbers under one piazza floor were replaced.
2. New steps were built at one entrance.

C. NABNASSETT.

1. A new steel flag pole was erected to replace the wooden one broken off during a storm. The difficult task of erecting this pole was performed by a crew of linemen from the New England Telephone and Telegraph Company, at no expense to the Town.

2. New bulletin boards were installed in the classrooms.

3. Eighteen panes of glass were replaced. This breakage occurred during the summer.

4. An ejector was installed so that the water in the boiler might be drained off and the scale inside removed for the first time.

5. Automatic air release valves were installed.

6. All radiation and piping were painted.

D. SARGENT

1. Three new ceilings were put in.

2. All woodwork was varnished and the walls of four rooms were painted.

3. Blackboards were relocated in two rooms.

4. Two closets were remodeled into one large book room.

5. Folding doors were hung between two rooms so that they might be opened into one large assembly hall.

6. Movable furniture was installed in the two rooms that form the assembly hall.

E. CAMERON SCHOOL.

1. Slates were relocated in two rooms and some bulletin board material was installed.

2. Many window sashes were refitted to their casings.

3. Automatic air release valves were installed.

III. Federal Aid (C.W.A.)

PROJECT A—Grading and Graveling of School Yards.

1. At the Academy it was planned to widen the drive and grade off a parking area beside the building.

2. At the Nabnassett School it was planned to gravel the walks, grade around the building, and gravel a road behind the building.

3. At the Cameron School it was planned to regrade the yard and gravel it.

4. At the Sargent School it was planned to regrade the walks and drives, and to cover the gravel on the lawn with loam.

PROJECT B. To Grade the Playground at the Sargent School.

In my annual report last year I made several recommendations in the interests of the schools as well as of the taxpayer. One of these I should like to call to your attention again. This year it was impossible to make any alterations in the Frost School and still keep within the limits of our budget. Yearly the situation grows more acute. At present three of the four rooms are filled to capacity, and

the seventh and eighth grades are forced into the Academy. By such an arrangement we are affording partial relief to one building at the expense of crowding a second. It is also evident that we are still spending extra money by endeavoring to heat this four-room building with the present heating plant.

In addition the following suggestions are recommended as worthy of your consideration:

1. That we should take advantage of the present discounts on the prices of new books to replace the old, worn-out texts. Publishers are offering us our usual school discount of 15 per cent, and, in addition, 25 per cent more if we will turn in our old books. This will give us an opportunity to buy uniform textbooks throughout our system so that pupils of the same grade may work upon the same material. Since many of our texts are in very poor condition, we should gain in two ways by immediate action. We should be able to remove worn out books now discouraging some of the pupils who must spend their time upon them, and save the discarding of new books purchased to fill in an old set which must itself soon be abandoned.

2. That two new Ditto duplicating machines be purchased to supplement the one now in use at the Academy. Our present machine is being used to capacity by the two buildings at Westford Center. The two large elementary schools in Forge Village and Graniteville each have enough work to keep one of these duplicators busy. Their cost can be offset by not making our usual replacement of typewriters in the Academy, where the latter are in very good condition, since the additional depreciation in value will be very small even after our present typewriter contracts expire. With these additional duplicators we can make a great saving by the elimination of the purchase of maps, graphs, workbooks, and other materials. Besides these savings, the teachers will get an opportunity to provide additional material suitable for their particular needs at no extra cost.

3. That we equip each school building with a suitable kit of tools for the use of the janitor. This should make it possible for him to take care of minor repairs and thus cut our maintenance cost. At present there are no such tools owned by the School Department, and those furnished by the janitors are insufficient and inadequate. As a result, we are forced to hire skilled laborers, who have the necessary tools, to make such minor repairs.

4. That there should be a general upward revision of salaries to meet the increased cost of living. There should also be uniform salaries at the start, to depend upon the teacher's training and experience, and an annual increase in accordance with his or her successful performance of duty and professional improvement, until a fixed maximum is reached. These provisions should make our schedule more just in every way. At present it is low in comparison with those

of surrounding towns and based upon no definite measurement of preparation, success, or length of service. Teachers working in the same grade and with the same qualifications may be and are receiving widely varying payment.

It is gratifying to feel that we have been making progress in the improvement of our school system in spite of many handicaps. Our teachers are also showing a splendid spirit of advancement. Some are taking courses for professional improvement, and we have hopes that others may follow their example. Nearly all of them subscribe to at least one professional magazine in their field, so that they can continuously improve their teaching methods.

In concluding this report, I wish to thank the members of the School Committee for their kindly advice and earnest co-operation. I also wish to thank all others who have united with me during the year in efforts to promote the interests of the pupils and of the schools.

Respectfully submitted,

ROBERT W. BARCLAY,
Superintendent of Schools.

SCHOOL BUDGET 1934

	Proposed Budget For 1933	Expenditure For 1933	Proposed Budget For 1934

Seventh Grade	11	9	20
	80	110	190

Home Room Assignments

Post Graduates and Seniors ..... Mr. Jenkins
Juniors ..... Mr. Roudenbush
Sophomores ..... Mrs. Robinson
Freshmen Boys ..... Mr. Steeves
Freshmen Girls ..... Miss Pickard
Eighth Grade ..... Mr. Sweatt
Seventh Grade ..... Miss Caldwell

Basketball

The Academy is a member of the Wachusett Basketball League organized this year, which includes the high schools of Ashby, Ayer, Groton, Lunenburg, Pepperell, Townsend. The schedule for 1933-34 is as follows:

December 4—Littleton at Littleton
December 8—Ayer at Westford
December 15—Groton at Westford
January 5 — Hollis at Hollis
January 12 — Townsend at Townsend
January 16 — Lunenburg at Lunenburg
January 19 — Pepperell at Pepperell
January 24 — Ashby at Ashby
January 26 — Townsend at Westford
January 30 — Groton at Groton
February 2—Littleton at Westford
February 6—Ashby at Westford
February 13—Lunenburg at Westford
February 16—Pepperell at Westford
February 20—Hollis at Westford
February 23—Ayer at Ayer

COACHES

Mr. Knapman—Boys' Team Mr. Steeves—Girls' Team

Physical Training

The daily program is so arranged this year as to allow supervised physical training for each pupil at least two afternoons in the week. The girls have Mondays and Wednesdays under the direction of Mr. Steeves; the boys Tuesdays and Thursdays under Mr. Knapman. During the winter months basketball receives its most attention and interclass games have aroused much interest.

School Clubs

The daily program was planned this year to permit participation in worthwhile activities outside the usual class work. All pupils are

required to identify themselves with some club project conducted by a member of the faculty. These clubs meet each afternoon except Friday, which day is reserved for various purposes depending on circumstances. The clubs which have attracted the largest membership are the Dramatic Club, led by Mr. Jenkins; the Newspaper Club, under Mrs. Robinson; the Mechanical Drawing Club with Mr. Knapman. Other clubs are the Boys' Science Club, Girls' Science Club, Camera Club, all led by Miss Caldwell: Orchestra, led by Mr. Steeves; Instruction in Office Machines with Miss Misner; Class in First Aid conducted by Mrs. Meagher.

The School Paper

The Newspaper Club receives the credit for publishing bi-monthly our school paper called "The Clarion." The staff in charge of this enterprise is as follows:

Editor-in-chief ..... Audrey White, '34
Business Manager ..... William Prescott, '35
Assistant Business Manager ..... Vincent Carvalho, '35
Circulation Manager ..... Stanley Kazeniac, '35

Editorial Staff

Senior Editor ..... Lillian O'Brien, '34
Junior Editor ..... Frances Hughes, '35
Sophomore Editor ..... Jennie Kopiec, '36
Freshman Editor ..... Barbara Blackadar, '37
Boys' Sport Editor ..... Benjamin Benoit, '35
Girls' Sport Editor ..... Adeline Parfitt, '34
Art Editor ..... Elizabeth Bosworth, '34
Joke Editor ..... Mary Perrins, '36
Social Life Editor ..... Phyllis Wright, '34
Exchange Editor ..... Margaret Curley, '35
Alumni Editor ..... Luba Britsko, '36

Reporters

Kenneth De La Haye, '35 — Elein Keizer, '36
Barbara Hildreth, '36 — Christine Christianson, '35

A weekly bulletin called "Scoopitall" provides information both serious and humorous as a sort of supplement to "The Clarion".

CLASS OFFICERS WITH FACULTY ADVISORS

	President	Vice-President	Secretary	Treasurer	Advisors
SENIORS	Frances Leonard	Claire LeDuc	Richard McGlinchey	Vera Swanson	Mr. Steeves Miss Misner
JUNIORS	Stanley Kazeniac	Aksenia Pupchick	Benjamin Benoit	Benjamin Benoit	Miss Pickard Mr. Knapman
SOPHOMORES	Robert Besser	Everett Miller	Zonia Denisvich	Jennie Kopiec	Mr. Roudenbush Mrs. Robinson
FRESHMAN	Chandler Davidson	Mary Healy	Priscilla Knowlton	Richard Crocker	Mr. Jenkins Miss Caldwell

Orchestra

With Mr. Steeves as conductor a very promising orchestra has been organized and ranks as one of the Clubs with which pupils may identify themselves. The members of the orchestra are:

VIOLINS

Blanche Sinclaire, '34
Virginia Heathcote, '35
Willard Mann, '36
Helen Zubowicz, '37
Michael Wolkowich, '37
Roland Fecteau, 6th Grade
Mark Palmer Jr., '34
Everett Miller, '36
Barbara Blackadar, '37
Wallace Pollard, '37
Richard Crocker, '37

SAXOPHONES

N. Howard Whitney, '35
Oscar Mann, '37

Kenneth De La Haye, '35

MANDOLINS

Barbara Hildreth, '36
Mary Hildreth, '37

DRUMS

Donald Blackadar, '35
Albert Moore, '36

BELLS

Janet Johnston, '37
Muriel Coburn, '37

HARMONICA BAND

Ivan Whitney, '37
Robert Besser
Leo Charlton, '37
Peter Bobryck, '36
Walter Voropay, '36

MISCELLANEOUS

The honorary members of the Tadmuck Club from the Class of 1934 are Lois Hall and Lillian O'Brien.

Coached by Mr. Jenkins, a comedy in three acts entitled "A Bunch of Fun" was given in Assembly Hall the night of December 20. The proceeds went to the Athletic Association.

On the closing day of school, December 22, each home room group was left to arrange its own Christmas program. Some classes had Christmas trees, others distribution of gifts without the tree, games, songs, etc.

Following is the program of the graduation exercises of June 15, 1933, which includes several other items of record not given in this report.

Respectfully submitted,

WILLIAM C. ROUDENBUSH,

Principal of Westford Academy.

CLASS SONG

(Tune, "Our Director")

I

Class of thirty-three,
Seniors are we,
Treading along life's road to reach our goal,
The height of our ambitions
Honor and success,
Of all the classes, we'll be the best.

II

Through our years at Westford,
We've tried to be pleasing and helpful
Though perhaps we've failed,
We hope to leave behind us
Pleasant memories, of our Class
The Class of Thirty-Three.

—Dorothea Pearl Coburn

Notices

Number X-rayed	8
Number improved	8
Number unimproved	1

Home Hygiene and First Aid Class held weekly at the High School.

Respectfully submitted,

C. VERONICA MEAGHER, R. N.,

School Nurse.

REPORT OF SCHOOL PHYSICIAN

Members of the Committee:

Following is my report as medical inspector of the schools of Westford, for the year ending December 31, 1933:

The usual examination of all the children show marked improvement this year as to their general hygienic and health conditions.

Infectious and contagious diseases are not so often found in the class rooms. This condition could be entirely eliminated if the parents would be careful not to send their children to school with any questionable disorders without first carefully investigating the matter by getting in touch with either their physician, Board of Health, or the nurse.

Milk is supplied to the school children at all the schools and the children show marked improvement by their use of the milk and the suggestions as to the diet given by the school physician and nurse.

I have responded many times to the schools for either emergency work or investigations pertaining to the general welfare of the school children.

The parents show cooperation with the school physician and nurse in all their endeavors to correct conditions pertaining to the health of the children.

I feel sure that they will still continue to assist all those interested in their many duties for the general good and welfare of these children.

Respectfully submitted,

DR. CYRIL A. BLANEY,

School Physician

Annual Report

OF THE

J. V. FLETCHER LIBRARY

OF THE

Town of Westford, Mass.

For the Year Ending December 31,

1933

REPORT OF THE TRUSTEES OF THE J. V. FLETCHER LIBRARY

January 1, 1934.

The trustees of the J. V. Fletcher Library respectfully submit their annual report for 1933, including the report of the librarian and the list of books added in 1933.

The trustees ask for the following appropriation, viz:

1. The sum of eighteen hundred dollars ($1,800) to meet the current expenses of the main library and its branches.

2. The receipts from the dog licenses in 1933.

JULIAN A. CAMERON, Chairman,
WILLIAM C. ROUDENBUSH,
ALICE M. HOWARD, Secretary.

REPORT OF LIBRARIAN

January 1, 1934

To the Trustees of the J. V. Fletcher Library:

The report of the Library for the year ending December 31, 1933, is herewith presented.

The library has been fortunate in receiving a much needed museum case as a gift from the Trustees of Westford Academy in memory of William E. Frost, preceptor 1872-1904. The case has been placed in the conversation room and has had an exhibition of pictures and other articles pertaining to Mr. Frost. One item of special interest is the Memorial Day address for 1892 in his own handwriting given by his son Francis. Miss Harriet M. Hodgman, former teacher of Westford Academy and daughter of Rev. Edwin R. Hodgman, author of the town history, presented an early photograph of the Frost home in front of which Mr. and Mrs. Frost are shown; and also a picture taken of the daily order of recitations as they appeared on the blackboard in Mr. Frost's handwriting in the old Academy. Mr. Leonard W. Wheeler presented an old receipt signed by John Wright, preceptor, for tuition paid by Phineas Wheeler for one of his children.

While the circulation of children's books has decreased, that of adults' has increased, 195 for non-fiction and 546 for fiction. The circulation for magizines has increased 769 over last year's high record, making a total circulation at the library of 24,042.

Biography, which has stood second on the list for the past two years, was again the most popular group of non-fiction with a circulation of 629; the literature, poetry and essay group was second with 516 books, and travel, last year's highest, was third with 501 books. The circulation per capita was 8.65 volumes and the cost per volume was 7.7 cents. The per capita cost of the library was only 67.4 cents, 8.1 cents less than last year. On eight days more than 200 books were circulated, the largest being 270 on March 23. The smallest was on a hot day in May when only 44 books were loaned, less than the very snowy day of December 26th which has a record of 48. March had the largest circulation, 2,273, averaging 175 a day, and July the smallest, 1,124, with 93.6 books a day, besides magazines. The library has been open 151 days (four days less than last year) with an average day's loan of 127 books and 32 magazines, besides pictures and pamphlets.

The picture collection is becoming increasingly valuable, being in constant demand by pupils and teachers. Additional pictures are being added regularly and gifts will be welcomed.

At Thanksgiving time an exhibit was set up showing the Williams parsonage in Old Deerfield at the time of the Indian raids. Paper dolls represented the children who were carried away by the Indians, their true stories being given in little booklets accompanying the scene.

At Christmas time the season was observed by a nativity scene placed on the table in the children's room and a collection of Christmas stories and poems was arranged nearby.

The children in Forge Village and Graniteville have received 220 five-book certificates and 21 honor certificates during the past year for reading and reporting on books chosen from the lists put out by the Division of Public Libraries.

The sum of $40.50 in fines has been collected and turned over to the town.

Mr. Julian A. Cameron has delighted many borrowers by a gift of 26 books, mostly mystery stories. Mrs. William Harrington and Fisher Buckshorn have also been generous contributors.

Mr. Cameron has also presented 35 jigsaw puzzles of his own manufacture which are already giving enjoyment to many borrowers. Miss Edna M. Hamlin added six puzzles to this collection.

A photograph of the Forge Village Nail Company's works, taken in the early 1860's from a position near the present railroad station and showing the old type of crossing sign, has been loaned by Mrs. George A. Kimball. Mrs. Harriette M. Forbes, author of "Gravestones of early New England" and at present compiling a history of the houses of Middlesex county built prior to 1700, has presented a photograph of the Frank Hildreth house. Such additions to the library collection of historical material are very welcome.

Another stool has been added to make it possible for the borrowers to reach the shelves more conveniently.

The library has been made attractive on various occasions by gifts of flowers from Mrs. Roy L. Keizer, Mr. Arthur L. Hope, Miss Atwood, Miss Edna M. Hamlin and Mrs. Carroll J. Rollins, besides those brought by the librarian.

On April 29th a mountain ash was planted on the library lawn by the Girl Scouts with appropriate exercises.

The librarian has again had the privilege of attending the conference of the American Library Association which was held at Chicago this year and also the meeting of the Massachusetts Library Club at Northfield.

The library will observe its seventy-fifth anniversary as a public library this coming year. In 1859 the Social Library, founded in 1797, was given to the town provided that "Said inhabitants shall annually expend in the purchase of books for said library a sum of money not less than thirty dollars," with other conditions. Until 1871 the books were kept in private homes. That year a room was provided for them in the new town hall, where they remained until 1896 when the present building was given to the town by the Honorable J. Varnum Fletcher.

The circulation of magazines has been greater than in any previous year. All except current numbers may be borrowed for one week and the list for the coming year is as follows:

REGULATIONS

The J. V. Fletcher Library is open Tuesdays, Thursdays, and Saturdays (legal holidays excepted) from 1.30 until 5, and from 6.30 until 9.00 P. M.

The Graniteville deposit station at the home of Mrs. Carroll M. Sawyer is open Monday afternoon and evening

The Forge Village deposit station at the Post-Office in charge of Mrs. Josephine Connell is open daily.

The Brookside deposit station at Community Hall in charge of Mrs. Alice McTeague is open Thursday evenings.

New books of fiction can be kept only one week; but there may be one renewal. All other books may be kept four weeks. Renewals may be made by telephone or by postal.

No book shall be transferred, or acknowledged as returned, unless delivered to the librarian.

For each day that a book is kept beyond the prescribed time a fine of one cent is charged.

Borrowers finding books mutilated or defaced should report the fact to the librarian.

Number of deaths in Town	13	14
Residents of Westford	18	15

NOTE

All persons are respectfully requested to examine the foregoing reports of births, marriages and deaths, and report to the Town Clerk any errors or omissions that may be discerned therein, so that the records may be corrected. An error in the record, other than a mistake in copying a certificate or return, can be corrected only in accordance with a deposition under oath made by one who was required by law to furnish the information for the original record or by one or more creditable persons having knowledge of the case. (See General Laws, Chapter 46, Section 13.)

Births occurring late in the year are sometimes returned without the Christian name. In such cases parents should return the name to the Town Clerk as soon as selected, as incompleteness of the record may occasion trouble in the future.

Attention is particularly called to the following extracts from the General Laws.

GENERAL LAWS, CHAPTER 46

Section 1. Each city and town clerk shall receive or obtain and record * * * facts relative to the births * * * in his city or town.

Section 3. Every physician or medical officer registered shall keep a record of the birth of every child in cases of which he was in charge and * * * shall, within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred a report * * * If the child is illegitimate, the name and other facts relating to the father shall not be stated except at the request in writing of both father and mother filed. * * * Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported * * * A physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars. * * *

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required * * * shall furnish the same upon request of the clerk of the town * * * or of any person authorized by him. (Penalty for refusing not more than ten dollars.)

Section 6. Parents, within forty days after the birth of a child, and every householder within forty days after a birth in his house shall cause notice thereof to be given to the clerk of the town where such child is born.

Section 8. (Penalty for neglect to comply with the provisions of Section 6, not more than five dollars.)

GENERAL LAWS, CHAPTER 207

Section 36. If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the town where either of them lived at the time of their marriage, a certificate or declaration of their marriage including the facts required in a notice of intention of marriage.

Section 55. Whoever violates Section 36 shall forfeit ten dollars.

The Town Clerk hereby gives notice that he is prepared to furnish parents, householders, physicians and registered hospital medical officers applying therefor with blanks for return of births as required by law.

CHARLES L. HILDRETH, Town Clerk.

Town Clerk's Report on Dogs

Number of Dogs Licensed 1934	
207 Males at $2.00	$414.00
29 Females at $5.00	145.00
19 Spayed Females at $2.00	38.00
Total	$597.00
Clerk's fees 255 licenses at 20 cents	51.00
Paid into Town Treasury as per Town Treasurer's Receipts	$546.00
Number of Dogs returned by the Assessors	
Males and Spayed Females	261
Females	24
Total	285

The attention of owners and keepers of dogs is called to the following extracts from Chapter 140 of the General Laws:

Section 137. The owner or keeper of a dog which is three months old or over shall annually, on or before the thirty-first day of March cause it to be registered, numbered, described and licensed for one year from the first day of April following, if kept in any town, in the office of the clerk thereof. The owner or keeper of a licensed dog shall cause it to wear around its neck a collar distinctly marked with its owner's name and its registered number.

Section 138. The owner or keeper of a dog may at any time have it licensed until the first day of April following; and a person who becomes the owner or keeper of a dog after April first which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March 31 in any year shall when it is three months old cause it to be registered, numbered, described, licensed and collared as required in the preceding sections.

Year Ending March 31, 1935

CHARLES L. HILDRETH,
Town Clerk.

ANNUAL TOWN MEETING, FEBRUARY 19, 1934

At a legal meeting of the inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, Monday, February 19, 1934, the following business was transacted.

Roger H. Hildreth, Town Moderator, was sworn in by the Town Clerk, Charles L. Hildreth, and called the meeting to order.

1. Voted that the reports of the Finance Committee, other Committees, Boards and Officers be accepted as printed with the following corrections:

Tree Warden and Forest Warden—Harry L. Nesmith instead of Harry L. Smith. Precinct Officers, Precinct 2—Warden Frank P. Shugrue (D.) instead of Albert Wall (D.); Deputy Warden Albert Wall (D.) instead of Frank P. Shugrue (D.); Town Accountant's Report, Total payments $397,031.91 instead of $390,031.91.

2. Voted that the compensation of the Town Officers be as follows:

Selectmen, Chairman, $135.00. Other two members, $115.00 each. Board of Public Welfare, Chairman, $15.00. Other two members, $10.00 each. Town Treasurer, $450.00. Town Clerk, $90.00. Collector of Taxes, .675 of 1% of the amount collected. Tree Warden, .53 per hour. Assessors $4.50 per day.

3. Voted that under this article each item be considered separately.

1. Voted that the sum of $6055.00 be appropriated for General Government, to be divided as follows: Selectmen, $550.00; Treasurer, $740.00; Town Accountant, $815.00; Assessors, $900.00; Tax Collector, $1350.00; Town Counsel, $200.00; Town Clerk, $250.00, binding of papers, etc. $500.00; Registration and Election, $1200.00.

2. Voted that the sum of $1600.00 be appropriated for the Town Hall.

Voted that the sum of $700.00 be appropriated for alterations and repairs on the present heating system at the Town Hall.

3. Voted that the sum of $2800.00 be appropriated to defray the expenses of the Police Department.

Voted that the sum of $150.00 be appropriated to defray the expenses of marking the streets.

4. Voted that the sum of $2750.00 be appropriated to defray the expenses of the Fire Department.

Voted that the sum of $1500.00 be appropriated to purchase a new Fire Truck and Equipment to be located at Graniteville.

5. Voted that the sum of $3440.00 be appropriated for the rental of Hydrants.

6. Voted that the sum of $125.00 be appropriated to defray the expenses of the Sealer of Weights and Measures.

7. Voted that the sum of $100.00 be appropriated to defray the expenses and compensation of the Fish and Game Warden.

8. Voted that the sum of $500.00 be appropriated to defray the expenses of Fighting Forest Fires.

9. Voted that the sum of $75.00 be appropriated to defray the expenses of the Maintenance of the Town Forest.

10. Voted that the sum of $300.00 be appropriated to defray the expenses of the Tree Warden.

11. A motion that the sum of $1775.00 be appropriated to defray the expenses of the Moth Department was lost.

Voted that the sum of $350.00 be appropriated to defray the expenses of the Moth Department.

12. Voted that the sum of $4800.00 be appropriated to defray the expenses of the Health Department.

Voted that the sum of $375.00 be appropriated to pay the expense of milk furnished underweight and undernourished children.

13. Voted that the sum of $150.00 be appropriated to defray the compensation and expenses of the Cattle Inspector.

14. Voted that the sum of $5000.00 be appropriated for the Maintenance of the existing State and County Roads on condition that like amounts be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $1000.00 be appropriated for Repairs on the Tyngsboro Road on condition that like amounts or more be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $12,000.00 be appropriated for Town Roads. Voted that the sum of $1500.00 be appropriated for Snow and Ice Removal.

Voted that the sum of $2700.00 be appropriated for trucks, teams and expenses of the C. W. A.

15. Voted that the sum of $13,700.00 be appropriated for the Welfare Department; $8000.00 of this amount to be taken from Surplus Revenue.

Voted that the sum of $250.00 be appropriated for the Delivery of Federal Coal.

A motion that the sum of $1700.00 be appropriated for the Alteration of the Heating Plant at the Westford Infirmary was lost.

Voted that the Moderator appoint a Committee of two to meet with the Board of Public Welfare and report as to the advisability of altering the Heating Plant at the Westford Infirmary and recommend an appropriation, this report to be made at the next Special or Annual Town Meeting. The Moderator appointed as such Committee, Edward M. Abbot and Henry F. Eastman.

16. Voted that the sum of $4300.00 be appropriated for Old Age Assistance.

17. Voted that the sum of $3000.00 be appropriated for Soldiers' Benefits.

18. Voted that the money to meet the costs and expenses of the School Department be appropriated under the main headings as listed upon pages 11 and 12 of the School Committee's Report for 1933, with a separate motion and vote for each heading.

28. Voted that the sum of $2800.00 be appropriated for Interest on Revenue Loans.

Voted to take up Article 5 before item 29 of Article 3.

5. A motion that the Town re-establish the Street Lights that were discontinued last year in Westford Centre, Forge Village and Graniteville was lost.

3. 29. Voted that the sum of $6000.00 be appropriated for Street Lights.

30. Voted that the sum of $400.00 be appropriated for Fire Insurance.

31. Voted that the sum of $2000.00 be appropriated in accordance with the provisions of Section 6 of Chapter 40, General Laws, as a Reserve Fund.

32. Voted that the sum of $792.07 be appropriated for Over-Drafts of 1933, to be divided as follows: Tree Warden $19.02; Snow and Ice Removal, $697.70; State Taxes, $13.72; Soldiers' Benefits, $61.63.

33. Voted that the sum of $2727.58 be appropriated to pay the Bills Outstanding December 30, 1933 to be divided as follows: Election and Registration, $12.00; Town Hall, $41.36; Liability Insurance, $419.83; Police Department, $88.95; Fire Department, $127.61; Snow and Ice Removal, $179.20; Public Welfare Department, $1603.21; Soldiers Benefits, $255.42.

4. Voted that the Town appropriate the sum of $25.00 for Demonstration Work in Agriculture and Home Economics and elect a Director under the Provisions of Section 40-45 of Chapter 128 of the General Laws. John A. Kimball was elected Director.

6. Voted that the Finance Committee and Board of Selectmen acting jointly be and hereby are authorized and empowered to make such alteration and repairs and improvements as may be deemed advisable to the Town Hall and that the sum of $3200.00 be appropriated to meet the expense thereof, providing however that the C. W. A. accept the project and furnish the expense for labor.

7. Voted to instruct the Selectmen that the hiring of all trucks shall be from citizens of Westford and not more than one truck from any company, corporation, or individual person, provided that the Town can secure its required number of trucks and that these trucks be in good repair in all cases.

8. Voted that the Town accept a deed of land adjoining the School Playground in Graniteville donated by Mrs. Harriet Hildreth of Winchester, Mass., to be used as part of the School Playground and that a letter of thanks be sent to her by the Town Clerk.

9. Voted that the Town accept a deed of land adjoining the School Playground in Graniteville donated by the C. G. Sargent Estate to be used as part of the School Playground and that a letter of thanks be sent to the Trustees of the Estate by the Town Clerk.

10. Voted that the Town authorize the Selectmen to appoint a Committee of three to cooperate with the State Forest and Park Association in the detection and eradication of the Dutch Elm Disease.

11. Voted 30 to 10 not to dismiss the article. Voted to discontinue publishing the list of delinquent tax payers in the Annual Town Report.

12. Voted that the sum of $190.00 be appropriated to pay the following: Alfred Patenaude $15.00 as damages for land taken in the relocation of Makepeace Road; Annie Sygla, $50.00 as damages for land taken in the relocation of Makepeace Road; Lyman Priest, $50.00 as damages for land taken in the relocation of Concord Road; James J. Fallon, $25.00 as damages for land taken in the relocation of Concord Road; John D. Psarias, $50.00 as damages for land taken in the relocation of the Tyngsboro Road.

13. Voted unanimously that the Town Treasurer with the approval of the Selectmen be and hereby is authorized and empowered to borrow money from time to time in anticipation of the revenue of the municipal year beginning January 1, 1934, and to issue a note or notes therefor payable within one year and in accordance with Section 17 of Chapter 44 of the General Laws as amended to renew any of such revenue notes as may be payable within a shorter period than one year, any debt or debts so incurred under this vote whether as to the original indebtedness or renewal thereof to be payable within one year from the date of the original loan and from the revenue of said financial year.

14. Voted that the sum of $1000.00, this being the Town's share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932 bonds maturing in 1934, be and the same is hereby appropriated, and that a further sum of $361.05 be and hereby is appropriated on account of interest and other charges on account thereof. That a further sum of $132.39 be and hereby is appropriated for the Towns' share of the expense incurred under the provisions of Chapter 331 of the Acts of 1933, which provided for the settlement of certain claims of the Commonwealth against the Middlesex County Tuberculosis Hospital District. That a further sum of $518.15 be and hereby is appropriated for the Town's share of the net cost of care, maintenance, and repairs of the Middlesex County Hospital, including interest on temporary notes issued therefor, in accordance with Sections of Chapter 111 of the General Laws applicable thereto.

15. Voted by more than two thirds vote to dismiss the article relative to a Planning Board.

16. Voted by more than a two thirds vote to dismiss the article relative to a Zoning Scheme.

17. Voted by more than a two thirds vote to dismiss the article relative to accepting Section 3 of Chapter 143 of the General Laws.

18. Voted to dispense with the reading of Article 18. Voted by more than a two thirds vote to dismiss the article.

19. Voted to accept the minutes of the meeting.

20. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, APRIL 25, 1934

At a legal meeting of the inhabitants of the Town of Westford qualified by law to vote in Town affairs, held at the Westford Academy Auditorium, April 25, 1934, at eight o'clock P. M., the following business was transacted:

Roger H. Hildreth, Town Moderator, called the meeting to order.

1. Voted to accept the report of the Finance Committee as read.

2. Voted that tthe sum of $1500 be appropriated to defray the expense of modernizing the heating system at the Westford Infirmary.

3. Voted that the sum of $645.32 be appropriated to meet bills outstanding December 31, 1933, said amount to be divided as follows: Schools $507.82; Old Age Assistance, $67.50; Police Department, $35.00; Cattle Inspector, $35.00.

4. Voted that the sum of $1000 be transferred from the appropriation for Interest on Revenue Loans to defray the expenses of alterations in the heating system at the Town Hall.

5. Voted that the sum of $2600 be appropriated for the extra expense of Snow and Ice Removal.

6. Voted that the sum of $4.00 be appropriated for the added expense of Publishing the Town Reports.

7. A motion was made to amend the vote passed at the last Annual Town Meeting under Article 18, whereby an appropriation was made for the School Department, so as to consolidate the appropriation in the sum of $66,494.00.

A motion to lay the article on the table was lost.

On the motion to amend the vote passed under said article 18 the vote was 24 to 24.

A motion to adjourn the meeting was lost by a vote of Yes 27, No 30.

The vote on the main question was doubted. A motion to vote by ballot was lost. The main motion was lost by a vote of Yes 28, No 30.

Voted to dismiss the article.

8. Voted to accept the minutes of the meeting.

9. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, JUNE 12, 1934

At a legal meeting of the inhabitants of the Town of Westford qualified by law to vote in Town affairs, held at the Town Hall, June 12, 1934, at eight o'clock P. M., the following business was transacted:

Roger H. Hildreth, Town Moderator, called the meeting to order.

The Town Clerk, Charles L. Hildreth, being absent, the Moderator had Herbert V. Hildreth serve as Moderator pro tem while he, as Assistant Town Clerk served as Clerk of the Meeting.

1. Voted that the report of the Finance Committee be accepted as read.

2. Voted unanimously that the sum of $2,000.00 be appropriated for repairs on the Tyngsboro Road, on condition that the County contribute $2,000.00 and the State $4,000.00 to be used in conjunction therewith.

3. Voted unanimously that the sum of $2,000.00 be appropriated for the Welfare Department.

4. Voted to accept the minutes of the meeting.

5. Voted to dissolve the meeting.

ROGER H. HILDRETH,
Assistant Town Clerk.
CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, JULY 30, 1934

At a legal meeting of the inhabitants of the Town of Westford qualified by law to vote in Town affairs, held at the Town Hall, July 30, 1934, at eight o'clock P. M., the following business was transacted:

Roger H. Hildreth, Town Moderator being absent, Herbert V. Hildreth was elected Moderator pro tempore by ballot, and was sworn in by the Town Clerk.

1. Voted to accept the report of the Finance Committee as read.

2. Voted that the sum of $2000 be appropriated to defray the expenses in carrying on the E. R. A.

3. Voted that the sum of $468.48 be appropriated for bills outstanding December 31, 1933, to be divided as follows: Vocational School, $215.05; Welfare Department, $253.43.

4. Voted to dismiss the article relative to moving the cannon.

5. Voted unanimously to dismiss the article relative to installing additional street lights on Nabnasset Street.

6. A motion that it is the sense of the meeting that no further Special Town Meetings be called except in cases of emergency, was lost.

7. Voted to accept the minutes of the meeting.

8. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

SPECIAL TOWN MEETING, OCTOBER 2, 1934

At a legal meeting of the inhabitants of the Town of Westford qualified by law to vote in Town affairs, held at the Town Hall, October 2, 1934, at eight o'clock P. M., the following business was transacted:

Roger H. Hildreth, Town Moderator, called the meeting to order.

1. Voted to accept the report of the Finance Committee.

2. Voted that the Town vote to amend the vote passed at the last Annual Town Meeting under Article 3, Item 15, whereby it was voted that $8000.00 be taken from Surplus Revenue to meet in part the appropriation made thereunder, by striking out the figures $8000.00 and in place thereof to authorize the Assessors to use the total free cash available on October 3, 1934.

3. Voted that under this article each item be taken up separately.

A. A motion that $1500 be appropriated for repairs on the Tyngsboro Road on condition that a like amount be appropriated by the County and not less that $3000 be appropriated by the State, to be used in conjunction therewith, was lost.

Voted that the sum of $1500 be appropriated for repairs on the Tyngsboro Road on condition that like amounts or more be contributed by the State and County respectively, to be used in conjunction therewith.

B. Voted that the Town appropriate the sum of $2800 to meet the expenses of E. R. A.

C. Voted that the Town appropriate the sum of $1250 to meet the expenses of Soldiers' Relief.

D. Voted that the Town appropriate the sum of $7500 for Public Welfare.

4. Voted that in order to meet $1000 of the amount appropriated under Article 3, Item B for E. R. A. expenses transfers be made from unexpended balance of the following appropriations:

Election and Registration	$450
Fire Department	300
Infirmary Heater	150
Interest on Revenue Loans	100

5. Voted to accept the minutes of the meeting.

6. Voted to dissolve the meeting.

CHARLES L. HILDRETH,
Town Clerk.

REPORT OF SELECTMEN

Citizens of Westford:

The report of the Superintendent of Highways places before you full details of the work accomplished on the highways during the year.

We consider that we are holding the improved roads in good condition and are gradually improving the others as the appropriations allow.

The Highway Department has cooperated with the Welfare Board in giving work on the highways to as many of the unemployed as possible.

In accordance with the vote of the town we gave trucking to those in town who owned trucks and desired the work. Fourteen applications were received and the trucking was distributed as equally as possible. Two town trucks were used on full time.

The price paid for trucks equipped with hydraulic dump was $1.10 per hour and with hand dump $1.00 per hour.

The total highway expenditures this year are apportioned approximately as follows: Labor 41%, Oil and Tar 29%, Trucks 10%, Teams 1%, Other Materials, Repairs, etc. 13%. Hired machinery 6%.

The work on the "State and County Aided Roads" was done as formerly under Chapter 90. We have finished our third year under Chapter 81 which we feel has been very satisfactory. We are therefore recommending that the town continue under this arrangement for the year 1935 and this requires an appropriation of not less than $10,625.00 for general road repairs.

As always in the past the State and County Officials and Engineers have cooperated with us in every way and been generous with allotments.

For the Tyngsboro Road we are asking for an appropriation of $1500.00, and with appropriations which we expect of $1500.00 from the County and $3000.00 from the State, the road will be completed to the Tyngsborough town line. In this connection we might add that Tyngsborough has already started at the Westford town line on the reconstruction of this road.

Seven licenses to date have been issued for the year 1935 for the sale of alcoholic beverages.

We respectfully direct your attention to the activities of the Police Department as reported by Officer Sullivan.

Respectfully submitted,

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
W. OTIS DAY,

Selectmen.

REPORT OF SUPERINTENDENT OF HIGHWAYS

I herewith submit my report for year ending December 31, 1934.

During the year the usual maintenance, consisting of sanding icy roads, proper snow removal, scraping, scarifying, reshaping, rolling, oiling, bituminous and gravel patching and general patrol work was carried out on all Town roads and I have endeavored to give the very best service.

Following is a list of work done on Town roads under Chapter 81:

Tenney road was graveled, graded, rolled and oiled from Wood's Corner to Tyngsboro Line, a distance of about ¾ of a mile.

The same procedure was carried out on Beaver Brook road from Concord road to a point near camp road, Littleton end. Standard Steel cable guard mounted on reinforced concrete posts was erected on curve at Brook.

The new gravel on Providence road from State Highway to Main St. was graded, rolled and about ¼ of a mile oiled, the rest to be oiled this year. Also three culverts of 12" corrugated metal pipe and two catch basins were installed. This completes the entire road. At the junction of Providence road and Cummings Hill road wooden fence was replaced with cable guard rail.

Griffin road was graveled and this year it will be graded, rolled and oiled.

The graveling of Howard road was continued as far as the Flagg Farm.

The graveling on Plain road has been completed at this writing and this year it will be graded, rolled and oiled, making the whole road complete.

South Chelmsford road was oiled, dragged and honed and had two applications of oil, another application this year will help to smooth it up in first class shape.

Chamberlain road was graveled and scraped into shape from Collier's farm to Chelmsford Line, a distance of about ¼ mile. It will be rolled and oiled during the warmer months and this will complete the whole of Chamberlain road.

The graveling on Gould road has been started and the lower end of Robinson road will be next in line.

Tadmuck road, Elliott road and Old Lowell road are also on the list to be graveled at an early date.

Stones removed from the gravel pits were used as a base, or for widening purposes are classed as gravel.

The brush on all streets and several side roads has been cut. Owing to complaints of brush sagging into the side roads during the winter, the brush was cut further back. There are other side roads in the same condition and should be cut this year.

NEW CONSTRUCTION

The Groton road to Groton Line is completed. Considerable excavating and filling was necessary along the road to realize the proper grade and a large quantity of gravel was used. Standard Concrete headwalls were erected on metal culvert's installed last year, guard rails mounted on reinforced concrete posts were erected at dangerous places.

Tyngsboro Road

The project was continued this year beginning at Groton road and ending at Station 136 a distance of about 4500 ft. This road was graveled, rolled and oiled, a width of twenty four feet. The new road being built to a grade which provides excellent drainage and a smooth riding surface. Headwalls were built on culverts and standard basins put in where necessary.

New Tyngsboro Road—(Special Appropriation)

Work was commenced in November and on December 31 practically all the excavating, filling and graveling was completed. Two new culverts have been installed, both being of corrugated pipe, each have standard concrete head walls and one standard catch basin. About 3150 cubic yards of gravel have been used to December 31. A balance remains unexpended on this contract, which has been reserved for grading, rolling, oiling and such graveling as may be necessary to complete this section of the road. This work will be completed early in the season—an article appears in the warrant asking for $6000 to complete the last stretch of about ½ mile to Tyngsboro Line, including the installation of two large culverts. When this work is completed it will form an important link between Westford and Tyngsboro and will give the residents of this section an excellent thoroughfare.

CHAPTER 90 MAINTENANCE

On all chapter 90 roads the shoulders were dragged, raked and oiled, grass growths were removed and the proper waterways maintained.

On Groton road cut back asphalt was applied from the Chelmsford line to Groton line, Forge Village.

This was also true of Makepeace from Chelmsford line to Tyngsboro line, Concord road from Pleasant St. to State road, near Old Oaken Bucket.

Acton road from Chelmsford line to Acton line.

Carlisle road from Carlisle Station to Sweetser's farm.

Graniteville road from Counter's bridge to Westford, top of the hill pea gravel and sand were used on these six roads.

On Brookside road tar was applied from Pine Ridge to Chelmsford Line. Heavy pea gravel was used on this road, it was then honed and brushed.

The fence on Graniteville road which had become decayed was replaced with cable guard rail mounted on reinforced concrete posts and widened about three feet.

All these roads were patched with bituminous material and properly maintained throughout the year.

17,658 loads of gravel and sand were used on all roads during the year 1934.

Yours respectfully,

J. AUSTIN HEALY,
Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen:
Westford, Mass.,
Gentlemen:

I herewith submit my report for the year 1934 for the Police Department.

Report to the Department of Correction has been made.

Arrests made	55
Assault and Battery	3
Auto Violations	16
Abandoned Autos	4
Auto and Motorcycle Accidents	31
Auto transfers	178
Auto Registrations Revoked	19
Auto Licenses suspended	23
Appeals case to Superior Court	6
Case in Ayer Court	49
Civil and Criminal case in Superior Court	12
Collected for dog licenses	$198.00
Collected for Sunday licenses	$ 74.00
Collected for Gasoline licenses	$ 6.00
Collected for Pool Tables licenses	$ 5.00
Collected for entertainment licenses	$ 3.00
Collected for Beer licenses	$840.00
Cruelty to Children	4
Complaints against dog	54
Complaints regarding custody of Children	6
Complaints against minors	48
Complaints Investigated Cruelty to Animals	4
Dogs killed by Automobiles	10
Dogs shot	23
Dogs killing hens	2
Duty at public gathering	126
Dances	48
Driving under the influence of liquor	7
Disturbance of the peace	11
Drunkenness	21
Drowning accidents	2
Fruit thieves	4
Family disturbances	32
Fires attended	16
Fines in Ayer Court	$ 82.50
Automobile fines going to the State	$275.00

Gasoline Licenses	2
In lockup at Town Farm	26
Investigations made	574
Illegitimacy cases	1
Jurors	4
Breaking and Entering in the night time	12
Breaking and Entering in the day time	3
Boys taken to East Cambridge Jail	6
Boys sent to Shirley School	1
Men taken to East Cambridge Jail	3
Liquor raids	4
Larceny cases	18
Notices posted	28
Non-support case	1
Divorce cases in Probate Court	2
Public nuisance	6
Pedestrians struck by automobiles	7
Petty complaints	378
Operating so as to endanger lives	2
Summonses and Notices served	56
Warrants served	17
Malicious injury to property	6
Vagrant	4
Driving without licenses	2
Men taken to Billerica Jail	3
Person found dead on road side	1
Labor trouble 5 days	
Electric wires down	11
Lay watching in different places on complaints	34
Visits to camps in the winter time	38
Camps broken into	9
Complaints on suspicious person	16
Adultery cases	1
Forgery cases	1
Patients taken to Psychopathic Hospital for insanity	1

The marking of white lines on the highways this last year was a great improvement to motorists. I marked most all the worst curves in the town, I believe there should be two hundred dollars appropriated to carry this work on another year.

Respectfully submitted,

JOHN F. SULLIVAN,
Police Officer of Westford.

REPORT OF TOWN ACCOUNTANT

To the Honorable Board of Selectmen and to the Citizens of Westford:

I herewith present the Annual Report of the Town Accountant in accordance with the General Laws, with other Financial matters that may be of general interest.

I wish to remind the public that all books are open to the public for inspection at any time.

If there is any part that is not clear to the reader the Accountant will explain the same on request.

All transfers from the Reserve Fund shown in this report were authorized by the Finance Committee.

TREE WARDEN'S REPORT

The Tree Warden submits the following report for the year ending December 31, 1934.

My work has consisted of removing dead trees and trimming broken and dead limbs from them.

I would suggest the sum of $300.00 be appropriated this year to carry on the work.

Respectfully submitted,

HARRY L. NESMITH,
Tree Warden.

REPORT OF THE FOREST WARDEN

During the year 1934 we had 60 Forest fires. As they were mostly all small fires, the loss of woodland was slight.

I have issued two hundred forty fire permits.

I would suggest the sum of $1000.00 be appropriated this year to care for this work.

Respectfully submitted,

HARRY L. NESMITH,
Forest Warden.

TREASURER'S REPORT

FOR THE YEAR ENDING DECEMBER 31, 1934

Balance on hand January 1, 1934	$ 24,200.66	
Total Receipts to December 31, 1934	410,186.62	
		$434,387.28
Balance on hand December 31, 1934	$ 31,650.98	
Total Payments to December 31, 1934	$402,736.30

ARTHUR L. HEALY,
Tax Collector.

REPORT OF THE BOARD OF HEALTH

The Board of Health submits the following report for the year ending December 31, 1934:

The health department is very pleased with the result of the Toxin and Antitoxin Administration to the people of the community. A great many have taken advantage of the opportunity to immunize themselves and their children, thereby, helping greatly the prevention and control of diphtheria. There has not been a case of diphtheria clinically diagnosed reported to the Board of Health since the treatment commenced about six years ago.

The milk supply in the town of Westford is on the improvement. Most all cows have been tuberculin tested and approved and by spring we expect to have a one hundred per cent area.

It will be noted in the nurse's report that quite a number of the school children have had the milk, distributed by the board, and it has been of a great assistance to the underweight children.

Contagious and infectious diseases are kept down by the vigilance of the Health Department and the follow-up work of the Health Nurse at the homes. This condition would be a great deal better, if we had a little more cooperation from the heads of the families at various times.

The Dental Clinic is still doing good work and has been patronized very freely, but improvement in this respect can be made by more parents taking advantage of this opportunity and thereby will help the endeavors of the dentist and the Board of Health for the welfare of the children.

The Chadwick Clinic of the State of Massachusetts, in conjunction with this department, still showed improvement in the children as to the prevention and control of tuberculosis. This work is now taken over by the Middlesex County Sanatorium in conjunction with this board. The clinic just held by them shows no tuberculosis in any of the school children and practically no tendency.

The Board of Health has returned to the Town their usual unexpended balance.

The department asks for the same appropriation as last year with a hundred and fifty dollars added to establish a canine clinic. This clinic is advocated by the State Board of Health to administer anti-rabitic serum to all the dogs of the town.

Following this report is the report of the Public Health Nurse who has performed her various duties in a most satisfactory manner.

Respectfully submitted,

CYRIL A. BLANEY, Chairman,
OLIVER A. REEVES, Sec.,
ISAAC L. HALL,
Board of Health

REPORT OF THE PUBLIC HEALTH NURSE

January 18, 1935

C. A. Blaney, M. D.,
Chairman, Board of Health,
Westford, Mass.

Dear Sir:

Following is the report of the Public Health Nurse, from January 1, to December 31, 1934:

Absentees from school visited in their homes	369
Children taken home from school, because of illness	16
Dressing and First Aid	32
Child Welfare Visits for Corrective Work	102
Contagious Disease Cases Visited	178
School children taken to Dental Clinic	390
Home Visits	216
Nursing Visits	106
Assisted at Parturition	5
Administered Anesthesia	4
Public Health and Business Meetings Attended	4
To Hospital for Tonsil and Adenoid Operations	13
To Hospital for Observation and Treatment	5
Number of Patients taken to Clinics	94
Number who received glasses at Clinic	18
To Lowell General Hospital Pediatric Clinic	45
To Lowell General Hospital Skin Clinic	2
To Lowell General Hospital Pre-Natal Clinic	1
To Lowell General Hospital Orthopedic Clinic	1
To Lowell General Hospital Surgical Clinic	6
To Lowell General Hospital Medical Clinic	2
To Lowell General Hospital Tumor Clinic	3
To St. John's Hospital Orthopedic Clinic	12
To St. John's Hospital Pediatric Clinic	25
To St. John's Hospital Ear, Nose and Throat Clinic	15
To St. John's Hospital Eye Clinic	63
To St. John's Hospital Neurological Clinic	8
To Genito-Urinary Clinic	40
To Massachusetts General Hospital Clinic	2
To New England Baptist Hospital (Basal Metabolism Test)	1
To Middlesex County Sanatorium Physical Examination Clinic	4

Tuberculosis Cases Visited
Milk Inspections Made
Board of Health Permits Issued
Free Milk given daily at Schools to 73 undernourished children
Diphtheria Toxin Antitoxin administered in the Schools by Dr. Blaney, Board of Health Physician:

Number of innoculations, three injections each	129
High School	2
Frost School	10
Sargent School	48
Cameron School	26
Nabnasset School	13
Pre-School	27
Adults	3

Massachusetts Chadwick Re-Examination Clinic held at High School

Number X-rayed	7

School Clinic conducted by Middlesex County Sanatorium for pupils in 7th, 9th and 11th grades held at High School

Number of consents for Von Pirquet Test	120
Number X-rayed	64

Summer Pre-School Clinic conducted by Westford Board of Health

Diphtheria Toxin Antitoxin Innoculations, three injections each	69
Vaccinations	86

Contagious Diseases Reported to the Board of Health

Varicella	3
Pertussis	1
Mumps	23
Scarlet Fever	3
Measles	143
Pulmonary Tuberculosis	1
Scabies	4
German Measles	2
Dog Bite	7

Respectfully submitted,

VERONICA P. MEAGHER, R. N.,
Public Health Nurse.

REPORT OF BOARD OF PUBLIC WELFARE FOR 1934

Mr. Arthur M. Whitley was re-elected to the Board and also continued as Chairman of Board which organized on March 5th with Mr. Edmund L. Provost as Secretary, Thos. P. Cosgrove being the third member. The work of the Board, as in 1932-33, had particularly to deal with circumstances resulting from the depression, and unfortunate as it is, it is still with us.

The C. W. A. did not mean so much to the Welfare Department as would naturally be supposed, from the fact that their rulings relative to citizenship were, in a great many of our cases of able-bodied men, and usually with large families and willing to work, were barred because they were not citizens, and consequently had to be supported by the Welfare Department. When the F. E. R. A. came into existance it was primarily created to reduce the welfare expense. Every able-bodied man was put to work irrespective of citizenship on the various projects selected, and has reduced the number of families on the welfare from forty-eight to twenty-six at the present time.

There are families of course on the E. R. A. who cannot support themselves on $12.00 per week, but probably not more than a half dozen, and of course they have to be given a little aid. But the fact remains that had not the E. R. A. continued the expense would have been almost prohibitive. The different activities of the E. R. A. cannot be counted in dollars and cents, but can be appreciated by those in circumstances to receive its benefits. The men, of course, are taken care of by the various projects—the women have their sewing projects, the benefit of which is very apparent both to the workers and the Welfare Department. The distribution of the articles sewn is very material, and the distribution of provisions is a very valuable asset to the grocery bill. Reasonable quantities of beef, hamburg, veal, pork, cheese, sugar, rice, cabbage and potatoes have been and still are distributed.

During the year, seventy-two different families have been aided in the town, and fourteen outside the town holding settlements herein representing an expenditure of $2,500.00. We have State wards costing $2,000.00 annually, and four mothers' aid cases costing $2,200.00. There are at present fourteen cases on Old Age Assistance Rolls, and several applicants being considered, five having died during 1934.

The Conservation Corps is still operating, which is a very creditable organization. In 1933 we sent eighteen young men, and in 1934 we sent fourteen to the Selecting Agency from which they are sent to various camps as needed. This is a fine opportunity for young

men between eighteen and twenty-five years of age who are unemployed as it not only gives them employment but is a direct help to their parents at home because they are required to send home, in fact the Government sends home $25.00 a month. The Corps is under the direction and supervision of an army officer and as a health producing enterprise it is unsurpassed.

The Red Cross have continued their grand work and in many cases in conjunction with the Welfare Department which is appreciated very much.

At the Town Farm this year not much repairing or altering was needed, other than a new soft coal boiler which was installed at the request of State Supervisors. Eleven additional radiators were installed, making a total of 22 radiators in the Home so that now it is warm and comfortable. The shed roof was repapered and the purchase of a lime spreader were the only outside expenditures at the farm. The farm produced about 300 bushels of potatoes, practically all of which are in the cellar in anticipation of a reasonable market; vegetables to supply the Home, and the silo again filled. At present the E. R. A. have a project of cutting fire wood at the farm for use of the Welfare Department. This was formerly done by men who were on the Welfare roles. Further deliveries of E. R. A. provisions will be made only to persons who have no one, or who are unable to go to the Infirmary and get it.

In conclusion, if you have any constructive criticism, we ask you to please come forward with it.

The Board will appreciate your favor very much.

(Signed)

ARTHUR M. WHITLEY,
EDMUND L. PROVOST,
THOMAS P. COSGROVE,
Board of Public Welfare.

REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN WESTFORD DURING 1934

The following is a report of the work done in this town by the Middlesex County Extension Service during the year of 1934.

Assistance was given in diagnosing disease in poultry flocks and recommendations given to overcome them. Some assistance was given on housing problems. One poultryman is cooperating with the Poultry Department on a housing and ventilation problem.

Dairy farmers have been given help in milk market problems, particularly on adjustment of base ratings and information furnished on Control Board rulings.

Westford farmers attended the series of weekly dairy meetings held in Concord last winter.

Otis Day served as a member of the County Compliance Committee for the Hatchery Code.

38 farm visits were made in Westford.

Moving pictures of apple picking and packing, cost figures and details of production were presented at a winter meeting attended by 24 fruit growers.

A tour of Middlesex County farm storages visited a fruit storage in Westford.

Peach parasites were released at one farm.

The C. W. A. project on cutting neglected fruit trees was aided. The Extension Service has been emphasizing the danger of neglected trees in breeding pests such as the apple maggot.

Though organized home work is not as strong here as in some towns, contacts have been made through a food demonstration at the Tadmuck Club through a recreational night with the young people and, perhaps most important, by home visits to 4-H club members. The Chamberlain's Corner unit has continued with its large membership and enthusiasm. They carried the regular program of Nutrition, Home Management, and the Outdoor Living Room. The Bonhand Thimble Club sent Mrs. R. Steeves and Mrs E.. Knapman as leaders to the series of meetings on the Outdoor Living Room. The home agent has met with both of these groups.

A 4-H club rally was held at the Academy with 190 in attendance. Garden and canning clubs carried through the summer. Thomas Johnston was awarded $3.00 by the Middlesex North Agricultural Association for his fine garden. Priscilla Knowlton was delegate to the county camp for her outstanding work as a sixth year club member. Eileen Keizer was a delegate for the two-day trip to the State College.

This is an award to outstanding club members. Priscilla Knowlton and Eileen Keizer are both junior leaders, assisting Miss Lucinda Prescott and Mrs. A. Hildreth with the canning clubs. These boys and girls were also two-day trip candidates.

There are twelve 4-H clubs carrying winter projects. Each village is represented with at least one club. Leadership is one of the most important factors in club work—a good leader means a successful club, nine times out of ten. Miss Gertrude Donohue was sent as a delegate to the leaders' camp at Camp Gilbert on the State College campus.

It should be remembered that the work of the Middlesex County Extension Service is free to all citizens of the county who desire to participate in its work. It is organized primarily to serve farmers, homemakers and boys and girls residing in rural sections but homemakers, back yard gardeners and boys and girls in villages may also avail themselves of this service.

JOHN A. KIMBALL,
Director

REPORT OF FISH AND GAME WARDEN

Westford, Massachusetts,
January1,1935

To the Citizens of Westford:

The following is a report of the work done by me for the year 1934 as Fish and Game Warden:

I have patroled the different fields, woods and covers in Westford all through the year 1934. I do not mean that I go out every day, as some weeks I might not go out more than once or twice, but I try to go over the ground often.

It may not be generally known, but all Town Wardens are supposed to send a written report every quarter to the division of Fisheries and Game of the work they have done, also the general conditions as regard fish and game for the three months in their town, so I like to keep up with the rest. I have fed all birds through the bad weather regardless of whether they were game birds or not. I have bought the grain and fed them and have given grain to all people who asked for it. We have the usual trouble with small birds. Cats get many of them every year. Also the small boys with their toy rifles. It is too bad that people will buy guns for small boys to go out and shoot small birds and pigeons, and, in fact, any small animals they happen to see, but that is up to the parents. Children brought a number of birds to me all summer that were shot with small guns. Also some very valuable carrier pigeons.

I saw a number of hunters out this season, but all claim pheasants are scarce. The covers have been all well stocked, but for some reason there were not many shot in the open season. This is said to be the fault of the fox. It is said that there were more foxes seen the last two years in this vicinity than have been seen here for over fifty years. However, all we know is that the pheasant, partridge, quail and woodcock are scarce. Gray rabbits are very plentiful, but I can not tell what has happened to the snowshoe. They never seem to increase. There have been enough snowshoe rabbits put out in this town the past ten years to fill every swamp and wood in the county, but for some reason, they disappear. Very few are ever seen after they are liberated.

I saw quite a few gray squirrels that were shot the past season and got the usual number of complaints about people shooting squirrels near houses. The gray squirrels are large enough to leave the nests about about the middle of May. Some people feed and watch them until they are very tame and are pets, but that makes little difference to some hunters. If they see them, they shoot them.

I had quite a lot of trouble about the use of the steel trap, but the way the law is now, I do not see anything that can be done about it until the town takes some action on the steel trap law, which I hope they will do at the next town meeting. All people should take some interest in this law and vote one way or the other. As it is now, it is difficult for the warden to know what to do.

There have been some good catches of fish this season, in fact they are getting some good ones at the present time through the ice, but I do not think there are as many fishing this year as in previous years.

The ponds, brooks and covers have all been stocked under the direction of District Warden, John Broadrick.

The following covers got sixteen pheasants each:

Town Farm	Poor Farm Meadow
Arthur Wilson's Farm	Wm. McDonald's Farm
Griffin's Farm	Old Smith Place
Long Sought For Section	Hornbrook Farm
Nesmith's Meadow	Geo. Kimball's Farm
Blaisdell's Farm	Texas Farm
Coolidge's Meadow	Opposite Wright's Cemetery

The following covers got ten quail each:

Griffin's Farm	Rear of Nabnasset
Coolidge's Farm	Opposite Wright's Cemetery
Sullivan's Farm	

Baptist Pond Brook, Nashoba Brook, and Snake Meadow Brook got five hundred Brook Trout each.

Long Sought For Pond got five hundred small mouth bass and fifteen hundred white perch. Keyes Pond, Forge Pond, and Burgess Pond also got fifteen hundred white perch.

There is a lot of land posted all through the town and other neighboring towns, and if we do not respect the farmer and land owner all land will be posted. Remember, no matter where you hunt, fish or trap on so-called wild land some one owns it and is paying taxes on it and all that grows on it belongs to them; blueberries, wild strawberries, wild grapes, chestnuts, walnuts, butternuts, evergreen, laurel, Christmas trees and other shrubs all have a commercial value, so if you want to hunt or trap it is up to you to use the land owner right. It does not make any difference how much his land is stocked, he can stop you from hunting or trapping, so try to be fair if you do not want all the land posted.

During the year 1934 I made the following number of trips: January 5, February 4, March 5, April 11, May 13, June 9, July 5, August 8, September 3, October 8, November 13, December 5. I examined 54 licenses and attended the District Court at Ayer.

Hoping the report will meet with your approval, I am,

Obediently yours,

JOE WALL,
Fish and Game Warden,
Westford, Mass.

Valuation of Town for 1934—$3,921.584.00

In the death of Mr. Herbert V. Hildreth the Town of Westford has met with a real loss.

For a quarter of a century he served as a member of its Finance Board; for many years as its secretary, and at the time of his death he had been its chairman for fifteen years. As a member of this board hiis public spirit was conspicuous. Positive in his opinions he was yet sympathetic toward those with whom he did not agree. He was wise in council, fertile in suggestions, uncompromisingly honest; and though frank in his criticism he was unfailing in his cooperation where the well being and good name of the town were concerned. His interest and his service made him invaluable in town matters.

Mr. Herbert V. Hildreth was a citizen who was deeply concerned about the welfare of Westford. He not only took a keen interest in its affairs but an active part in the carrying out of projects for the public good. Possessed with a talent for public service he made no use of his official position nor of the confidence of his fellow townsmen to further his private interests. In these ways he set his neighbors an example of the best type of citizenship; alert to the town's needs, ungrudging in service, neither seeking nor expecting glory or influence.

We, his fellow members on the Board of Finance, desire to put on record this minute of appreciation of a faithful public servant and a genial comrade.

Under Article 2, relative to salaries. This committee recommends that the elective town officers receive the same salaries as in 1934.

Under Article 3, Item 17, we recommend the appropriation of $66,000 for schools, this to include the reshingling of the Sargent School.

Under Article 8. We recommend that an investigation be made as to the advisability of running the Town Infirmary in order to reduce the cost to the Town.

As the time of setting the tax rate has been changed it is not possible this year to use any surplus to reduce the tax rate. If the recommendation of the budget is followed and the same return come from the State and County, the tax rate will be not over $38.00.

Respectfully submitted,

REPORT OF FIRE ENGINEERS

The Board of Fire Engineers submits the following report for the year ending December 31, 1934

The companies have responded to 26 fires other than forest fires during the year; 4 building, 14 chimney, 2 dump, 3 truck, 1 old lumber, 1 railroad old ties, 1 oil stove and 1 false alarm.

The following is a list of the buildings where damage occurred.

Aug. 31—Barn at Parker Farm.
Sept. 9—House of Napolean Lanctott.
Nov. 3—House of Joseph Regnier.
Dec. 27—House and barn of Alice Lambert.

The Fire Engineers recommend that the sum of $3,200 be raised to meet the expenses of the department for the coming year.

BOARD OF FIRE ENGINEERS.

Warrant for Annual Town Meeting, Westford, Mass.

COMMONWEALTH OF MASSACHUSETTS

To the Constable of the Town of Westford in said County:

GREETING:

You are hereby required, in the name of the Commonwealth aforesaid, to notify and warn all the iinhabitants of said Town, qualified to vote in elections and also in Town affairs, to meet at their several polling places, viz.:

Precinct 1. Town Hall, Westford Centre.
Precinct 2. Abbot's Hall, Graniteville.
Precinct 3. Abbot's Hall, Brookside.
Precinct 4. Abbot's Hall, Forge Village.

MONDAY, FEBRUARY 11, 1935

being the second Monday in said month, at 12.00 o'clock noon for the following purposes:

To bring in their votes for the following officers:

For Three Years

One Selectman.
One Member of Board of Public Welfare.
One Assessor.
Two Members of the School Committee.
One Member Board of Cemetery Commissioners.
One Trustee of Public Library.
One Member Board of Health.

For One Year

Moderator.
Town Treasurer.
Collector of Taxes.
Constable.
Tree Warden.

And vote on the following questions:

"Shall the operation of section one hundred and five B of chapter one hundred and thirty-one of the General Laws, requiring for the taking of fur-bearing animals the use of traps that kill at once or take such animals alive unharmed, be suspended within this town?"

The polls will be open from 12 o'clock noon to 8 P. M., and to meet in the Town Hall at Westford Centre on the following

at 1 o'clock in the afternoon, then and there to act upon the following articles, viz.:

1st. To hear the reports of the Finance Committee, other Committees, Boards and Officers.

3rd. To appropriate money to meet the cost and expenses of the following departments, officers and purposes:

2nd. To determine the salary and compensation of elected Officers and such Officers and Officials as provided by law.

1. General Government.
2. Town Hall.
3. Police Department.
4. Fire Department.
5. Hydrants.
6. Sealer of Weights and Measures.
7. Fish and Game Warden.
8. Forest Fires.
9. Town Forest.
10. Tree Warden.
11. Moth Department.
12. Health Department.
13. Cattle Inspector.
14. Highway Purposes.
15. Board of Public Welfare.
16. Soldiers' Benefits.
17. School Department.
18. Vocational Tuition.
19. Public Library.
20. Care of Common.
21. Commemoration of Memorial Day.
22. Publishing of Town Reports.
23. Liability Insurance.
24. Cemetery Commissioners.
25. General Loans.
26. Interest on General Loans.
27. Interest on Revenue Loans.
28. Electric Lights.
29. Fire Insurance.
30. Reserve Fund.
31. Overdrafts of 1934.
32. Bills Outstanding December 31, 1934.

4th. To see if the Town will appropriate $10.00 and elect a Director under the provisions of Section 40-45 of Chapter 128 of the General Laws.

5th. To see if the Town will vote for the allowance of damages to John Psaris occasioned by the relocation of the Tyngsboro Road, and appropriate money therefor.

6th. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

7th. To see if the town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932 bonds maturing in 1935, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the town's share of the cost and interest on said bonds due in 1935, also for the care, maintenance, and repair of said hospital for 1934, and including interest on temporary notes issued therefore in accordance with sections of Chapter 111 of the General Laws applicable thereto and for all other expenses in connection therewith, determine how the money shall be raised, or in any way act thereon.

8th. To see what action the Town will take relative to letting, or otherwise providing for the use and occupancy of the Town Infirmary, and for boarding, or otherwise making provision for the care of those falling in need of assistance.

And you are directed to serve this warrant by posting up true and attested copies thereof at the Town Hall and each Post Office in said Westford, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of holding the first meeting aforesaid.

Given under our hands this first day of February, in the year of our Lord Nineteen Hundred and Thirty-Five.

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
W. OTIS DAY,
Selectmen of Westford.

Annual Report

OF THE

REPORT OF THE SCHOOL COMMITTEE

January 1, 1935

To the Citizens of Westford:

My report as Chairman of the School Committee for the year 1934 is herewith submitted.

The membership of the board was changed from that of 1933 in one instance only; namely, by the addition of Mrs. Dorothy Chandler to succeed Mr. Axel Lundberg. Upon reorganization, Mr. Edward Buckingham was selected as chairman and Mr. George Gibbons as secretary. The building committee chosen during 1933 and consisting of Mr. Buckingham, Mr. Gibbons, and Mr. Forty was reappointed to serve for another year.

We have this year continued our maintenance policy of doing a thorough job upon work undertaken, believing it to be cheaper in the long run. Our present repair bills are largely the result of trouble with heating fixtures and plumbing that were either improperly installed or that were rusted or worn out. Attention to repairs when they are needed would seem to be more economical and businesslike than allowing them to accumulate.

Our old bus contracts expired this year. The Committee, together with the Superintendent, carefully went over every bus route and decided that if certain changes were made, better transportation might be afforded the pupils at a smaller expense to the Town. Our new contracts will save $1,400.00 to $1,500.00 annually, providing we do not have to put on another trip to take care of our increased enrollment.

We wish to call your attention to the crowded conditions in the Frost School and in the Academy, especially the latter. Interested citizens should make a tour of this building in order to see the situation for themselves. There are four real classrooms, an auditorium, and a laboratory. The rest of the rooms are make-shift arrangements in the old gymnasium on the third floor. They are crowded, poorly lighted, and improperly ventilated. We expect our teachers and pupils laboring in such rooms to do their best work. Are we fair to them? We must admit that we are not, and yet we shall soon be forced to provide further make-shift arrangements by dividing our laboratory into three classrooms in order to accommodate the estimated increase in enrollment in September,

In view of the present high prices of books, fuel, and other supplies, the need of a new teacher in the Academy, and the urgent repairs that we must make, we feel that the Town should raise $66,000.00 to maintain our public schools. This amount will allow us to replace some of our textbooks and to make some of our urgent building alterations and repairs.

Our tuition bill from the Vocational School will probably be between $2,500.00 and $3,000.00. We therefore request the sum of $3,000.00 for vocational tuition for the coming year.

Respectfully submitted,

EDWARD C. BUCKINGHAM,
Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 1, 1935

To the School Committee:

I herewith submit my third annual report as Superintendent of Schools for the fiscal year 1934. This report is accompanied by those of the Principal of the Academy, the School Doctor, and the School Nurse.

At the Annual Town Meeting our budget was allotted to us under separate headings instead of as a lump sum. This has caused the Town extra expense, as we have been unable to transfer from one item to another in order to take advantage of lower prices and to make needed repairs. As a result our supplies are low, our children are without proper books, many urgent building repairs are now waiting to be made, and we are turning back $1,795.26. This might seem like a big saving effected by the segregation of the budget by headings. However, let us look and see where this money is coming from. About $727.00 was saved on our new bus contracts and $479.25 on teachers' salaries when new teachers were hired. There is also about $302.00 extra on lights which includes the $150.00 voted in addition to what our budget called for. Against these sums let us charge the amounts that we had planned to use. We had hoped to return the $506.82 voted as an unpaid coal bill last February, put a new roof on the Sargent School at an estimated cost of $900.00, do weatherstripping at the Frost School and the Academy, and purchase more books and supplies. Judging from these facts it is self-evident that nothing has been saved by restricting the budget expenditures by headings. When we pay the bills for these postponed purchases and repairs, we shall easily realize the additional expense placed upon the taxpayers. One instance of this has already occurred in the purchase of coal. Since insufficient funds made impossible the practice of filling our bins during the summer, purchases of smaller lots as needed to keep the fires running until January first necessitated the payment of higher fall prices.

Anticipating an overflow of pupils in the Frost and Academy buildings when school opened on September 4, we re-routed our busses in order to send some of the pupils from the north district to the Sargent School. With this arrangement we were able to transfer the seventh grade in the Academy back to the Frost School, and still provide seating room for everyone by the addition of several extra seats.

Although our total registration is slightly under that of last year, you will note that the enrollment at the Academy has increased by about thirty pupils. The decrease in the enrollment of the elementary grades is principally due to the number attending the French school in Lowell.

The crowding of classes in the Academy grows worse annually. At present we are on the verge of losing our grade A rating, which will prevent our graduates from going on to college without entrance examinations. This certificate rating can be retained only by the addition of another teacher to the faculty, and by providing additional classrooms to meet the probable increase in numbers. We estimate that our enrollment will be over 200 pupils in September, 1935. Temporary relief was afforded this year by transferring the seventh grade to the Frost School, and by taking away the superintendent's part-time secretary so that she might devote all her school time to teaching. The secretarial work is now being carried on by the two commercial teachers after school hours.

The old transportation contracts expired this year, and new contracts were entered into for a period of three years with the following bus operators: Fisher Buckshorn, George Burke, George Goucher, John Gray, Albert Hildreth, and Everett Miller. By re-routing our busses we were able to take care of the overflow of students in the Frost School, eliminate one bus trip, and save the town a considerable amount of money.

The following is a list of some of the terms of the bus contracts:

1. Each bus shall cover a route fixed by the School Committee, who reserve the right to change the same.
2. Each bus shall conform to the regulations of the State Department, including the carrying of the $50,000 insurance policy.
3. Each bus shall be equipped with a suitable defrosting device on the windshield.
4. Each bus shall be equipped with shatterproof glass throughout.
5. Each bus shall be equipped with an approved liquid fire extinguisher.
6. Each bus shall be equipped with an exhaust pipe that shall extend to the end of the bus. (This article is optional providing the bus floor is tight enough to exclude the exhaust gasses from the motor.)
7. All bus drivers must be approved by the School Committee and are subject to removal by the committee for misconduct, unfitness, or other cause.
8. There shall be a telephone in the home of the driver.
9. Bus owners shall not be paid for holidays as in the past, except on "no school" days that have not been declared in advance.

A separate elementary graduation was held for each eighth grade in its own village, so as to afford an opportunity for the parents to attend without securing transportation to the Academy as has been the custom in the past. The total attendance was over three times as great as it has been at the consolidated exercises in the Academy building. Nearly every seat was taken in the Academy assembly hall. The Abbott Hall in Forge Village was about two thirds filled. The new assembly hall in Graniteville was filled to capacity, and many were turned away after all available standing room had been filled. If last June's attendance is to provide an answer to our experiment, there is no doubt that we should continue our separate elementary graduations.

In spite of the fact that our present teacher salary schedule is very low in comparison with those of other towns, we were able to give only a few raises. A special effort was made to equalize the salaries of those with approximately the same training and experience, and a raise was granted to each of the new teachers. In hiring new teachers it is our policy to obtain successful and experienced ones at a low salary to start, so that we may be able to offer a small increase annually for several years before the maximum is reached. By this method we hope to be able to retain our teachers for a longer period.

The following changes were made in our faculty at the opening of schools in September:

Mrs. Lottie Blodgett was transferred from Grade V to Grade IV in the Sargent School to fill the vacancy left by the resignation of Miss Elizabeth Nesmith.

Miss Ruth Lord was transferred from the Cameron to the Sargent School.

Miss Josephine Mardas was appointed to fill the vacancy in the Cameron School caused by the transfer of Miss Lord.

Mr. Lloyd Turner was appointed to succeed Mr. Merrill Jenkins in the Academy.

Miss Dorothy Vincent was appointed to succeed Miss Florence Misner in the Academy.

There has been no change in the personnel of our janitors. They are trying their best to keep down the cost of building maintenance, but they are still hampered in their efforts by the lack of proper tools. If these tools were provided, it would be possible for them to take care of many minor repairs that are now turned over to other workmen, at additional cost.

Every effort is being made by the teachers to economize in the use of supplies. Very few aids to teaching, aside from paper and writing materials, have been purchased. Each teacher has made much of her supplementary material on our new duplicating machines, at a great saving to the Town. Our surplus supply of paper that was bought at very low prices is nearly gone, and we shall have to buy more at the prevailing code prices, which are over 100% higher in many cases. This advance in cost of new material will greatly increase our expenditures next year.

With the assistance of the local nurse, our new school physician, Dr. Cowles, has examined all of our school children and discovered several unreported cases of abnormal heart and lung conditions as well as other physical defects. This work has taken many hours of the doctor's time. Special re-examinations of all athletes on the Academy athletic squads were also given. In addition to these regular examinations, other attempts to improve the general health of the pupils have been made. Several State and County clinics have been held with very encouraging results. Milk has been provided in the schools for all those who desired it. In cases of undernourished children it has been furnished free to those who could not afford to pay. Needy and poorly dressed children have been well taken of by the Welfare Department, the Red Cross, and other local organizations.

We were very fortunate in obtaining Federal Aid to help in carrying on our two kindergartens. With a small tuition charge for pupils from families who are able to pay, in addition to our allotment from the government, we hope to obtain more equipment to help Miss Wright in her work. The total enrollment of about thirty makes clearly evident the fact that this project is meeting with high approval. If transportation and equipment were available, our enrollment would more than double itself.

Owing to the lack of uniformity in the arithmetic work in the elementary schools, a special endeavor has been made to reorganize the course of study. As a basis for this program we have adopted for all classes the Strayer-Upton arithmetic books, one of the new series in this field. Since these were already in use in some of the buildings, it seemed best from the standpoint of economy, to complete the set rather than to discard them for a different variety. Each teacher was furnished with an outline of the work to be completed in each grade in order to prevent unnecessary overlapping or omitting of subject matter. It is hoped that this outline will help and guide the teacher in planning her work and in stressing our aim for 100% mastery rather than for speed.

Through the generosity of the Abbot Worsted Company and the C. G. Sargent Sons, Incorporated, our pupils were able to hold their Christmas parties as usual. The Abbot Worsted Company donated $235.00 and the C. G. Sargent Sons, Incorporated, donated $25.00 This money made it possible to distribute useful gifts, toys, and Christmas candy among the children, many of whom might otherwise have had to go without, as their parents have been out of work for some time.

Our two projects of graveling and grading the school lawns and the Sargent playground, which were started last year, have been finished. With their completion our school grounds have been greatly improved. Another worthwhile project of building a retaining wall between the Academy and the tennis courts is nearly completed. This granite wall was made possible by the generous donation of the stone by the Fletcher Granite Company. At present we have several other projects that would save the Town money. However, these cannot be submitted for federal approval until funds are available to cover the costs of materials.

The following major building repairs were made during the year:

ACADEMY. The heating system in the assembly hall was completely revamped and replaced, following the freeze-up of last winter. Several sections in the boiler were replaced at the same time.

New grates were installed in the boiler. These are a new type designed by Mr. Stuart of the Graniteville Foundry at the suggestion of our chairman, Mr. Buckingham. They can be made locally on short notice at a cost considerably less than half of what we have been paying for the old type.

FROST SCHOOL. A complete renovation of all the seats and desks was made. All those that were beyond reasonable repair were replaced by better ones from the attic. All desk tops that had been cut and mutilated for many years were resurfaced. Every desk and seat was shellacked and varnished by the janitors.

SARGENT. The rear section of one of the boilers broke and had to be replaced. While we were making this repair, we also installed several new grates, and overhauled and rehung the furnace doors so that they could be kept closed when it was being operated.

While investigating the break in the boiler, we found what we felt might have been a contributing cause. The coils in the ventilating shafts in the attic had been installed in such a way that they were standing full of water most of the time. We were unable to replace these coils because of lack of funds in our budget. We hope to make the necessary repairs as soon as funds are available.

CAMERON. Freezing of the water in the toilet bowls and tanks on cold nights caused us to finish the wooden wall in back of the toilets, and to increase the heating coils along this wall.

The following urgent recommendations are submitted for your consideration:

1. That the main roof on the Sargent School be reshingled as soon as possible in order to prevent further damage due to its present condition. It is claimed that one section of this roof has not been reshingled for about 18 years and the rest of it for about 10 years.
2. That new locks be installed in the Sargent School in order that we may be able to secure the building against further breaks.
3. That the windows in the present laboratory in the Academy be weatherstripped so as to make possible satisfactory heating on cold, windy days.
4. That the present ventilating motor circuits be rewired so that each motor will have an independent switch. We believe that this change will prevent the further burning out of three light motors that at present are on one circuit. It will also provide an opportunity for us to operate any one motor without the other two.
5. That the window sashes in the Frost School be repaired and the windows weatherstripped on the north side of the building.
6. That the laboratory in the Academy be divided into three classrooms in order to provide a temporary relief for present crowded conditions, and to meet the anticipated increase in our enrollment in September.

In concluding this report I wish to express my gratitude and appreciation to all those who have co-operated with me during the past year. I also wish to thank the members of the School Committee for their assistance and support in an effort to increase the educational opportunities for the children of Westford at the lowest possible cost to the taxpayer.

Respectfully submitted,

ROBERT W. BARCLAY,
Superintendent of Schools.

REPORT OF WESTFORD ACADEMY

January 1, 1935

Mr. Robert W. Barclay,
Superintendent of Schools,
Westford, Mass.

Dear Sir:

Following is the twenty-third annual report of Westford Academy since my principalship.

Faculty

William C. Roudenbush	Latin and History
Mrs. Mary L. Robinson	English
Miss Ethel N. Caldwell	Science and Civics
Ernest V. Knapman	English and Mathematics
Reginald V. T. Steeves	Science
Floyd S. Turner	Latin and French
Miss Evelyn H. Pickard	Commercial and Secretary
Miss Dorothy D. Vincent	Commercial and Secretary
Chester V. Sweatt	Eighth Grade

Mr. Merrill L. Jenkins and Miss Florence M. Misner resigned last spring, and Mr. Turner and Miss Vincent were elected to these vacancies.

Enrollment

	Boys	Girls	Total
Post Graduates	0	1	1
Seniors	7	14	21
Juniors	11	19	30
Sophomores	17	20	37
Freshmen	39	45	84
Eighth Grade	13	6	19
	87	105	192

Home Room Assignments

Post Graduates and Seniors ..... Mr. Turner
Juniors ..... Mr. Roudenbush
Sophomores ..... Mrs. Robinson
Freshmen Boys ..... Mr. Steeves
Freshmen Girls ..... Miss Vincent
Eighth Grade ..... Mr. Sweatt

The Seventh Grade was transferred from the Academy building to the Frost School this year.

Basketball

The Academy is a member of the Wachusett Basketball League which was organized last year, and includes the Schools of Ashby, Ayer, Groton, Lunenburg, Pepperell, Townsend, and Westford.

The schedule for 1934—1935 is as follows:

December 14, 1934—Townsend at Westford
January 4, 1935—Westford at Ashby
January 11—Westford at Lunenburg
January 18—Groton at Westford
January 25—Pepperell at Westford
February 1—Lunenburg at Westford
February 5—Westford at Townsend
February 8—Ashby at Westford
February 15—Ayer at Westford
February 19—Westford at Pepperell
February 22—Westford at Groton

COACHES

Mr. Knapman—Boys' Team Mr. Steeves—Girls' Team

Physical Training

Classes in physical training are conducted by Mr. Knapman and Mr. Steeves. The boys meet Tuesday and Thursday afternoons under the direction of Mr. Knapman, and the girls on Mondays and Wednesdays under the direction of Mr. Steeves.

School Clubs

All pupils are required to identify themselves with some club project conducted by a member of the faculty. These clubs meet every afternoon except Friday, which day is reserved for various purposes depending on circumstances. Among the clubs are the Dramatic Club, Newspaper Club, Mechanical Drawing Club, Science Club, Orchestra, Glee Club, Current-Event Club, and Office Machines, The teachers in charge are Mr. Roudenbush, Mr. Knapman, Mr. Steeves, Mr. Turner, Mrs. Robinson, Miss Caldwell, Miss Pickard, and Miss Vincent.

CLASS OFFICERS WITH FACULTY ADVISERS

	President	Vice President	Secretary	Treasurer	Advisors
SENIORS	Stanley Kazeniac	Rita Edwards	Christine Christianson	Vincent Carvalho	Mr. Knapman Miss Pickard
JUNIORS	Robert Besser	Ruth Cooney	Annie Worobey	Charles Oliver	Mr. Steeves Miss Vincent
SOPHOMORES	Kenneth Carbo	Mary Hildreth	Leslie Swanson	Richard Crocker	Mr. Turner Mrs. Robinson
FRESHMEN	Harry Smith	Caroline LeDuc	David Lord	David Lord	Mr. Roudenbush Miss Caldwell

The School Paper

The Newspaper Club, under direction of Mrs. Robinson, deserves much credit for its work with the "Clarion." The staff is as follows:

Editor-in-chief ..... Frances Hughes, '35
Assistant Editor ..... Rita Edwards, '35
Business Manager ..... William Prescott, '35
Assistant Manager ..... Stanley Kazeniac, '35

Besides these four there are nineteen other students who are assigned responsibility for various features of the paper. In addition, eight reporters attend to the work which ordinarily belongs to such a job.

Four students see to the publishing each week of a bulletin called "Campus Chatter," a semi-serious supplement to the "Clarion." "Campus Chatter" always attracts many readers when it is posted on the bulletin boards.

Necrology

Death has claimed two members of the Academy Trustees the past year, Mr. J. C. Abbot and Mr. H. V. Hildreth. These men had given long, faithful, and efficient service to the welfare of the Academy, and their passing is a matter of sincere regret.

Miscellaneous

The honorary members of the Tadmuck Club from the Class of 1935 are Aksenia Pupchick and Christine Christianson.

On November 22, 1934, the Dramatic Club, under the direction of Mr. Turner, staged the play, "Bright and Early," the proceeds of which were given to the Academy Athletic Association.

On the closing day of school, December 21, each home room group arranged its own Christmas program which occupied the last hour and a half of the school session.

We take pleasure in thanking the Trustees for the receipt of a book entitled "Practical High School Debating," a gift from the Julian's Fund.

On November 16, 1934, Mr. Talbot, Field Secretary of the Massachusetts Audubon Society, gave an illustrated lecture at a school assembly on the subject, "How Man Changes the Face of Nature."

Following is the program of the graduation exercises of June 8, 1934, which includes items of record not given in this report.

Respectfully submitted,

WILLIAM C. ROUDENBUSH,
Principal of Westford Academy.

WASHINGTON AND FRANKLIN MEDAL FOR EXCELLENCE IN UNITED STATES HISTORY
(Given by the Massachusetts Society of Sons of the American Revolution)
Catherine Theresa May, '34

CLASS SONG

(Tune, Song of the Vagabonds)

High School days are ending
Separate ways we're wending
Each a chosen task to do.
Pals in work and pleasure
In our hearts we'll treasure
Years that we have spent with you.
Life is thrilling. Nothing is a bore
Pleasing, willing,—the class of '34
Up and face the sun
Our life's work's begun
It's not evening, but dawn.

—Vera Evelyn Swanson

Deviated Septum	1
Submaxillary Glands	1
Chorea	4
Enlarged Heart	1
Partial Paralysis	2
Chronic Appendicitis	1

Respectfully submitted,

VERONICA P. MEAGHER, R. N.,
School Nurse.

REPORT OF SCHOOL PHYSICIAN

Members of the School Committee:

The following is my report as school physician for the year ending December 31, 1934.

A physical examination was made by me of all the children attending the public schools of Westford.

During the examinations quite a number of students were found to be afflicted with heart murmurs. These cases showed no evidence of heart failure. These cases will be carefully supervised during the school terms by myself.

Bronchial breath sounds were found in one or both lungs in a number of students. A Von Pirquet test has been given and X-ray examination of chest has been made in a large majority of these cases. This being done to rule out the presence of tuberculosis of the lungs. No active tuberculosis was diagnosed, but further investigation will be made in some of these cases.

A large number of students were sent home during the recent epidemic of measles because of symptoms and rash of measles. It was decided not to close the schools as a whole because with the co-operation of the school nurse and the teachers the rash was seen early and the sick students were sent to their homes and placed under quarantine.

The rationing of milk to the underweight and undernourished students has been of great benefit as is shown by the return to vigor and health with increased weight in the majority of cases.

This work is carried on through the co-operation of the school nurse, the teachers and of the parents.

Respectfully submitted,

DR. DWIGHT W. COWLES,
School Physician.

Annual Report

OF THE

J. V. FLETCHER LIBRARY

OF THE

Town of Westford, Mass.

For the Year Ending December 31,

1934

REPORT OF THE TRUSTEES OF THE J. V. FLETCHER LIBRARY

January 1, 1935

The trustees of the J. V. Fletcher Library respectfully submit their annual report for 1934, including the report of the librarian and the list of books added in 1934.

The trustees ask for the following appropriation, viz.:

1. The sum of eighteen hundred dollars ($1,800.00) to meet the current expenses of the main library and its branches.

2. The receipts from the dog licenses in 1934.

JULIAN A. CAMERON, Chairman,
WILLIAM C. ROUDENBUSH,
ALICE M. HOWARD, Secretary.

		$ 114.92
		$ 2,619.55

REPORT OF LIBRARIAN

January 1, 1935

To the Trustees of the J. V. Fletcher Library:

The report of the Library for the year ending December 31, 1934, is herewith presented.

While the number of books loaned was greater than the number of volumes in the library, the circulation for the town has somewhat decreased, although in Forge Village and Graniteville there was an increase over last year. Travel books have regained their popularity among the non-fiction with 606 books loaned. Biography was second with 559 volumes and useful arts (medicine, engineering, agriculture, home economics) third with 432 books. The literature group which was second last year is now fourth with 363. About 26% of the adult books circulated were non-fiction.

Besides the work connected with the loaning of books to individual borrowers at the library, it is necessary to choose and record the books which go to the schools and deposit stations—figures for which are not included in the circulation. During the past year about 1,050 books were thus checked out and returned. Those in charge of the books at schools and deposits keep their record of the circulation and it is this which shows in the circulation report.

During the renovation of the town hall, the town officers, forced to find temporary quarters, were given permission to use the upper hall in the library, which they occupied from March 19th to May 21st. At this time some townspeople made their first visit to the library.

During the first part of the year old pictures connected with the town were exhibited in the Frost museum case. They created a great deal of interest which was shown by loans or gifts of other pictures. J. Willard Fletcher brought in two views of Westford depot taken about fifty years ago. Pictures of the homes of John William Abbot, Allan Cameron, F. C. Sargent, four views of the mill in Graniteville, a group of people including Mrs. Hannah Prescott Wyeth Parsons, and the Graniteville baseball team of 1895 were among those given.

The gift of the New England Historical and Genealogical Register (1917-1933) made a valuable addition to the genealogical material in our library. Previous numbers of the register (1903-1916) had been given by Mrs. George T. Day.

Mr. Leonard W. Wheeler added a valuable book to the local history collection by presenting John Warner Barber's book entitled "Historical collections, being a general collection of interesting facts, traditions, biographical sketches and anecdotes, relating to the History and Antiquities of every town in Massachusetts, with geographical descriptions, ill. by 200 engravings." This was published in 1841.

Mrs. Lydia Sargent Lee continues to show her interest in the home of her grandparents by adding to the Symmes collection and by her gift of books for children and adults. Included among these were an autographed copy of "Richard Carvel" by Winston Churchill, an English-Greek dictionary of value for the reference collection and a reprint of the first newspaper published in America, "The Boston News Letter" of 1704.

A collection of dolls from many different countries has also been on exhibition in the Frost museum case, along with coins from several of the countries represented. A Navajo Indian doll was presented by Miss Grace Wood. Two Swedish dolls were loaned by Avis and Hazel Day. The others, representing Mexico and several European countries, have been collected and loaned by the librarian.

A bequest of old United States coins was made to the library by Roy B. Wheeler of Denver, Colorado, in his will. These were received by the library this fall. His brother, Leonard W. Wheeler added a few more coins to the collection. These will be displayed later in the Frost museum case.

One hundred fifty-one five-book certificates and 17 honor certificates have been awarded the children in the schools at Graniteville and Forge Village for reading and reporting on books chosen from the lists made out by the Division of Public Libraries.

A new metal filing case has just been purchased in which to store the rapidly increasing collection of pictures and pamphlets. Still another is needed and must be provided soon.

Upon a deposit fee a collection of books on the theater was sent to the Lake Shore Theater for two months for the use of the students.

The sum of $39.28 in fines has been collected and turned over to the town.

The friends who have continued to contribute flowers to the library have been Miss Alice M. Howard, Mr. Arthur L. Hope, Miss Edna M. Hamlin, Mrs. Roy L. Keizer, Mrs. Harry B. Prescott and Mrs. Frederic A. Snow, besides the librarian.

The librarian has made use of several sources from which to borrow books which were needed by readers and were not available in our own library. The Division of Public Libraries has assisted with about 28 volumes: Congregational Library with four and two each from Boston and Lowell. Books in foreign languages have also been borrowed from the Division of Public Libraries.

The telephone continues to be a useful adjunct to the library service not only for renewing books but for answering inquiries of various sorts.

In a number of instances books have been delivered to readers who would not otherwise be able to make use of the library by the librarian and her assistants.

The library regrets the death of Mrs. Carroll M. Sawyer who gave faithful service as custodian of the deposit station which was in her home in Graniteville and is glad that it was possible to keep the deposit in the same place in charge of Mrs. Agda Peterson.

An important addition to the reference books was made by the purchase of a new Webster unabridged dictionary, which contains the new words introduced into the language at the time of the World War and since.

The library is indebted to Mr. Julian A. Cameron for repairing and varnishing three old stools and making them presentable for use in the stackroom.

The collection of jig-saw puzzles started by Mr. Julian A. Cameron last year has been very popular as shown by the circulation figure of 642. The number has been increased by Mr. Cameron and others as shown in the list of donors.

Among the visitors to the library this year were several who were especially interested in our collections of minerals and Indian relics; some of them having extensive collections of their own.

The librarian has attended the meetings of the Massachusetts Library Club at Boston, Andover and Concord and the American Library Association at Montreal. This was followed by a wonderful seven weeks trip to Europe with a party of librarians during which time England, France, Switzerland, Germany (Oberammergau) and Italy were visited. The work during her absence was carried on by Miss Alice M. Howard and Miss Edna M. Hamlin.

A few changes have been made in the list of magazines, some dropped and several added. All except current numbers may be borrowed for one week and the list for the coming year is as follows:

REGULATIONS

The J. V. Fletcher Library is open Tuesdays, Thursdays, and Saturdays (legal holidays excepted) from 1.30 till 5, and from 6.30 till 9.00 P. M.

The Graniteville deposit station at the home of Mr. Carroll M. Sawyer, in charge of Mrs. Agda Peterson, is open Monday afternoon and evening.

The Forge Village deposit station at the Post-Office, in charge of Mrs. Josephine Connell, is open daily.

The Brookside deposit station at Community Hall in charge of Mrs. Alice McTeague is open Thursday evenings.

New books of fiction can be kept only one week; but there may be one renewal. All other books may be kept four weeks. Renewals may be made by telephone or by postal.

No book shall be transferred, or acknowledged as returned, unless delivered to the librarian.

For each day that a book is kept beyond the prescribed time a fine of one cent is charged.

Borrowers finding books mutilated or defaced should report the fact to the librarian.

LIST OF BOOKS ADDED, 1934

	Males	Females
Total number recorded	21	23
Number of deaths in Town	15	14
Residents of Westford	19	23

NOTE

All persons are respectfully requested to examine the foregoing reports of births, marriages and deaths and report to the Town Clerk any errors or omissions that may be discerned therein, so that the records may be corrected. An error in the record, other than a mistake in copying a certificate or return, can be corrected only in accordance with a deposition under oath made by one who was required by law to furnish the information for the original record or by one or more creditable persons having knowledge of the case. (See General Laws, Chapter 46, Section 13.)

Births occurring late in the year are sometimes returned without the Christian name. In such cases parents should return the name to the Town Clerk as soon as selected, as incompleteness of the record may occasion trouble in the future.

Attention is particularly called to the following extracts from the General Laws:

GENERAL LAWS, CHAPTER 46

Section 1. Each city and town clerk shall receive or obtain and record * * * facts relative to the births * * * in his city or town

Section 3. Every physician or medical officer registered shall keep a record of the birth of every child in cases of which he was in charge and * * * shall, within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred a report * * * if the child is illegitimate, the name and other facts relating to the father shall not be stated except at the request in writing of both father and mother filed * * * Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported * * * A physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars * * *.

Section 4: A member or servant of a family in which a child is born, having knowledge of the facts required * * * shall furnish the same upon request of the clerk of the town * * * or of any person authorized by him. (Penalty for refusing not more than ten dollars.)

Section 6. Parents, within forty days after the birth of a child, and every householder within forty days after a birth in his house shall cause notice thereof to be given to the clerk of the town where such child is born.

Section 8. (Penalty for neglect to comply with the provisions of Section 6, not more than five dollars.)

GENERAL LAWS, CHAPTER 207

Section 36. If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the town where either of them lived at the time of their marriage, a certificate or declaration of their marriage including the facts required in a notice of intention of marriage.

Section 55. Whoever violates Section 36 shall forfeit ten dollars.

The Town Clerk hereby gives notice that he is prepared to furnish parents, householders, physicians and registered hospital medical officers applying therefor with blanks for return of births as required by law.

CHARLES L. HILDRETH, Town Clerk.

Town Clerk's Report on Dogs

Number of Dogs Licensed, 1935	
201 Males at $2.00	$402.00
29 Females at $5.00	145.00
18 Spayed Females at $2.00	36.00
Total	$583.00
Clerk's fees 248 licenses at 20 cents	49.60
Paid into Town Treasury as per Town Treasurer's Receipts	$533.40
Less 1 duplicate male license returned in December, 1934	1.80
Net Total	$531.60

Number of Dogs returned by the Assessors:

Males and Spayed Females	240
Females	25
Total	265

The attention of owners and keepers of dogs is called to the following extracts from Chapter 140 of the General Laws as amended by Chapter 320, Acts of 1934.

Section 137. The owner or keeper of a dog which is three months old or over shall annually, on or before March thirty-first, cause it to be registered, numbered, described and licensed for one year from April first following . . . . . in the office of the clerk . . . . . The owner or keeper of a licensed dog shall cause it to wear around its neck or body a collar or harness of leather or other suitable material, to which shall be securely attached a tag . . . . . and upon which shall appear the license number, the name of the town issuing such license and the year of issue.

Section 138. The owner or keeper of a dog may at any time have it licensed until April first following; and a person who after April first becomes the owner or keeper of a dog which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March thirty-first in any year, shall, when it is three months old, cause it to be registered, numbered, described, licensed, collared or harnessed and tagged as required by Section 137.

Licenses Issued Through December 31, 1935, for License Year Ending March 31, 1936

CHARLES L. HILDRETH
Town Clerk.

ANNUAL TOWN MEETING, FEBRUARY 18, 1935

At a legal meeting of the inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, Monday, February 18, 1935, the following business was transacted:

Roger H. Hildreth, Town Moderator, was sworn in by the Town Clerk, Charles L. Hildreth, and called the meeting to order.

1. Voted to reject the report for the fiscal year of 1934 made by the Westford Water Company, Inc., and that in lieu thereof said Company shall file with the Board of Selectmen on or before April 1st, 1935, an attested copy of the certificate of business condition filed by said Company with the Secretary of State for the fiscal year of 1934.

Voted that the Reports of the Finance Committee, other Committees, Boards and Officers, with the exception of the Westford Water Company report, be accepted as printed.

2. Voted that the compensation of the Town Officers be as follows: Selectmen, Chairman $135.00; Other two $115.00 each; Board of Public Welfare, Chairman $15.00, Other two $10.00 each; Town Treasurer $450.00; Town Clerk $90.00; Collector of Taxes .675 of 1% of amount collected; Tree Warden $.53 per hour; Assessors $4.50 per day.

3. Voted that under this article each item be considered separately.

1. A motion that the sum of $6,615.00 be appropriated for General Government to be divided as follows: Selectmen $700.00; State Census $200.00; Liquor Licenses $100.00; Town Accountant $815.00; Town Treasurer $850.00; Assessors $1,200.00; Publishing of Town Valuation $400.00; Tax Collector $1,400.00; Town Counsel $200.00; Town Clerk $350.00; Election and Registration $400.00; was defeated by a vote of Yes 40; No 70.

Voted that the sum of $6,415.00 be appropriated for General Government to be divided as follows: Selectmen $500.00; State Census $200.00; Liquor License Expense 100.00; Town Accountant $815.00; Town Treasurer $850.00; Assessors $1,200.00; Publishing of Town Valuation $400.00; Tax Collector $1,400.00; Town Counsel $200.00; Town Clerk $350.00; Election and Registration $400.00.

2. A motion that the sum of $2,000.00 be appropriated for the Town Hall was lost by a vote of Yes 48; No 60.

Voted that the sum of $1,600.00 be apropriated for the Town Hall.

3. Voted that the sum of $2,950.00 be appropriated for the Police Department.

Voted that the sum of $150.00 be appropriated for marking streets.

4. Voted that the sum of $3,000.00 be apporpriated for the Fire Department.

A motion that the sum of $300.00 be appropriated for installing a fire alarm system in the local central telephone exchange and that the Selectmen act as a Committee with the Fire Engineers on installing the same, was lost.

5. A motion that the sum of $3,440.00 be appropriated for Hydrants was lost by a vote of Yes 41; No 48.

Voted that the sum of $2,150.00 be appropriated for Hydrants.

6. Voted that the sum of $125.00 be appropriated for the Sealer of Weights and Measures.

7. Voted that the sum of $80.00 be appropriated to defray the compensation and expenses of the Fish and Game Warden.

8. Voted that the sum of $750.00 be appropriated to defray the expenses of fighting Forest Fires.

9. Voted that the sum of $75.00 be appropriated to defray the expenses of the Maintenance of the Town Forest.

10. Voted that the sum of $300.00 be appropriated to defray the expenses of the Tree Warden.

11. A motion that the sum of $1,776.50 be appropriated to defray the expenses of the Moth Department was lost by a unanimous vote.

Voted that the sum of $350.00 be appropriated to defray the expenses of the Moth Department.

12. Voted that the sum of $4,950.00 be appropriated to defray the expenses of the Health Department; $375.00 of this amount to be used to pay the expense of milk furnished underweight and undernourished children.

13. Voted that the sum of $150.00 be appropriated to defray the compensation and expenses of the Cattle Inspector.

14. Voted that the sum of $5000.00 be appropriated for the Maintenance of the existing State and County Roads on condition that like amounts be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $1,500.00 be appropriated for Repairs on the Tyngsboro Road on condition that like amounts or

more be contributed by the State and County respectively to be used in conjunction therewith.

. Voted to take up the item of Town Roads and Snow and Ice Removal separately.

. Voted 60 to 34 that the sum of $12,000.00 be appropriated for Town Roads.

. Voted that the sum of $7,500.00 be appropriated for Snow and Ice Removal.

. Voted that the sum of $5,500.00 be appropriated to defray the Town's share of E. R. A. expenses.

. Voted to take up Article 8 before taking action under Item 15 of Article 3.

8. Voted that the Welfare Board be authorized to investigate the present conditions at the Infirmary and by either letting or making other arrangements reduce the cost of maintaining the Infirmary to the Town.

3. 15. Voted that the sum of $23,000.00 be appropriated for the Welfare Department to be divided as follows: Welfare Department Expenses $18,100.00; Old Age Assistance Expenses $4,900.00.

16. Voted that the sum of $4,800.00 be appropriated for Soldiers' Benefits.

17. A motion that the appropriation for the School Department be made under the headings as listed on page 94 of the Finance Committee's Report with a separate motion and vote for each was lost by a vote of Yes 28; No 72.

. Voted that the sum of $66,000.00 be appropriated for the School Department, this sum to include the expenses of reshingling the Sargent School.

18. Voted that the sum of $2,500.00 be appropriated for Vocational Tuition.

19. Voted that the sum of $1,800.00 and the receipts from Dog Licenses in 1934 be appropriated for the expenses of the Public Library.

20. Voted that the sum of $175.00 be appropriated for the Care of the Common.

21. Voted that the sum of $250.00 be appropriated to defray the expenses of Commemorating Memorial Day.

22. Voted that the sum of $600.00 be appropriated to defray the expenses of publishing and distributing the Town Reports.

23. Voted that the sum of $1,500.00 be appropriated for Liability Insurance.

24. Voted that the sum of $1,000.00 be appropriated for the Care of Cemeteries.

25. Voted that the sum of $7,500.00 be appropriated for General Loans.

26. Voted that the sum of $2,805.00 be appropriated for Interest on General Loans.

27. Voted that the sum of $1,500.00 be appropriated for Interest on Revenue Loans.

28. Voted that the sum of $6,000.00 be appropriated for Street Lights.

29. Voted that the sum of $4,500.00 be appropriated for Fire Insurance.

30. Voted that the sum of $3,000.00 be appropriated in accordance with the provisions of Section 6 of Chapter 40, General Laws, as a Reserve Fund.

31. Voted that the sum of $622.25 be appropriated for Overdrafts of 1934, to be divided as follows: Fire Department $580.83; Town Treasurer $41.42.

32. Voted that the sum of $1,430.52 be appropriated for Bills Outstanding December 31, 1934, to be divided as follows: Snow and Ice Removal $13.65; Town Clerk $38.00; Assessors $22.50; Care of Common $23.59; Welfare Department $1,125.36; Soldiers' Benefits $131.42; Health Department $76.00.

4. Voted that the sum of $10.00 be appropriated for Demonstration Work in Agriculture and Home Economics and a Director be elected under the provisions of Section 40-45 of Chapter 128 of the General Laws. John A. Kimball was elected Director.

5. Voted that the Town allow damages to John Psarias occasioned by the relocation of the Tyngsboro Road and further that the sum of $150.00 be appropriated to cover the same.

6. Voted unanimously that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1935, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

7. Voted that the sum of $1,000.00, this being the Town's share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Acts of 1932, bonds maturing in 1935, be appropriated, and that a further sum of $318.75 be appropriated on account of

interest and other charges on account thereof; that a further sum of $548.72 be appropriated for the Town's share of the net cost of care, maintenance and repairs of the Middlesex County Hospital including interest on temporary notes issued therefor, in accordance with Sections of Chapter 111 of the General Laws applicable thereto.

9. Voted to accept the minutes of the meeting.

10. Voted to dissolve the meeting.

CHARLES L. HILDRETH
Town Clerk.

REPORT OF SELECTMEN

Citizens of Westford:

We refer you to the Highway Superintendent's report for details of the work accomplished on the highways.

The trucking for the highway and E. R. A. work was divided among the seventeen truck owners in Westford who applied.

The Tyngsboro Road was completed to the Tyngsboro town line. In completing the work it was necessary to obtain an additional allotment from the State and County, and we are appreciative of their favorable consideration of our request.

The State did not grant us the usual allotment for Chapter 90 maintenance. in fact we received a 33% cut, and this of course carried the same reduction in the County and our own appropriation.

We received an allotment under the new State Bond issue and with approval of the State Public Works Department started the reconstruction of Pine Street. The work will be finished in the spring.

The street has been widened and a drainage system installed and when completed a long needed improvement will have been accomplished.

A notice has been received of an allotment of Federal money to be used for improvement of "Farm to Market Roads."

The money will be spent under the direction of the State Engineering Department.

For the coming year we are asking for the usual allotments under Chapter 90 and Chapter 81.

The Accounts of the Town were audited by the State Division of Accounts. Owing to the length of the report submitted we are not printing it in full but present herewith a summary of the work which is a copy of the Balance Sheet submitted.

Any citizen desiring to read the report may do so as a copy will be on file at the Selectmen's Office.

We call your attention to the report of the Police Department.

Respectfully submitted,

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
W. OTIS DAY,
Selectmen of Westford.

REPORT OF HIGHWAY DEPARTMENT

The following is the annual report of the Highway Department for the year ending December 31, 1935.

Chapter 81, and General Highway Maintenance

During the year the usual maintenance was carried out in such a manner as to serve every portion of the Town.

My attention was especially directed toward a further extension of our gravel and oil road system, which has been increasing each year until now a comparatively few miles of dirt road remain. The sooner all the dirt roads in the Town are graveled and oiled, the better it will be because this reduces Maintenance to a minimum, and gives an excellent riding surface, and are much safer in general, because it permits a speedy removal of snow during the winter months.

Among the additions to our list of gravelled and oiled roads during 1935 are:

Leland Road—from Whitneys Hill to Main Street.
Providence Road—from Main St., to State Road at Nixons.
Chamberlain Road—Chamberlain Corner to Chelmsford Line.
Howard Road—from Littleton Line to Concord Road.
Gould Road—from Gould Hill to Tyngsboro Line.
Plain Road—from Reginers to Nabnassett School.
Nutting Road—from Plain Road to Nuttings Cemetery.

Several new Culverts and Catch Basins were installed; corregated iron coated pipe was used.

All the dirt roads with few exceptions were scraped and others were improved.

Roads which had been broken up in various places, after the winter months, were re-shaped and then given a coat of tar.

Special Appropriations—Pine Street.

The specifications call for drainage and a 24 ft. gravel road. A trench was dug along the northerly side of the highway, and twelve inch pipe plain concrete, open joint pipe line, constructed to care for excessive water which has been so prevalent along this stretch of road. Ten catch basins were necessarily constructed.

Work was commenced in November and on December 28, practically all the graveling was completed, except about two hundred feet at one end where excavation is necessary, and this will be done in the spring.

Chapter 90, Maintenance

This appropration which provides for the maintenance of all chapter 90 highways in the Town, again proved itself a great value in keeping these routes in excellent shape.

Among the items covered by this allotment are patching, resurfacing, dragging shoulders, maintenance of guard rails. Drainage systems and culverts are taken care of.

The Tyngsboro road was completed from the residence of Mr. Carr to the Tyngsboro Line.

This now completes the rebuilding of the entire length of the Tyngsboro road from Westford Depot to Riley's Grove, Tyngsboro.

The following is the amount of gravel and sand used on all roads during 1935.

Gravel—15,226 Cubic yards or 7,613 loads.

Sand—4,240 Cubic yards or 2,120 loads.

Respectively submitted,

AUSTIN HEALY

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen
Westford, Massachusetts

Gentlemen:

I herewith submit my report for the year 1935 for the Police Department.

Report to the Department of Correction has been made.

REPORT OF TOWN ACCOUNTANT

To the Honorable Board of Selectmen and the Citizens of Westford:

I herewith present the Annual Report of the Town Accountant in accordance with the General Laws, with other Financial matters that may be of general interest.

I wish to remind the public that all books are open to the public for inspection at any time.

If there is any part that is not clear to the reader the Accountant will explain the same on request.

All transfers from the Reserve Fund shown in this report were authorized by the Finance Committee.

HAROLD W. HILDRETH,
Town Accountant

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF CORPORATIONS AND TAXATION

Division of Accounts

State House, Boston, Mass.
January 6, 1936.

To the Board of Selectmen,
Mr. William R. Taylor, Chairman,
Westford, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the Town of Westford for the period from May 11, 1932, to October 16, 1935, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,
Director of Accounts.

TNW:EC

TOWN OF WESTFORD

REPORT OF THE TREE WARDEN

As usual, my work has been removing dead trees from the roadside and removing dead limbs from them. I would suggest that some maple trees be set out on Depot Street. The money to be taken from the income of the Whitney Fund.

I would suggest the sum of $400.00 be appropriated this year to carry on the work.

Respectfully submitted,

HARRY L. NESMITH
Tree Warden.

REPORT OF THE FOREST WARDEN

The year 1935 proved to be a bad year for forest fires, having fifty seven in all, some of which were very small, others large. The one at Nabnassett being the worst fire for years.

I have issued two hundred fire permits.

I would suggest the sum of $1,000.00 be appropriated this year to care for this work.

Respectfully submitted,

HARRY L. NESMITH
Forest Warden.

REPORT OF
SEALER OF WEIGHTS AND MEASURES

As Sealer of Weights and Measures for the Town of Westford, I submit the following report for the year of 1935:

Number of Platform Scales over 5,000 pounds	3

BOARD OF HEALTH

Report of the Board of Health

The Board of Health submits the following report for the year ending December 31, 1935.

The health department feels elated over the results of the Toxin and Antitoxin Administration to the people of the community. Most of the people have taken advantage of the opportunity to immunize their children from diphtheria in the clinics sponsored by the department both in the schools and by the Pre-School Clinics. One family now residing in Lowell had diphtheria among their children, and by report of the father the only one evading the disease was one who received immunization while living in Westford. There has not been a case reported to Westford clinically diagnosed as diphtheria since the department started this immunization about seven years ago.

We feel pleased by being able to say that all milk produced and delivered are from tuberculin tested cows and we now have a one hundred per cent area. It will be noted in the nurse's report that quite a number of our school children have the advantage of the milk distributed by the board and it has shown results and been greatly appreciated by the children and their parents.

The Dental clinic is patronized freely but more improvement in this line can be made by the parents taking advantage of this opportunity and thereby helping the endeavors of the dentist and the department in the children's welfare.

The tuberculosis clinics are now being done by the Middlesex Sanatorium of Waltham in conjunction with the board of health. The clinics show improvement in the children and the endeavors of the Middlesex County Sanatorium are greatly appreciated by our board.

Contagious and infectious diseases could be kept down by more cooperation from the heads of the families at various times. This condition is kept in control by the vigilence of the health department and the very good follow-up work of the Health Nurse at the homes of the school children.

Sorry to say we had some rabies from dogs and cats and those afflicted were disposed of or cared for and the people given the antirabies serum. This treatment and serum is refunded to the town by the County of Middlesex paying for both serum and treatment.

The Board of Health has returned to the town their usual unexpended balance.

Following this report is the report of the Public Health Nurse who has performed her various duties in a most conscientious and satisfactory manner.

Respectfully submitted,
CYRIL A. BLANEY, Chairman,
OLIVER A. REEVES, Secretary,
ISAAC L. HALL,
Board of Health.

PUBLIC HEALTH NURSE

January 10, 1936.

C. A. Blaney, M. D.
Chairman, Board of Health
Westford, Massachusetts

Dear Sir:

Following is the report of the Public Health Nurse from January 1 to December 31, 1935:

Absentees from school visited in their homes	211
Children taken home from school because of illness	18
Child Welfare Visits for Corrective Work	124
Contagious Disease Cases Visited	97
School children taken to Dental Clinic	298
Dressings and First Aid	34
Home Visits	95
Nursing Visits	97
Assisted at Partuition	3
Administered Anesthesia	4
Public Health Meetings	3
To Memorial Hospital, Ayer, for X-rays	4
To Hospital for Tonsil and Adenoid Operations	10
To Lowell General Hospital Pediatric Clinic	4

REPORT OF THE BOARD OF PUBLIC WELFARE FOR 1935

The Board of Public Welfare was organized for the Year 1935 with its newly-elected member, Mr. Harry M. Ingalls, Mr. Arthur W. Whitley, Chairman, and Thomas P. Cosgrove, Secretary. They have at all times tried to perform their duties concientiously and if any misunderstandings have arisen, they are willing and even anxious that your real or fancied grievance be brought before them.

This year the Welfare Department spent a sum which was approximately $2,000.00 less than in 1934. The reason for the reduction being the steady employment in the mills, and the valuable aid given through the E. R. A. Twenty-four families were taken off the Welfare rolls through employment on the E. R. A. projects, and all but the unemployable and those not eligible remain, which on December 31 was twenty-nine families. The Civilian Conservation Corps has accepted twelve of our young men, which certainly aided the situation, and likewise the boys who joined the Corps.

The Canning Project of the E. R. A. has been another asset from the standpoint of labor and commodities. The canning of more than 23,000 cans speaks well for the winter's supply of foodstuffs, and which is being distributed to all deserving families, together with meats, vegetables and clothing received through the Surplus Commodities Department.

The Old Age Assistance is steadily growing, owing to the policies modified by the Legislature during the past year. Because of the reduction of the time of residence within the state, the number of applicants have just about doubled, and in the future the number surely will be increased. As heretofore, children who possibly can, will be obliged to support their parents and should not expect to be aided in this way. The Old Age Assistance is for deserving citizens over seventy years of age who are in need of relief and support, and the Board will use their best judgement in the matter.

The painting of the Infirmary was another project which filled a much needed want. The outside now is attractive, and the inside, as usual, is neat, clean and comfortable. The inmates are well cared for and they appreciate their surroundings and care. The farm this year, owing to the canning projects operating so much of the tillable land, did not raise as much produce as usual, only what was required at the Infirmary for their own supply. They centered more on receipts from other sources which would reduce the net expenses of the farm, and while they only had approximately eight months of the year to work it out, the Board feels that it was a very excellent start, and that next year will see much further reduction.

REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN WESTFORD FOR THE YEAR 1935

With the dairy farmers, marketing problems have been uppermost The Extension Service has assisted individual farmers and cooperated with farm committees in an attempt to bring about better marketing conditions. Help has been given on herd management and suggestions made on better feeding practices.

Poultrymen have been helped on disease problems, poultry house ventilation, and range management. Farmers have helped to solve their own market problems by getting together to sell eggs cooperatively in the Regional Market at West Cambridge. They have organized the Massachusetts Poultry Producers' Cooperative. W. Otis Day has been active in this work and is a member of the Board of Directors.

Post card warnings of the right time to apply sprays to the apple orchards have been sent to fourteen farmers in the town. Personal assistance has been given to forty-one farmers with their fruit problems.

During the past year Westford received an honor which seldom comes to any town in the state. A representative was sent to the National 4-H Club Congress at Chicago for a week. Priscilla Knowlton was one of the four girls to represent Massachusetts. Priscilla has done excellent canning over a period of six years, as well as making many of her own clothes. During the past two years she has acted as local leader for a neighborhood club of smaller girls for clothing and canning.

Handicraft, clothing, and food projects were carried on during club hour at the Sargent, Cameron, and Nabnassett schools. Mr. Clarence Mann conducted a 4-H garden club at the Center and Mr. Clyde Prescott one at Chamberlain's Corner.

Homemakers of Chamberlain's Corner held monthly meetings under local leadership for those interested in Home Grounds Improvement and clothing.

JOHN KIMBALL.
Director.

REPORT OF FISH AND GAME WARDEN

Westford, Mass., January 1, 1936.

To the Citizens of Westford:

I submit the following report as Fish and Game Warden for the year 1935.

In going over the usual route I find everything as usual with the exception of small birds and song birds; they are getting more scarce every year. There are very few song birds to what there was in former years; in fact I do not see any birds where they used to come in flocks and I do not think it will be much different unless people shut up the pet cat and bird dogs in the nesting season. One cat of my neighbors has taken all the young robins out of five nests, twenty birds in all.

Partridge, woodcock, quail and pheasants have been very scarce this year; there was a small flock of ducks on the brook this summer but they disappeared quite early in the season. I have seen no agrets for two or three years. I have received four carrier pigeons that were picked up in the village, also one woodcock and I kept them until they could fly.

I have seen no deer but received a report of a small herd just over the Town line. We have a lot of Gray squirrels but no Snow Shoe rabbits; there are some Gray ones, in fact Gray rabbits do quite a lot of damage to ground trees. The Snow Shoe rabbits do not seem to like this section as I have put out a lot formerly but never see them again. This has happened so many times that I think it is useless to put out any more. I get reports of foxes but there are not many taken.

Most of our fishermen have good luck. I have seen some fine trout taken from one of the brooks. All of the ponds have been stocked with Pond fish, and the brooks with trout.

We have a lot of land here that is posted; if people post their land they should not give certain people the privilege to hunt on it. We sometimes meet people that are hunting and fishing on posted land and then we find out that the owner has given them permission to hunt or fish on their land; and another thing, there are some people who make a complaint of someone hunting on their land and doing something illegal and after the Warden has worked on the case for some time they get lazy and will not appear in Court against them and the Warden is blamed because he let the case drop. You cannot convict a man on hearsay evidence. If anyone wants to help the good

cause, just tell the Warden about the case and it will be attended to at once; let him know what it is and he will attend to it. I have a telephone 42-5. No one will know where the complaint came from, you will not be mentioned; but do not make a complaint and then change your mind after I have worked on it for a week.

When you go hunting be sure you shut the gates or put up the bars and put back the stones you knocked off the wall. Do not imagine because you have a license that it gives you the right to fill the farmer's signs at the side of his building with shot. Remember you do not own the land you are hunting on.

During the year I have made forty-seven trips; saw fifty-one licenses and was on one Court case.

There have been put out two hundred and fifty pheasants, thirty quail, six thousand Pond fish, twenty-five hundred Brook trout and four hundred and fifty Rainbow trout.

In closing I wish to thank the people that have helped me through the past year in this work.

Hoping this report will meet your approval, I am,

Yours obediently,

JOE WALL,
Fish and Game Warden, Westford.

Westford, Mass., January 18th, 1936.

Middlesex ss.:

There personally appeared, William R. Taylor, and made oath that the above is a true statement of the cost of construction of the Westford Water Company to January 1, 1936, and of the Receipts and Expenditures from January 1, 1935, to January 1, 1936, before me, this 18th day of January, 1936.

PERRY T. SNOW, Notary Public.

My Commission Expires Feb. 11, 1938.

REPORT OF FIRE ENGINEERS

The Board of Fire Engineers submit the following report for the year ending December 31, 1935.

The Companies have responded to 30 fires other than forest fires; 10 Buildings, 14 Chimneys, 4 Autos, 1 Oil Burner and 1 Truck.

The following is a list of the buildings where damage occurred:

Jan. —House of Mrs. McClellen.
Mar. 25—Graniteville Foundry.
July 30—House and Barn of Fred Griffin.
Oct. —Garage of Joseph Cornell.
Dec. 8—House of Clyde Prescott.
Dec. 21—House of Burchtold.

The Engineers recommend that the sum of $3,000.00 be raised to meet the expenses of the department for the coming year.

ALONZO H. SUTHERLAND
ALFRED T. W. PRINN
JOHN EDWARDS
Board of Fire Engineers.

REPORT OF FINANCE COMMITTEE

The Finance Committee has held its customary meetings and given careful consideration to the requests made by the officers in charge of the various departments of the Town Government and recommended the appropriations of the various sums as tabulated below:

		8,000.00
Amount to be raised by taxation		$129,787.82
Valuation of Town for 1935		$3,948,135.00

*Estimated

Relative to the article for additional street lights, this committee does not approve of additional street lights at this time.

Relative to the article for additional hydrants, as there is no pipe on North street, we cannot recommend additional hydrants.

Relative to the articles on the appropriation of money for the Town's share on W. P. A. projects, this committee approves the appropriation of $4,000.00 to complete the projects in operation and those eminently in prospect. The appropriation of money for further projects we have left to the discretion of the voters of the town.

Relative to the appropriation for hydrants, the present rates are inadequate for the proper operation of the company as heretofore. The Westford Water Co. is therefore asking for an increase over last year.

If the recommendation of the budget is followed, plus the appropriations for additional W. P. A. projects, Band Concerts, the increase for Hydrants and the same returns come from the state and county, the tax rate will not be over $35.00 per thousand.

Respectfully submitted,

JULIAN A. CAMERON,
OSCAR R. SPALDING,
FRANK L. FURBUSH,
P. HENRY HARRINGTON,
WILLIAM E. WRIGHT,
ROBERT PRESCOTT,
Finance Committee.

TOWN OF WESTFORD
WARRANT

COMMONWEALTH OF MASSACHUSETTS

To the Constable of the Town of Westford in said County:

GREETINGS:

You are hereby required, in the name of the Commonwealth aforesaid, to notify and warn all the inhabitants of said Town, qualified to vote in elections and also in Town affairs, to meet at their several polling places, viz.:

Precinct 1. Town Hall, Westford Centre.
Precinct 1. Abbot's Hall, Graniteville.
Precinct 3. Abbot's Hall, Brookside.
Precinct 4. Abbot's Hall, Forge Village.

MONDAY, FEBRUARY 10, 1936

being the Second Monday in said month, at 12:00 o'clock noon for the following purposes:

To bring in their votes for the following officers:

For Three Years

Town Clerk
One Selectman
One Member of Board of Public Welfare
One Assessor
Two Members of the School Committee
One Member Board of Cemetery Commissioners
One Trustee of Public Library
One Member of Board of Health

For One Year

Moderator
Town Treasurer
Collector of Taxes
Constable
Tree Warden
One Member Board of Cemetery Commissioners
(To fill vacancy)

The polls will be open from 12:00 o'clock noon to 8 P. M., and to meet in the Town Hall at Westford Centre on the following

at 1.00 o'clock in the afternoon, then and there to act on the following articles, viz.:

1st. To hear the reports of the Finance Committee, other Committees, Boards and Officers.

2nd. To determine the salary and compensation of elected Officers and such Officers and Officials as provided by law.

3rd. To appropriate money to meet the cost and expenses of the following departments, officers and purposes:

1. General Government.
2. Town Hall.
3. Police Department.
4. Fire Department.
5. Hydrants.
6. Sealer of Weights and Measures.
7. Fish and Game Warden.
8. Forest Fires.
9. Town Forest.
10. Tree Warden.
11. Moth Department.
12. Health Department.
13. Cattle Inspector.
14. Highway Purposes.
15. Board of Public Welfare.
16. Soldiers' Benefits.
17. School Department.
18. Vocational Tuition.
19. Public Library.
20. Care of Common.
21. Commemoration of Memorial Day.
22. Publishing of Town Reports.
23. Liability Insurance.
24. Fire Insurance.
25. Cemetery Commissioners.
26. General Loans.
27. Interest on General Loans.
28. Interest on Revenue Loans.
29. Electric Lights.
30. Reserve Fund.
31. Overdrafts of 1935.
32. Bills outstanding December 31, 1935.

4th. To see if the Town will appropriate $10.00 and elect a Director under the provisions of Section 40-45 of Chapter 128 of the General Laws as amended by Section 166 of the Acts of 1932.

5th. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17 of Chapter 44 of the General Laws.

6th. To see if the Town will appropriate a sum sufficient to pay the County of Middlesex as required by Law on account of assessments levied on the Town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932, bonds maturing in 1936, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the Town's share of the cost and interest on said bonds due in 1936, also for the care, maintenance and repair of said hospital for 1935, and including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto, and for all other expenses in connection therewith, determine how money shall be raised, or in any way act thereon.

7th. To see if the Town will vote to appropriate $400.00 for Band Concerts for the current year.

8th. To see if the Town will vote to request the Selectmen, in the hiring of trucks for highway purposes, to limit the number of trucks to one person or company, provided that an adequate number can be obtained by this method.

9th. To see if the Town will vote to install additional street lights as follows:

One on the Boston Road near the residence of Edwin B. Currier.

One at the junction of the Forge Village Road and Patten Road.

One at the culvert on the Patten Road.

One on the Lowell Road in extension of the present lighting system.

10th. To see if the Town will vote to install two additional hydrants on North Street in extension of the existing hydrants.

11th. To see if the Town will vote to accept as a gift the deed from Bertha A. Williams of land as an addition to the schoolhouse lot at Brookside.

12th. To choose a member of the Committee in charge of the Whitney Playground to fill a vacancy.

13th. To see if the Town will vote to accept the devise of land as given under the following clause in the will of Martina A. Gage, late of Lowell, deceased testate.

"I give, devise and bequeath all my real estate situated outside of Lowell to the city or town in which the same may be located."

14th. To appropriate money to meet the expenses incurred in connection with W. P. A. or other similar projects.

15th. To see if the Town will appropriate money to meet expenses to be incurred in connection with any future W. P. A., or other similar projects.

16th. To see if the Town will vote to enlarge Fairview Cemetery by acquiring the land bounded on the east and south by the cemetery, on the north by Main Street, and on the west by Tadmuck Road; such acquisition to be by purchase if the circumstance relative to price and the right and willingness of the owner to convey the same warrant. Otherwise, to see if the Selectmen will be authorized to make written petition to the County Commissioners to take the same, and make appropriation therefor.

17th. To see if the Town will vote to enter into a contract with the Westford Water Company for water service during a definite period of time, and act in relation to the same.

18th. To see if the Town will vote to accept the provisions of Section 97 of Chapter 41 of the General Laws relative to the appointment of a Chief of Police and the establishment of a Police Department by the Board of Selectmen.

19th. To see if the Town will vote to authorize the Board of Selectmen to introduce on its behalf a bill in the General Court providing for the placing of the Chief of Police of the Town of Westford under the jurisdiction of the Civil Service laws.

20th. To see if the Town will vote to accept the legacy under the will of Albert E. Prescott for the benefit of the J. V. Fletcher Library, and authorize the Town Treasurer or other officials to receive and receipt for the same and assent on behalf of the Town to the account of the executor of the will of said deceased.

And you are directed to serve this warrant by posting up true and attested copies thereof at the Town Hall and each Post Office in said Westford, seven days at least before the time of holding said meeting.

Hereof fail not, and make return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of holding the first meeting aforesaid.

Given under our hands this thirtieth day of January, in the year of our Lord 1936.

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
W. OTIS DAY,
Selectmen of Westford.

REPORT OF THE SCHOOL COMMITTEE

January 1, 1936.

To the Citizens of Westford:

I herewith submit my annual report as Chairman of the School Committee for the year 1935.

There was one change in the membership of our committee. Mr. Edmund Whitney was elected to fill the vacancy caused by the retirement of Mrs. Olive Heathcote. At our first meeting we organized. Mr. Edward Buckingham was re-elected as chairman, and Mr. George Gibbons as secretary. The building committee was enlarged to include the following members: Mr. Buckingham, Mr. Gibbons, Mr. Forty, and Mr. Whitney.

The function of the building committee, which has been in existence for three years, is to investigate all conditions where major repairs on school property seem to be needed, and to make its recommendations to the School Board. The Board in turn votes its approval or disapproval at regular or special meetings. Every job let out has been authorized by a vote of the School Committee.

At the annual Town Meeting the citizens voted us $66,000.00 in a lump sum as recommended by the Finance Committee. This was about $500.00 less than the amount appropriated the preceding year, and seemed to be a very small allowance with which to meet our needs since the prices of materials are steadily advancing. Although our old buildings and equipment are continually requiring repairs, we have made only the necessary and the most urgent ones in an endeavor to keep within our budget. This we have been able to do, and we have $1,322.32 left to apply to the credit of the Town for 1936.

The new transportation routes that we started last year have been working very satisfactorily. We feel that we are now furnishing better transportation than most towns, and at a great saving over our previous arrangements.

After much consideration we have decided to ask the sum of $65,000.00 to maintain our public schools for 1936. We hope to be able to keep within this amount and, if possible, to turn back some money as we have done this year.

Our tuition bill from the Vocational School will be between $2,000 and $2,500. We therefore request the sum of $2,500 for vocational tuition for the coming year.

Respectfully submitted,

EDWARD C. BUCKINGHAM
Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 1, 1936.

To the School Committee.

I herewith submit for your consideration my fourth annual report of the Westford Schools, which covers the fiscal year 1935. This report includes those of my colleagues, and the usual statistical data.

We started this fiscal year with many burdens resulting from the segregated budget of 1934. Our present unified budget was approved by the Finance Committee on condition that we should reshingle the Sargent School roof. This we have done, and we are happy to turn back $1,322.32 to the taxpayers.

The mild weather this fall has made is possible for us to keep within our estimate of the amount needed for procuring fuel. Otherwise, we could not have done so, as the price of coal has advanced steadily since that estimate was made. We must now pay about one dollar a ton more than in 1935, and will, therefore, require a larger allowance for this purpose during the coming year.

Our enrollment in September was below normal because of an epidemic of children's diseases at that time. By October first most of those absent on account of sickness had returned to school. The following figures show the comparative enrollment of the various buildings in 1934 and 1935:

	1934	1935
Academy	192	199
Frost	137	140
Cameron	217	213
Sargent	198	182
Nabnassett	62	49

Membership in the upper grades was smaller than anticipated because many of our prospective pupils had taken advantage of the opportunity to work at the mills, where employment could be obtained. The French School in Lowell continued to attract several from the lower grades.

The following changes were made on our teaching staff:

Mr. Frederick Delaney was appointed to fill the vacancy caused by the resignation of Mr. Reginald Steeves.

Mr. Chester V. Sweatt was moved from the eighth grade to the Academy faculty to fill the vacancy caused by the resignation of Mr. Ernest V. Knapman.

Miss Virginia Rogers was appointed as coach for the Academy girls, and teacher of Grade VIII in place of Mr. Sweatt.

Mr. John Timon was appointed to fill the vacancy caused by the resignation of Miss Evelyn Pickard.

Miss Ethel Tewksbury was appointed to fill the vacancy caused by the resignation of Miss Dorothy Vincent.

Miss Lilly Mae Moran was appointed as part time music supervisor.

The book situation in our schools is deplorable. Many of our texts are out of date, and most of them are in very poor condition. This year we have made some progress in our efforts to bring about an improvement in the upper elementary grades. Lack of funds has prevented us from going further. We have put in new general science books in Grades VII and VIII, and new histories and geographies in Grades VI, VII, and VIII. As we replace our old books, we are endeavoring to revamp our courses of study in each subject in accordance with the latest ideas. Some of our new purchases have not yet been given out to the pupils, since the shipments did not arrive until the Christmas vacation. We were unable to secure them earlier in the fall, as we were not certain just how much money would be available from our budget. We hope that next year more funds will be provided with which to continue this necessary replacement.

There has been an increasing demand by educational institutions and employment agencies for the intelligence quotient of pupils who register with them. This information is not available in Westford, as the testing program was dropped three years ago in order to meet the cut in our budget. This fall through the co-operation of the Boston University School of Education we have given tests in Grades V, VI, VII, and VIII. As soon as the results have been tabulated and returned to us, we are planning to have the scores recorded and attached to the permanent record cards in our files, where they may be consulted when the need arises.

Achievement tests are also being given in these grades in reading and in arithmetic processes. The results of these tests will help to guide us in locating the individual pupil's weakness in these subjects.

About three years ago we were forced to abolish the position of Music Supervisor. Since then some instruction in music has been given by the teachers, but as this arrangement proved very unsatisfactory in most cases, the School Committee decided to hire a supervisor for two days a week. Miss Lilly Mae Moran, who once attended the Westford schools, was engaged to fill the position. As

she has been in our employ only one month, she has not been asked to write a report for publication at this time. However, she seems to be making considerable progress.

The nursery schools that were started last year as part of the W. P. A. program were continued through June with an attendance of 35 pupils. Miss Priscilla Wright and Mrs. Evelyn Rossi were employed as teachers. This fall we have been unable to get these projects under way because of changes in Federal regulations and much red tape. However, we have been promised full time employment of three individuals for every thirty pupils enrolled. With the survey of the town not yet completed, we are practically assured of a membership of more than seventy-five children. Instruction in these classes has thus far cost the town nothing. A small room in the Frost building was used for one group, and a suitable room at Forge Village, generously provided by the Abbot Worsted Company was used for the second. Under new restrictions issued by the government this fall, we shall be unable to use the room in the Frost school again, and it will become necessary for the Town to provide a larger one, if the first group is to be accommodated. We hope that we shall be able to obtain a suitable room in Forge Village for the second.

Our school physician, Dr. Cowles, with the assistance of the town nurse has given every child the annual physical examination. He has also examined all athletes in the Academy in order to determine their fitness to participate in school games. The doctor has given freely of his time in performing his duties. It is gratifying to know that more parents than before appreciate his careful attention to each child's throat, lungs, and heart, and that they are doing more follow-up work. This is bound to improve the general health of our pupils. Since free milk and suitable clothing are offered to the needy, there is no reason for any school child's suffering. The local Red Cross unit, the Welfare Department, and other organizations have taken care of all needy cases reported in the past, and stand ready to give similar aid in the future.

Christmas parties were held in the various school buildings with the assistance of liberal gifts from the Abbot Worsted Company and the C. G. Sargent Sons, Incorporated. Gifts of toys and candy were distributed as usual. It is encouraging to note that much interest was shown this year by the parents, many of whom attended the exercises. It is hoped that an even larger number will attend next year.

Three roofing problems have arisen during the year. They have been taken care of as follows:

A roofer was engaged to stop several leaks at the Academy. His workmen located the places where slates were missing and broken.

They also found it nesessary to replace the copper valleys which had been punctured by falling slates and chafed through by loose ones. New shingles were put on the sides of the auditorium where the old ones had fallen off.

The roof of the Cameron School has been leaking for a number of years. Roofers have patched the improperly laid valleys several times, but with only temporary success. The conditions grew so bad that there were more leaks than there were pails available in which to catch the water from them. Consequently several ceilings were damaged. This situation has been remedied by installing new copper valleys. The roofers, while making the repairs, reported that the short, cheap shingles in one section had nearly outlived their usefulness, and would last only about two years more.

In accordance with our promise to the Finance Committee, the main roof of the Sargent School has be recovered. The old wooden shingles have been replaced by fire resisting ones which should last for about twenty years. While the staging was in place, it was decided to repair the gutters that had rotted through at several points.

The coils in the ventilating shafts at the Sargent School were replaced by new ones made up at the C. G. Sargent Sons, Inc., of Graniteville. These coils are so designed that is should be impossible for water formed by condensing steam to remain in them. We also had larger return pipes installed as we felt that the old ones were too small.

The outside doors at the Frost School have been in bad condition for some time. We have made several efforts to repair them, but without any permanent results. They finally reached the point where they could not be opened or locked without a great deal of difficulty. It therefore became necessary to replace them. The new front doors are equipped with small lights of glass that permit better outside supervision. It is also now possible for a pupil to stay indoors while watching for the conveyance that is to carry him home.

During the summer months we had the driveways tarred at the Academy and at Sargent and Cameron Schools. As the cost of this undertaking was higher than we had anticipated, we were unable to complete the work at the Cameron building. There still remains considerable tarring that should be done at the Frost and Nabnassett Schools.

In addition to the further purchase of books, the following recommendations for repairs and improvements are suggested:

1. That the tarring of our school walks and driveways be finished.

2. That all iron fire escapes be repainted, as they are rusting badly.

3. That the playground equipment be either repaired or taken down. If it is repaired, it will be necessary to replace the planks on nearly all of the see-saws and the wooden seats on the swings, to repair or replace some of the iron fixtures, and to paint everything.

4. That the roof on Nabnassett school be repaired. Its present leaky condition seems to be due to the fact that it has sunk in the center so that the water does not run off. In order to correct this, it may be necessary to remove the present roof and relay it.

5. That the windows and fire door at Nabnassett School be weatherstripped.

6. That the dilapidated shades in the Frost School be replaced by new modern shades.

7. That the return pipes in the heating systems at the Sargent School be replaced, as they have been standing full of water for years and are showing signs of rusting through in places. One section rusted through and burst over a year ago. If another break should occur, it might result in serious damage to the boiler if not discovered in time.

In closing my report, I wish to express my appreciation for the many hours which the Committee have given to the problems of the schools, and to thank the teachers and all others who by their co-operation with me have shown their interest in improving conditions for both mental and physical growth of the children of Westford.

Respectfully submitted,

ROBERT W. BARCLAY
Superintendent of Schools.

REPORT OF WESTFORD ACADEMY

January 1, 1936.

Mr. Robert W. Barclay
Superintendent of Schools
Westford, Massachusetts

Dear Sir:

Following is my twenty-fourth annual report as principal of Westford Academy:

FACULTY

William C. Roudenbush	Latin
Mrs. Mary L. Robinson	English
Miss Ethel N. Caldwell	Science and Mathematics
Floyd S. Turner	French and English
Chester V. Sweatt	History
Miss Dorothy Vincent	Commercial and Secretary
John J. Timon	Commercial
Frederick Delaney	Science and Mathematics
Miss Virginia Rogers	Eighth Grade

Mr. Ernest V. Knapman, Mr. Reginald V. T. Steeves and Miss Evelyn H. Pickard resigned last spring, and Mr. Sweatt, Mr. Timon and Mr. Delaney were elected to these vacancies.

Enrollment

	Boys	Girls	Total
Post Graduates	0	1	1
Seniors	9	15	24
Juniors	15	16	31
Sophomores	16	25	41
Freshmen	40	32	72
	80	89	169

The Freshmen include "repeaters", i. e. all those whose credits are ten or less. At least fifteen credits are required to rank as a Sophomore.

Home Room Assignments

Post Graduates and Seniors	Mr. Roudenbush
Juniors	Mrs. Robinson
Sophomore Boys	Mr. Turner
Sophomore Girls	Mr. Timon
Freshmen Boys	Mr. Sweatt

Freshmen Girls .....Miss Caldwell
Eighth Grade .....Miss Rogers

Basketball

The Academy is a member of the Wachusett Basketball League, which includes Ashby, Ayer, Groton, Lunenburg, Pepperell, Townsend and Westford.

The schedule for 1935-1936 is as follows:
December 11, 1935—Westford at Ashby.
December 13, 1935—Groton at Westford
December 20, 1935—Westford at Townsend
January 3, 1936—Ayer at Westford
January 7, 1936—Wilmington at Wilmington
(Not a league game)
January 10, 1936—Westford at Lunenburg
January 14, 1936—Pepperell at Westford.
January 17, 1936—Littleton at Littleton
(Not a league game)
January 24, 1936—Ashby at Westford
January 31, 1936—Westford at Groton
February 7, 1936—Townsend at Westford
February 11, 1936—Wilmington at Westford
(Not a league game)
February 14, 1936—Westford at Ayer
February 18, 1936—Lunenburg at Westford
February 21, 1936—Westford at Pepperell
February 28, 1936—Littleton at Westford
(Not a league game)

Coaches

Mr. Delaney—Boys' Team Miss Rogers—Girls' Team

Mr. Sweatt is faculty manager of athletics and arranges for schedules, transportation, etc.

Physical Training

Classes in physical training are held for Sophomores and Freshmen. Mr. Sweatt, Mr. Delaney and Miss Caldwell are in charge of these groups. All members of athletic teams practice after school hours under the direction of their coaches and are not included in any of the class groups.

Class Officers

	President	Vice President	Secretary	Treasurer
SENIORS	Annie Pupchick	Kenneth Da la Hoye	Annie Worobey	Everett Miller
JUNIORS	James Harrigan	Ellen Dudevoir	Irene Dudevoir	Esther Poznick
SOPHOMORES	Harry Smith	Roland Whitney	Winifred Rhodes	Austin Healy, Jr.
FRESHMEN	Henry Corey, Jr.	Ernest Benkoski	Dorothy Sargent	Dorothy Sargent

Faculty Advisers

SENIORS	Mr. Roudenbush
	Mr. Delaney
JUNIORS	Mrs. Robinson
	Mr. Timon
SOPHOMORES	Mr. Turner
	Miss Vincent
FRESHMEN	Mr. Sweatt
	Miss Caldwell

School Clubs

Membership in school clubs is voluntary. Regular attendance and application to the work of the chosen club are required. One-half a credit toward diploma is given for satisfactory work in a club. The clubs this year are: Newspaper Club, led by Mrs. Robinson; Debating Club, led by Mr. Timon; Camera Club, led by Miss Caldwell; Current Event Club, led by Mr. Sweatt.

The School Paper

Under the direction of Mrs. Robinson the Newspaper Club has continued to publish the "Clarion". The members of the staff are:

Editor-in-Chief	Barbara Curley, '36
Associate Editor	Priscilla Knowlton, '37
Business Manager	Robert Besser, '36
Assistant Business Manager	Albert Hall, '37

These persons are assisted by twenty-six students from the various classes.

Daily Program of Classes

It was found necessary this year to have a school day of eight periods, to begin earlier, shorten the noon recess, and close later. Pupils report to home rooms at 8:32 and classes begin at 8:42. Noon recess, which includes lunch time, is from 12:30 to 12:52, and afternoon classes are from 12:56 to 3:00 o'clock.

Assemblies

It is the practice this year for the whole school to gather in the assembly hall every Monday morning for the ordinary opening exercises. At this time the salute to the flag is given, and the faculty take turns conducting the exercises. From time to time during the year we hold assemblies given up to some speaker or entertainment from outside. So far we have had an illustrated lecture on birds by Mr. Talbot, Field Secretary of the Massachusetts Audubon Society; a very helpful address on the meaning and value of education by Prof. Francis X. Powers of Holy Cross; an amusing and instructive entertainment by Santini, the magician. Besides the above speakers,

Milton J. Schlagenhauf, Director of Admissions of Northeastern University, visited the school in November and spoke to the Seniors and Juniors not only on certain opportunities offered by his institution, but also on general advantages to be gained by a college training.

Scholarship

For some years the scholastic standing has been determined partly by the results of mid-year examinations which counted one-third on a pupil's final record. These particular examinations have been discontinued, and the mark is determined in the following manner:

Once a month a written test in each subject is given at the regular recitation period. This test counts one-third in the record for the month. Together with the daily work at two-thirds, the final mark for the month is thus determined. No pupil is excused from these monthly tests.

The final mark of the first semester is the average of the five months, September—January. The same rule applies to the second semester, February—June. The final mark of the year is the average of the two semesters.

The Academy Student Association

The object of this Association, organized this year, is to promote co-operative efforts in the student body with reference to common school activities and interests. The officers are: President, John Bohenko, '36; Vice President, Charles Oliver, '36; Secretary, Frank Stepinski, '37; Treasurer, Chester V. Sweatt. Any enrolled student of the Academy is eligible for membership. The dues are one dollar a year, payment of which is a prerequisite to represent the school in athletic contests; also the payment of dues entitles the member to admittance to all home contests, and the right to vote on money matters.

Social Events

Several school parties have been held since November and have contributed much to the social interests of the school. On November 22, the Junior Class sponsored a vaudeville entertainment and d nce which netted their treasury about twenty-five dollars, and gave all those who came a good time.

On December 6th, the Student Association conducted a general party for the benefit of the athletic fund, the treasury being made richer by about twenty dollars. A very pleasant event was the Christmas party held December 19th. The details of the entertainment were worked out by the Sophomore Class and included a Christmas tree with Santa Claus and distribution of gifts, stunts, dancing, etc. This party was planned partly in honor of Miss Vincent, who terminated her services of teaching in the Academy, December 20th.

Who Are Seniors, Juniors and Sophomores

For the information of the public, the following statement defines the requirements a pupil must meet to be ranked as a member of the three upper classes. To rank as a sophomore, a pupil must have completed at least 15 credits, which is the equivalent of saying that he must have passed three full-time subjects. To rank as a Junior, a pupil must have completed at least 35 credits, or seven full-time subjects. A Senior must have completed at least 55 credits, or eleven full-time subjects.

It is assumed that a pupil will complete four full-time subjects each year, making a total of 80 credits which are required for diploma.

Marking System

Report cards are given out bi-monthly marked as follows: A, 90-100; B, 80-89; C, 70-79; D, 50-69; E, below 50. The lowest passing mark is C; for certificate privilege a mark of B is required. Parents are urged to watch for these report cards the last of October, December, February, April and June. Each boy and girl receives a card, and is expected to take it home for the signature of parent or guardian. If the parent has any question regarding the ranks on these cards, he is welcome to visit the superintendent or principal who will show him the record as kept in the office files.

The Eighth Grade

It would be much to the advantage of all concerned if the eighth grade could be transferred to other quarters. They occupy an entire room which eventually will be needed to accommodate the four classes of the Academy. Their daily schedule differs from ours, and this makes for considerable confusion in and about the building. They should properly be housed with the sixth and seventh grades and thus brought under the direct discipline of the grade school principal. Such an arrangement is perhaps out of the question, but we wish to call the attention of the public to the fact that the eighth grade here at the center is in an anomalous situation which militates against effective control and proper progress.

Prizes 1935-36

GIVEN BY TRUSTEES

I. A prize of $25.00 will be given to the Sophomore or Freshman Class on June 1, 1936, on the following terms, reckoned on a 50-50 basis:

   1. To the class which has the highest average percentage of passing in all subjects. (This does not mean the highest marks.)

2. To the class which has the lowest average percentage of tardiness as recorded in the register.
   Note—Ordinary absence from school is not recorded against a class member in this contest. But absence due to major offenses against discipline resulting in suspension from school counts the equivalent of 5 tardy marks for each day of such suspension.

II. A prize of $5.00 will be given in both the Senior and Junior classes to that member who shall make the mose improvement in English over his record of last year. The award will be made June 1, 1936, and will be determined not alone on marks in the English class, but will include excellence in English usage as shown in other departments of the school curriculum.

GIVEN BY ALUMNI

I. A prize of $10.00 to that member of the school who shall excel in a public speaking contest to be held about May 1, 1936.

II. A prize of $5.00 for the second best in such contest.
   1. At least ten contestants must take part.
   2. No one who has had professional instruction is eligible. Former winners of the first prize are also excluded.

Miscellaneous

The honorary members of the Tadmuck Club from the class of 1936 are Annie Pupchick and Ruth Cooney.

We wish to thank the Trustees for allowing us an extra ten dollars to award in prizes this year. The total sum granted by the Trustees is now thirty-five dollars.

Owing to the short noon recess, pupils cannot go to the public library at that time as in the past. Provision is made whereby they are excused in rotating groups for this purpose the seventh period of Tuesdays and Thursdays.

Much credit is due the members of the school orchestra for their splendid spirit and persistence in keeping this organization alive under the handicap of lack of adult leadership. The orchestra is largely the result of work done by Mr. Steeves last year. That the young people, under one of their own members, continue to perfect themselves in their music, and play so satisfactorily for our social functions, is very gratifying, both to the faculty and to the student body.

Following is the program of the graduation excercises of June 13, 1935, which includes items of record not given in this report.

Respectfully submitted,

WILLIAM C. ROUDENBUSH,

Principal of Westford Academy.

GRADUATION EXERCISES

Assembly Hall — Westford Academy

Westford, Massachusetts

Thursday, June 13, 1935 — At 8 o'clock P. M.

Program

(Given by Massachusetts Society of Sons of the American Revolution)
Vincent George Carvalho, '35

CLASS SONG

(Tune, Moon of Desire)

Seniors today
Life is so thrilling
We are so young
Our cares are for a day
Parents so fond
Teachers enduring
We're bound to gain a way.
When we were young you made us see
That hardships mingle with joy;
Now we face the world
Your tactics we must employ.
We're out to win,
Life is not perfect,
We'll gain our place,
In the world's embrace.

—Chrystalbelle Weaver, '36

Notices

Nasal Obstruction	2
Partial Paralysis	2
Posture	1
Strabismus	1
Scrofola	1
Teeth defective	1

Respectfully submitted,

VERONICA P. MEAGHER, R.N.

REPORT OF SCHOOL PHYSICIAN

Members of the School Committee:

The following is my report as school physician for the year ending December 31, 1935.

A physical examination was made by me of all the children attending the public schools of Westford.

A re-examination was made by me of all the cases which had previously shown heart murmurs of bronchial breathing of the lungs. No cases of heart failure or active tuberculosis were present.

A special physical examination was made on a large number of students who were to enter athletic sports such as the game of basketball or baseball. Only a few were prevented from entering these sports on account of physical disability.

The rationing of milk to the undernourished and the underweights was carried on with a great improvement in the health, vigor and increased weight in the great majority of cases.

This work is carried on with the co-operation of the school nurse, teachers and the parents of the children.

Respectfully submitted,

DR. D. W. COWLES,
School Physician.

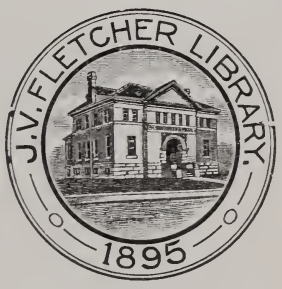
Annual Report

of the

J. V. Fletcher Library

of the

Town of Westford, Mass.



For the Year Ending December 31,

1935

REPORT OF THE TRUSTEES OF THE J. V. FLETCHER LIBRARY

January 1, 1936.

The trustees of the J. V. Fletcher library respectfully submit their annual report for 1935, including the report of the librarian and the list of books added in 1935:

The trustees ask for the following appropriation, viz.:

1. The sum of eighteen hundred dollars ($1,800.00) to meet the current expenses of the main library and its branches.

2. The receipts from the dog licenses in 1935.

3. The fines and other receipts of the library in 1935.

JULIAN A. CAMERON, Chairman,
WILLIAM C. ROUDENBUSH,
ALICE M. HOWARD, Secretary.

REPORT OF LIBRARIAN

January 1, 1936.

To the Trustees of the J. V. Fletcher Library:

The report of the Library for the year ending December 31, 1935, is herewith presented.

The number of books loaned from the library has increased by 500 over that of last year, the magazines by 206, while the circulation of the deposit stations has decreased. This increase has been in the books for adults, 26% of which are non-fiction. Travel continues the most popular with a circulation of 700, biography second with 536. This year the literature group is third with 523, and useful arts (medicine, engineering, aviation, agriculture, home economics) fourth with 420.

The largest daily circulation (248) came in January and because of the well remembered big snowstorm of 1935 the smallest came that month also (13).

We have not been able to buy any books since September due to lack of funds. The receipts from the dog licenses were $100 less than last year and of course the income from library funds has decreased. With a population now of 3,789, the cost of the library per capita is only 63 cents and the circulation per capita is 7.4 books. Where else can you get books for 8.5 cents apiece?

Through the co-operation of the English teachers the librarian gave a talk on the use of the library before each class in the high school. It is planned to continue these to cover the reference books and other needed material. In colleges and other higher institutions of learning it is necessary that the pupils know how to use the library.

Again the Division of Public Libraries has assisted by the loan of more than 35 volumes, besides a collection of drama for the Lake Shore Theatre and other books in foreign languages, principally Polish. Other libraries from which we have borrowed are the Congregational Library, Newton, Boston, Lowell, Boston Medical and Massachusetts Institute of Technology. We have loaned several books to Littleton and one each to Walpole and Billerica.

The students of the Lake Shore Theatre again made use of the library for study and recreation on payment of a deposit fee. This year instead of sending them to the Theatre the books on the drama were placed in the upper hall of the library together with others be-

longing to Mr. Trask and the collection was in charge of the librarian. This worked most efficiently.

Another new metal filing case was purchased this summer, part of which will be used for pictures and other material on Westford which is increasing all the time.

The Library Art Club which has given much enjoyment through the sets of pictures loaned to the library, has been compelled to disband due to the ill health and death of Miss Alice G. Chandler of Lancaster, who has been its leader. The pictures were divided among the member libraries, Westford receiving twelve. One set consisted of 34 views of Westford taken by Miss Julia F. Fletcher, Allen C. Sargent and others, probably about 1900. These form a very welcome and valuable addition to our pictures of old Westford.

Mrs. Mabel Whitney Wright, who with her mother, Mrs. Hiram Whitney and Miss Emily Frances Fletcher, started our collection of pictures of old houses of Westford, has recently contributed a few more pictures and many negatives made at that time.

The Nashoba 4 H Service Club with members from other towns met in Library hall on March 14, at which time the Librarian showed moving pictures which she had taken on her recent European trip.

The fines and other receipts of the library collected and turned over to the town were $50.02.

Thanks are due to Mr. Harold M. Davis of Nashua, New Hampshire, whose hobby is mineralogy, for the time he spent helping to rearrange and label those collections of minerals left to the library by Mr. William E. Frost and Miss Emily Frances Fletcher. His interest in the mineral andalusite which is common in Westford and mentioned in Hodgman's history, brought him to town several years ago and has led to continued interest in our collection.

An early painting of Westford Academy has been on exhibition at the library. The date on the picture is 1815 but the artist is unknown. While the surroundings are inaccurate and the work very unskilled and crude, nevertheless it is of interest as a memento of the early days. It is hoped that the picture may be purchased from its out-of-town owners by some one interested in having the picture remain here.

Miss Edna M. Hamlin, who has been such an efficient assistant for more than three years, has now secured a full time position elsewhere. Her work has been appreciated by librarian and patrons and she will be much missed.

The librarian attended the Massachusetts Library Club meeting in Boston in January, and the American Library Association meeting in

Denver in June. This was followed by a trip to Salt Lake City and Yellowstone Park.

While the fad for doing jig-saw puzzles has declined our collection has been much appreciated by the sick and shut-ins.

A few additions have been made to the list of magazines, which have been much enjoyed this year. All except current numbers may be borrowed for one week and the list for the coming year is as follows:

REGULATIONS

The J. V. Fletcher Library is open Tuesdays, Thursdays, and Saturdays (legal holidays excepted) from 1:30 till 5, and from 6:30 till 9:00 P. M.

The Graniteville deposit station at the home of Mr. Carroll M. Sawyer, in charge of Mrs. Agda Peterson, is open Monday afternoon and evening.

The Forge Village deposit station at the Post-Office in charge of Mrs. Josephine Connell is open daily.

The Brookside deposit station at Community Hall in charge of Mrs. Alice McTeague is open Thursday evenings.

New books of fiction can be kept only one week; but there may be one renewal. All other books may be kept four weeks. Renewals may be made by telephone or by postal.

No book shall be transferred, or acknowledged as returned, unless delivered to the librarian.

For each day that a book is kept beyond the prescribed time a fine of one cent is charged.

Borrowers finding books mutilated or defaced should report the fact to the librarian.

LIST OF BOOKS ADDED, 1935

	Males	Females
Total number recorded	33	25
Number of deaths in Town	24	18
Residents of Westford	30	24

NOTE

All persons are respectfully requested to examine the foregoing reports of births, marriages and deaths and report to the Town Clerk any errors or omissions that may be discerned therein, so that the records may be corrected. An error in the record, other than a mistake in copying a certificate or return, can be corrected only in accordance with a deposition under oath made by one who was required by law to furnish the information for the original record or by one or more creditable persons having knowledge of the case.
(See General Laws, Chapter 46, Section 13.)

Births occurring late in the year are sometimes returned without the Christian name. In such cases parents should return the name to the Town Clerk as soon as selected, as incompleteness of the record may occasion trouble in the future.

Attention is particularly called to the following extracts from the General Laws:

GENERAL LAWS, CHAPTER 46

Section 1. Each city and town clerk shall receive or obtain and record * * * facts relative to the births * * * in his city or town

Section 3. Every physician or medical officer registered shall keep a record of the birth of every child in cases of which he was in charge and * * * shall, within fifteen days after such birth, mail or deliver to the clerk or registrar of the town where such birth occurred a report * * * if the child is illegitimate, the name and other facts relating to the father shall not be stated except at the request in writing of both father and mother filed * * * Upon presentation to him of a certificate of the town clerk stating that any such birth has been duly reported, the town treasurer shall pay to such physician or officer a fee of twenty-five cents for each birth so reported * * * A physician or any such officer violating any provision of this section shall forfeit not more than twenty-five dollars * * *.

Section 4. A member or servant of a family in which a child is born, having knowledge of the facts required * * * shall furnish the same upon request of the clerk of the town * * * or of any person authorized by him. (Penalty for refusing not more than ten dollars.)

Section 6. Parents, within forty days after the birth of a child, and every householder within forty days after a birth in his house shall cause notice thereof to be given to the clerk of the town where such child is born.

Section 8. (Penalty for neglect to comply with the provisions of Section 6, not more than five dollars.)

GENERAL LAWS, CHAPTER 207

Section 36. If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the town where either of them lived at the time of their marriage, a certificate or declaration of their marriage including the facts required in a notice of intention of marriage.

Section 55. Whoever violates Section 36 shall forfeit ten dollars.

The Town Clerk hereby gives notice that he is prepared to furnish parents, householders, physicians and registered hospital medical officers applying therefor with blanks for return of births as required by law.

CHARLES L. HILDRETH, Town Clerk.

Town Clerk's Report on Dogs

Number of Dogs Licensed, 1936

218	Males at $2.00	$436.00
32	Females at $5.00	160.00
24	Spayed Females at $2.00	48.00
	Total	$644.00
	Clerk's fees 274 licenses at 20 cents	54.80
	Paid to Town Treasurer as per Town Treasurer's Receipts	$589.20

Number of Dogs returned by the Assessors:

Males and Spayed Females	246
Females	22
Total	268

The attention of owners and keepers of dogs is called to the following extracts from Chapter 140 of the General Laws as amended by Chapter 320, Acts of 1934.

Section 137. The owner or keeper of a dog which is three months old or over shall annually, on or before March thirty-first, cause it to be registered, numbered, described and licensed for one year from April first following . . . . . in the office of the clerk . . . . . The owner or keeper of a licensed dog shall cause it to wear around its neck or body a collar or harness of leather or other suitable material, to which shall be securely attached a tag . . . . . and upon which shall appear the license number, the name of the town issuing such license and the year of issue.

Section 138. The owner or keeper of a dog may at any time have it licensed until April first following; and a person who after April first becomes the owner or keeper of a dog which is not duly licensed, and the owner or keeper of a dog which becomes three months old after March thirty-first in any year, shall, when it is three months old, cause it to be registered, numbered, described, licensed, collared or harnessed and tagged as required by Section 137.

LICENSES ISSUED THROUGH DECEMBER 31, 1936, FOR LICENSE YEAR ENDING MARCH 31, 1937.

CHARLES L. HILDRETH,

Town Clerk.

ANNUAL TOWN MEETING, FEBRUARY 17, 1936

At a legal meeting of the inhabitants of the Town of Westford, qualified by law to vote in Town affairs, held at the Town House, Monday, February 17, 1936, at one o'clock P. M., the following business was transacted:

Roger H. Hildreth, Town Moderator, was sworn in by the Town Clerk, Charles L. Hildreth, and called the meeting to order.

Article 1. Voted that the reports of the Finance Committee, other Committees, Boards and Officers be accepted as printed.

Article 2. Voted that the compensation of the Town Officers be as follows: Selectmen, Chairman $135.00; other two members $115.00 each; Board of Public Welfare, Chairman $15.00, other two members $10.00 each; Town Treasurer $550.00; Town Clerk $90.00; Collector of Taxes .675 of 1% of the amount collected; Tree Warden 53 cents per hour; Assessors $4.50 per day.

Article 3. Voted that under this article each item be considered separately.

1. Voted that the sum of $6575.00 be appropriated for General Government, to be divided as follows: Selectmen $500.00; Treasurer $950.00; Town Accountant $875.00; Assessors $1,000.00; Tax Collector $1,600.00; Town Counsel $200.00; Town Clerk $350.00; Registration and Election $1,000.00; Licenses Expenses $100.00.

2. Voted that the sum of $1600.00 be appropriated for the Town Hall.

3. Voted that the sum of $4800.00 be appropriated for the Police Department and that the Selectmen be instructed to appoint another full time police officer.

Voted that the sum of $200.00 be appropriated for Street Safety Signs.

4. Voted that the sum of $3000.00 be appropriated to defray the expenses of the Fire Department.

5. Voted 72 to 60 that the sum of $3440.00 be appropriated to meet the expenses of Hydrant Service.

6. Voted that the sum of $125.00 be appropriated to defray the expenses of the Sealer of Weights and Measures.

7. Voted that the sum of $75.00 be appropriated to defray the expenses of the Fish and Game Warden.

8. Voted that the sum of $1000.00 be appropriated to defray the expenses of Fighting Forest Fires.

9. Voted that the sum of $75.00 be appropriated to defray the expenses of the maintenance of the Town Forest.

10. Voted that the sum of $250.00 be appropriated to defray the expenses of the Tree Warden.

11. A motion that the sum of $1783.35 be appropriated to defray the expenses of the Moth Department was lost.

Voted that the sum of $350.00 be appropriated to defray the expenses of the Moth Department.

12. Voted that the sum of $4825.00 be appropriated to defray the expenses of the Health Department: $375.00 of this amount to be used to pay the expense of milk furnished underweight children.

13. Voted that the sum of $150.00 be appropriated to defray the compensation and expenses of the Cattle Inspector.

14. Voted that the sum of $5000.00 be appropriated for the Maintenance of the Existing State and County Roads on condition that like amounts be contributed by the State and County respectively to be used in conjunction therewith.

Voted that the sum of $11,500.00 be appropriated for Town Roads.

Voted that the sum of $4,000.00 be appropriated for Snow and Ice Removal.

15. Voted that the sum of $26,500.00 be appropriated for the Welfare Department to be divided as follows: Welfare Department Expenses $19,000.00 ($8,000.00 of this to be taken from Surplus Revenue) : Old Age Assistance Expenses $7,500.00.

16. Voted that the sum of $5,000.00 be appropriated for Soldiers' Benefits.

17. Voted that the sum of $65,000.00 be appropriated for the School Department.

18. Voted that the sum of $2,500.00 be appropriated for Vocational Tutition.

19. Voted that the sum of $2,000.00 and the receipts from Dog Licenses in 1935 be appropriated for the expenses of the Public Library.

20. Voted that the sum of $175.00 be appropriated for the Care of the Common.

21. Voted that the sum of $250.00 be appropriated to Commemorate Memorial Day.

22. Voted that the sum of $575.00 be appropriated to defray the expenses of publishing and distributing the Town Reports.

23. Voted that the sum of $1,500.00 be appropriated for Liability Insurance.

24. Voted that the sum of $800.00 be appropriated for Fire Insurance.

25. Voted that the sum of $1,200.00 be appropriated for the care of the Cemeteries.

26. Voted that the sum of $7,500.00 be appropriated for General Loans.

27. Voted that the sum of $2,165.37 be appropriated for Interest on General Loans.

28. Voted that the sum of $1,000.00 be appropriated for Interest on Revenue Loans.

29. Voted that the sum of $5,994.00 be appropriated for Street Lights.

30. Voted that the sum of $4,000.00 be appropriated in accordance with the provisions of Section 6 of Chapter 40 of the General Laws as a Reserve Fund.

31. Voted that the sum of $2,291.56 be appropriated for Over-Drafts of 1935.

32. Voted that the sum of $3,236.30 be appropriated to pay Out-Standing Bills of previous years to be divided as follows: Soldiers' Benefits 1932 $211.77; 1933 $653.55, 1934 $920.83, 1935 $143.92, total $1,930.07; Selectmen 1933 $12.50, 1934 $26.00, total $38.50; Election and Registration 1933 $7.50, 1934 $44.00, 1935 $12.00, total $63.50; C. W. A. 1933 $5.50, 1934 $2.00, total $7.50; Welfare 1934 $13.53, 1935 $1,098.20, total $1,111.73; Old Age Assistance 1935 $85.00

Article 4. Voted that the sum of $10.00 be appropriated for Demonstration Work in Agriculture and Home Economics and a Director be elected under the provisions of Section 40-45 of Chapter 128 of the General Laws. John A. Kimball was elected Director.

Article 5. Voted unanimously that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1936, and to issue a note or notes therefor, payable

within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17 of Chapter 44 of the General Laws.

Article 6. Voted that the sum of $1,000.00, this being the Town's share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Acts of 1932 bonds maturing in 1936, be and the same is hereby appropriated, and that a further sum of $276.25 be and hereby is appropriated on account of interest and other charges on account thereof. That a further sum of $721.63 be and hereby is appropriated for the Town's share of the net cost of care, maintenance, and repairs of the Middlesex County Hospital, including interest on temporary notes issued therefor, in accordance with Chapter 111 of the General Laws applicable thereto.

Article 7. Voted that the sum of $400.00 be appropriated for Band Concerts for the current year, said concerts to be held in Forge Village, Graniteville, Brookside and Westford Centre.

Article 8. Voted that the Selectmen be instructed that the hiring of all trucks shall be from citizens of Westford and shall be divided equal to all and not more than one truck to any company, corporation or individual.

Article 9. A motion to dismiss the article relative to the installation of additional street lights was lost.

Voted to take up each light separately.

Voted to instal an additional light on the Boston Road near the house of Edwin B. Currier.

Voted not to instal a light at the junction of the Forge Village Road and Patten Road.

Voted not to instal a light at the culvert on the Patten Road.

Voted to instal a light on the Lowell Road in front of the Club House of the Fish and Game Association.

Voted that the sum of $36.00 be appropriated for the two additional street lights voted under this article.

Article 3. Item 29. Voted 74 to 5 to reconsider item 29 of Article 3. Voted to rescind the vote previously taken to appropriate $5,994.00 for Street Lights.

Voted that the sum of $6,138.00 be appropriated for Street Lights.

Article 10. Voted that the Selectmen be instructed to enter into a contract with the Westford Water Company for two additional hydrants on North Street.

A motion that the Town appropriate $80.00 for these two hydrants was lost.

Article 11. Voted that the Town accept as a gift the deed from Bertha A. Williams of land as an addition to the School House lot at Brookside and that a vote of thanks be extended to those who contributed to the purchase of this land and made the gift possible.

Article 12. John Fisher was elected a Member of the Committee in charge of the Whitney Playground to fill the vacancy caused by the death of Herbert V. Hildreth.

Article 13. Voted unanimously that the Town accept the devise of the land located in Westford, owned by Martina A. Gage, late of Lowell, at the time of her decease, and devised to the Town under the terms of her will, duly admitted to Probate and now on file in the Probate Office for this County, and that the Town Clerk be authorized and instructed to notify the executors of the will of said deceased of such acceptance by the Town, and further extend to the executors the appreciation of the Town for this munificent gift.

Article 14. Voted that the sum of $4,000.00 be appropriated to meet the expenses of the W. P. A.

Article 15. Voted that the sum of $6,000.00 be appropriated to meet the expenses of future W. P. A. or similar projects.

Article 16. Voted that the Selectmen be and hereby are authorized and empowered on behalf of the Town to purchase the land to enlarge Fairview Cemetery bounded on the east and south by the Cemetery, on the north by Main Street, and on the west by Tadmuck Road, at a price not to exceed $1,000.00, and voted to appropriate the sum of $1,000.00 to meet this expense, providing a Federal Project can be obtained to grade the same.

In the event, however, the Selectmen are unable to purchase said land at said price, they are authorized and instructed to make a written petition to the County Commissioners to take the same by right of eminent domain.

Article 17. Voted that a committee be appointed with full power and authority to enter into a contract with the Westford Water Company on such terms and conditions as may seem advisable for water service for a period not to exceed five years, at a price not to exceed $40.00 per hydrant unless during the life of the contract the assessment be materially increased. The Moderator appointed as said Committee, W. Otis Day, Mark A. Palmer and Ben W. Drew.

Article 18. Voted that the Town accept the provisions of Section 97 of Chapter 41 of the General Laws relative to the appointment of a Chief of Police and the establishment of a Police Department by the Board of Selectmen.

Article 19. Voted that the Town authorize the Board of Selectmen to introduce on its behalf a bill in the General Court providing for the placing of the Chief of Police of the Town of Westford under the jurisdiction of the Civil Service laws.

Article 20. Voted that the Town accept the bequest under the will of Albert E. Prescott, late of Boston (consisting of one-fifth of the rest and residue of the property of the deceased) for the benefit of the J. V. Fletcher Library, and that the Town Treasurer be and hereby is authorized to receive and receipt on behalf of the Town for such bequest when the same is distributed, and further on behalf of the Town assent to the allowance of the final account of the executor of the will of said deceased.

Voted that the Town Clerk be authorized and directed to extend to the executor of the will of Albert E. Prescott, late of Boston, deceased, the appreciation of the Town for the thoughtful consideration and generosity of the deceased in making this bequest for the use and benefit of his native Town.

Article 21. Voted to accept the minutes of the meeting.

Article 22. Voted to dissolve the meeting.

A true record Attest:

CHARLES L. HILDRETH,

Town Clerk.

CHARLES L. HILDRETH,

Town Clerk.

REPORT OF SELECTMEN

Citizens of Westford:

For the work accomplished on the highways we refer you to detailed report of the Highway Superintendent.

The trucking work for the W. P. A. and highways was apportioned among the owners of trucks in Westford who requested work.

This year as last, our allotment for Chapter 90 maintenance was cut by the State Department of Public Works and because of the Town's vote covering our appropriation the County and Town allotment was reduced in like amount each.

Late in the summer we requested and were granted an allotment from the County for the specific repairs of a section of Carlisle Road near the Carlisle Station which was settling badly and becoming dangerous.

Work is continuing on improvement to "Farm to Market Roads" under an allotment of Federal money, the work being done under the direction of the State Engineering Department.

We have been advised by the State Department of Public Works of a change in the policy regarding the highway equipment owned by towns. Hereafter repairs and upkeep of equipment cannot be charged to Chapters 90 and 81 allotment. It will be necessary for the Town to set up a special appropriation for this purpose. On the other hand the Town will receive credit for town equipment whenever it is in use. This appears to be a very fair arrangement and should work to the advantage of the Town.

This regulation does not apply to snow removal.

For the year 1937 we are asking for the usual allotments under Chapter 90 and Chapter 81 and as requested by the State, an appropriation for Road Machinery and Equipment.

Owing to a change of Tax Collector an audit was made of that department's accounts by the State Division of Accounts and a copy of that report is herewith submitted.

This year we have perambulated the Town lines with the Selectmen of the following towns: Acton, Carlisle, Groton and Littleton.

As directed by the last Town Meeting necessary action was taken to establish a Police Department and for the appointment of a Chief of Police. John F. Sullivan was appointed Chief.

The town also voted an additional full time officer and John Connell was appointed.

The Board also as directed by vote introduced a bill in the General Court for placing of the Chief of Police under the jurisdiction of the Civil Service laws. This bill received favorable action and now goes to a vote of the Town for ratification.

During the summer, owing to failing health, Mr. J. Willard Fletcher resigned from the Board of Assessors. Mr. Fletcher had served the town faithfully and efficiently in this position for about thirty-five years.

At a joint meeting of the Assessors and Selectmen Chester E. Blaisdell was appointed for the unexpired term.

In January of 1937 Leon F. Hildreth resigned from the Board of Registrars after having satisfactorily filled the office for the past eighteen years.

To fill the vacancy the Selectmen appointed Norman E. Day for the unexpired term.

The fire insurance on all town buildings has been continued as in the past and all policies are now written on a five year basis, instead of threes, thus making a saving to the town.

Respectfully submitted,

WILLIAM R. TAYLOR

ARTHUR M. WHITLEY

ARTHUR L. HEALY

Selectmen of Westford.

REPORT OF SUPERINTENDENT OF STREETS

The following is our report for the year ending Dec. 31, 1936.

Chapter 81, and General Highway Maintenance

The usual highway maintenance was carried out during the year, and all oiled roads were patched where necessary with bituminous material during the spring and summer months, and this procedure was carried out until the late fall. Many roads which were graveled during 1935 or early 1936 either by the highway department or the Farm to Market Funds, were shaped, rolled, and oiled.

During 1937 a considerable amount of money will be necessary for oil or tar, owing to the fact that a large number of roads will be gravelled from government funds, in addition to those done by the local department, and it is wise to protect these with such a binder, once they are gravelled.

Maintenance Chapter 90

The usual maintenance of Chapter 90 highways was carried out under the provisions of their allotment, and all our Chapter 90 highway are in good shape.

Broadway Street, Graniteville and Pleasant Street, Forge from depot to top of hill was given a coat of cut back asphalt and pea stone rolled in making a non skid surface.

Culverts

Nineteen new Culverts were installed, corrugated metal, coated with asphalt, with sufficient diameter to carry water. Nine new Basins were installed, standard size, brick type and several others repaired.

Respectfully submitted,

AUSTIN HEALY,

Superintendent of Streets.

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen
Westford, Mass.

Gentlemen:

I herewith submit my report for the year 1936 for the Police Department.

Report to the Department of Correction has been made.

Arrests made	115

Warrants served	31
Driving without licenses	10

Electric wires down on Street	18
Lay watching in different places on complaints	44
Visit made to camps in the winter time	51
Automobile fines going to the state	$ 795.00
Inspection of Camps Weekly	251

At this time, I wish also to bring to the attention of the Voters of the Town of Westford, the results accomplished through the employment of the additional regular police officer in this town during the year 1936. It is to be noted that a larger number of arrests have been made during the current year, than any other year, heretofore. This increase is due not alone to the facility with which the town may be covered, but due in a larger degree to the efficiency of the present regular officer.

I wish to bring to the attention of the town, the fact that many of our liquor establishments are intending to enlarge and alter their present places of business, to accommodate greater numbers, and if the liquor traffic is to be properly handled in this town, then I urge upon the citizens, the absolute necessity of the continued employment of the additional and regular police officer in the Town of Westford.

I wish to take this opportunity to thank the Board of Selectmen, Court Officers, Officer Connell and the other Special Officers of the Town of Westford, for their advice, co-operation and assistance during the year past.

Respectfully submitted,

JOHN F. SULLIVAN,

Chief of Police.

REPORT OF TOWN ACCOUNTANT

To the Honorable Board of Selectmen and the Citizens of Westford:

I herewith present the Annual Report of the Town Accountant in accordance with the General Laws.

I wish to remind the public that all books are open to the public for inspection at any time.

If there is any part that is not clear to the reader the Accountant will explain the same upon request and give more detailed information.

I have checked the accounts of the Tax Collector and the Treasurer and a table of the funds in the custody of the Treasurer is printed herewith.

All transfers from the Reserve Fund shown in this report were authorized by the Finance Committee.

CHARLOTTE P. GREIG,

Treasurer.

REPORT OF FIRE ENGINEERS

The Board of Fire Engineers submit the following report for the year ending December 31, 1936.

The Companies have responded to 25 fires other than forest fires during the year: 3 building, 12 chimney, 2 rubbish, 1 band stand, 3 hen houses, 1 bed, 1 auto, 2 false alarms.

The Fire Engineers recommend that the sum of $3,000.00 be raised to meet the expenses of the department for the coming year.

ALONZO H. SUTHERLAND,
JOHN EDWARDS,
ALFRED T. W. PRINN,
Board of Fire Engineers.

REPORT OF THE TREE WARDEN

As usual, my work has been removing dead limbs from trees along the highway also dead trees. I would suggest that some maple trees be set out on Depot Street. The money to be taken from the income of the Whitney Fund.

I would suggest the sum of $400.00 be appropriated this year to carry on the work.

Respectfully submitted,

HARRY L. NESMITH,

Tree Warden.

REPORT OF FOREST WARDEN

This year 1936 proved to be a very bad year for forest fires, having seventy-four in all but they were all small fires.

I have issued two hundred and twenty-five permits.

I would suggest the sum of $1,000.00 be appropriated this year to care for this work.

Respectfully submitted,

HARRY L. NESMITH,

Forest Warden.

DEPUTIES APPOINTED BY THE WARDEN

Fred R. Blodgett, Charles A. Blodgett, Edwin H. Gould Alfred W. Prinn, E. Clyde Prescott, George L. Nesmith, Alonzo H. Sutherland, Edward Rogers.

REPORT OF SEALER OF WEIGHTS AND MEASURES

EDWARD F. HARRINGTON,

Tax Collector.

BOARD OF HEALTH

REPORT OF BOARD OF HEALTH

The Board of Health submits the following report ending December 31, 1936.

The health department is very pleased with the result of the Toxin and Antitoxin Administration to the people of the community. A great many have taken advantage to immunize themselves and their children, thereby, helping greatly the prevention and control of diphtheria. There has not been a case of diphtheria clinically diagnosed reported to the Board of Health since the treatment started about eight years ago.

The milk supply in the Town of Westford is greatly improved and all milk produced and delivered in the Town of Westford are from tuberculin-tested cattle.

It will be noticed in the nurse's report that quite a number of the school children have had the milk distributed by the board, and it has been of great assistance to the underweight children. The delay of supply of this milk to the schools this fall for the children's use was due to no fault of the Board of Health, as they got no notice of delivery until the first of the year.

The Dental Clinic is still doing very good work and is being patronized very freely, but still more children should take advantage of this opportunity and it will help greatly the endeavors of the dentist and the Board of Health for the welfare of the children.

The Tubercular Clinic now being carried on by the Middlesex County Sanitarium with the conjunction of the Board of Health and the cooperation of the School Department has proven very satisfactory and a great help to the health conditions of our town.

The department has had a very few cases of rabies to contend with this year and an improvement over last year.

The Health Department has returned to the town the usual unexpended balance.

Following is the report of the Public Health Nurse who has performed her duties in a satisfactory manner.

Respectfully submitted,

CYRIL A. BLANEY, Chairman
OLIVER A. REEVES, Secretary
CARL A. HANSON,

Members of Board of Health

REPORT OF PUBLIC HEALTH NURSE

C. A. Blaney, M. D.
Chairman, Board of Health
Westford, Mass.

REPORT OF BOARD OF PUBLIC WELFARE

The Board of Public Welfare organized for the year with Arthur M. Whitley as Chairman, and Thomas P. Cosgrove, Secretary who were re-elected.

The general conditions for 1936 have been better than any year since 1930 and this no doubt was due to the fact that the various industries of the town have been practically in full operation, and shows a definite saving in this department of nearly $2000 on straight town welfare. The Catholic Charitable Bureau and the Social Service have assisted whenever asked to do so.

The Citizens Conservation Corps has given us our proportionate quotas, and they have accepted eight young men, and invariably they speak well of their treatment and experience.

As you are probably aware, the Old Age Assistance Department through the change in policies enacted by the Legislature in 1936 have materially increased the number of recipients and likewise the appropriation, which is necessary to finance the department, but with the reimbursements received from the Federal Government and the State, notwithstanding the fact that the number of recipients has increased to a ratio of three to one in the final analysis the net expense will not be much more than in 1935. There has been some dissatisfaction among recipients where no deductions are to be made relative to the amount of assistance they received. This has been unavoidable due to the fact that our appropriation for 1936 would not permit of a higher grant with the increased number of applicants after September 1.

Our appropriation for 1937 will, we hope, allow us to follow the intent of the law for those persons where no deductions are to be made. The new policies concerning aid to dependent children has also increased the Mother's Aid Dept., and presumably will be more in the future, and as in the Old Age Department, the Federal Government is expected to reimburse its proportionate share in 1937.

The operations at the Infirmary have been carried along with its usual care and concern for its inmates. There was a canning project operated there this year, leaving the land adaptable to other purposes.

Respectfully submitted,

ARTHUR M. WHITLEY, Chairman,
THOMAS P. COSGROVE, Sec'y
HARRY M. INGALLS,
Board of Public Welfare

Board of Public Welfare

REPORT OF THE WORK OF THE MIDDLESEX COUNTY EXTENSION SERVICE IN WESTFORD FOR THE YEAR 1936

The following is a report of the work of the Middlesex County Extension Service in the Town of Westford for the year 1936.

As is generally known, this is a county institution carried on by The Trustees for County Aid to Agriculture, appointed by the County Commissioners for the development of agriculture and home-making in Middlesex county. Each town is represented by a director appointed by the Trustees. These services are free to any citizen of the county. Headquarters are maintained at 19 Everett Street, Concord, where a staff of agents trained in their particular field is available upon request.

Farmers have asked help with dairy herd management, feeding and the handling of disease. Farm visits were made to give help in the care of milk, construction of milk houses. Analysis of the farm business has been made with two farmers with the view to a more efficient plan of operation. Farmers have been advised on the growing of legumes and emergency hay crops.

Spray warning cards were sent to all Westford fruit growers and market gardeners during the season. Twenty-seven visits were made to sixteen fruit farms during the year. Fruit meetings were held in January on Soil Improvement and in December on Scab Control. A discussion of soil testing was given at the Westford Grange in May. An experimental soil trench was dug at one farm as part of a statewide orchard soil investigation.

Thirty-nine farm visits were made to Westford poultrymen. Circular letters were sent to all poultrymen in the Town of Westford during the season.

Some assistance was also given at the time of the Westford Apple Blossom Festival, especially in the exhibit of apple by-products and the printing of the bulletin of Apple Recipes.

Judges were furnished for the Westford Grange fair.

A group at Chamberlain's Corner has taken the home-making courses for many years, continuing with the course on Building Healthy Children. This group and one other group enrolled for the course in coat-making, and some members from Westford attended the clothing summary meeting held in Lowell, at which the coats made in the

project were exhibited, and a talk given by Mrs. Esther C. Page, state clothing specialist. The Home Demonstration Agent gave a talk at the Parent-Teacher Association on the subject of what the home should contribute to safety. A talk on Child Development was also given by Mrs. Ruth D. Morley, child development specialist from the State College. Other women in Westford, not enrolled in Extension Service groups, received the monthly letters sent out to mothers of young children and other homemakers.

4-H Club activities were carried on in clothing, food, canning, handicraft, poultry, and garden under the general supervision of the 4-H Town Committee of which Mrs. Warren Nixon is chairman. The leaders of the clubs were: Miss Ruth Lord, Miss Alice Remis, Miss Gertrude Donahue, Miss Priscilla Knowlton, Mrs. Warren Nixon, Mrs. Otis W. Day, Peter Perry, James FitzGibbons, Michael McGlinchey, Clyde Prescott, D. C. Staples, Alexander Courtney, and Clarence Mann.

Fifty-five girls are enrolled in 4-H clothing clubs in Westford. Miss Ruth Lord has two school clubs in Graniteville. Miss Alice Remis has two clubs in Forge Village, and Priscilla Knowlton has a beginners' club at Chamberlain's Corner.

Four final exhibits were held in the spring, and the usual excellent exhibits were on display at the Westford Grange Fair. Club members won prizes at Acton, Groton and other out-of-town Fairs.

Dora Antonelli was awarded a prize for her excellent garden work by the Middlesex North Agricultural Society.

Dorothea Nixon, Ruth Moore, and Avis Day won prizes in the county canning contest.

The two-day trip to the Massachusetts State College was awarded to Dorothea and Lawrence Nixon and Francis Zubowica.

JOHN A. KIMBALL,

Director.

REPORT OF GAME WARDEN

It is a pretty well accepted, and very thoroughly understood regulation, that you have to purchase a license to hunt or fish, and it is a very creditable thing that out of ninety-eight persons being intercepted, only two are without a license, and which very willingly procured them. In this particular locality, fishing is fairly productive, but wild game is more scarce. Partridge and quail are not too plentiful, there are a few deer, and pheasant are in moderate number, but in the next few years, the State Hatchery is planning on a greater number to be released.

The allotment to Westford this year of pheasants and quail were made on the basis of a survey completed about one year ago of all the pheasant and quail cover in Massachusetts. It was found that Westford had 3.30 square miles suitable for pheasant cover, which made our proportional allotment of 42 birds. Due to the fact that eight birds are shipped in a case, we received 5 cartons or 40 pheasants which were distributed as follows:

PHEASANT

Parkerville Cover, South	8 Adult
	8 Young
Nashoba Hill	8 Young
Bear Hill	8 Young
Tadmuck Swamp	8 Young

QUAIL

Nabnassett	10 Young
Parkerville Cover	10 Young

BROOK TROUT

Baptist Pond Brook	500
Snake Meadow Brook	500
Nashoba Brook	500

POND FISH

Forge Pond	7500 Crappier
Keyes Pond	2800 Crappier; 400 Horned Pout
Long-Sought-For	2800 Crappier; 400 Horned Pout
Nabnassett	4200 Crappier; 400 Horned Pout
Nabnassett	200 Pike Perch

Owing to the limited supply in the hatchery we obtained only a small allotment of brook trout, but this year, 1937, we are scheduled to have restocked not only the above trout brooks but also the Vine Brook. The 200 pike perch put into Nabnassett is an experiment and will be necessary to await the results. They are a very gamie fish and grow to two and three pounds and are splendid eating.

An attempt was made to get some of the horned pout from Stony Brook so, with the assistance of two State game wardens, with their paraphernalia and members of the distributing committee of the Fish and Game Association, the water was drawn down and seines were laid; but owing to the mud and tree stumps it was an impossibility to pull the seines, and the project was abandoned.

So far the winter has been exceptionally mild, and not too severe on game birds, but if any person feels that they can use some grain to advantage for bird feed, they can get in touch with the game warden by letter or telephone 203; or contact Rupert Sunburg of the Fish and Game Association at Nabnassett and you will be supplied without charge.

I have no disturbing features to report and it is a pleasure to report that co-operation and a helping hand have been given me in my first year as Game Warden. I thank you.

Respectfully submitted,

EDMUND L. PROVOST,

Game Warden.

WILLIAM R. TAYLOR,
Treasurer.

Westford, Mass., Jan. 15, 1937

Commonwealth of Massachusetts
Middlesex ss.

Then personally appeared, William R. Taylor, and made oath that the above is a true statement of the cost of construction of the Westford Water Company to January 1, 1937, and of the Receipts and Expenditures from January 1, 1936 to January 1, 1937, before me.

PERRY T. SNOW,
Notary Public.

My Commission expires February 11, 1938

WESTFORD WATER COMPANY

Citizens of Westford:

In compliance with the article voted at the Annual Town Meeting on the 3rd Monday in February, 1936, the town moderator appointed W. Otis Day, chairman, Mark A. Palmer and Ben W. Drew on the committee to meet with the Westford Water Company to contract for hydrant service for the period of the next five years. The above committee met with the Westford Water Company and later with a representative from the Westford Taxpayers Association. At a private meeting the committee agreed, after hearing both sides of the question, to offer the Westford Water Company the sum of $35.00 per hydrant, and subsequently contracted with the Water Company for the existing 76 hydrants and any future duly authorized hydrants at the rate of $35.00 each.

W. OTIS DAY,
MARK A. PALMER,
BEN W. DREW,

Water District Committee.

AGREEMENT

THIS AGREEMENT made this first day of January, 1937, by and between the Westford Water Company, a body corporate under the Laws of the Commonwealth of Massachusetts, located at Westford, Middlesex County, Massachusetts, hereinafter referred to as the Company, and the Inhabitants of Westford, a municipal body corporate located in said County, hereinafter referred to as the Town.

WITNESSETH that the said Company for the period of five (5) years from this date covenants and agrees to supply the said Town with hydrant service and water to be used in connection therewith for the purpose of extinguishing fires, upon the following terms and conditions:

FIRST: Said Company is to furnish the water from the same standpipes and through the same pipes as water is furnished for domestic purposes, for the hydrants, seventy-six (76) in number now already installed, and to furnish, as aforesaid, such additional hydrants and water service, if any, during said period as may be voted or authorized by said Town at such locations on the then existing lines of water mains as may be mutually agreed upon between said Company and said Town, acting through its Board of Selectmen.

SECOND: That said Company is to furnish during the period of this agreement a full and ample supply of water for each and all of said hydrants for the purpose of extinguishing fires, with the privilege of trying out the same at all reasonable periods, and guarantees a sufficient supply to draw at the same time six streams of water through three hundred (300) feet of hose and one inch nozzles from any three hydrants to be mutually agreed upon by said Company and said Town at anytime during the continuation of this agreement. Excepting, however, at such times when the works of said Company are temporarily shut down owing to a breakdown, repairs or conditions created and existing and over which said Company has no control.

THIRD: Said Company is to provide and furnish such suitable hydrants as shall be approved by said Town, acting through its Board of Selectmen, and keep and maintain the same in proper repair and working condition except as aforesaid and that said Town shall reimburse said Company for all expenditures and repairs occasioned or caused by the negligence or fault of said Town or any of its agents, officials, representatives or servants employed and in charge of using the same.

FOURTH: The Company further agrees that all machinery and materials used in the construction of said water works and hydrants shall be of good and standard quality throughout and that the standpipes shall be maintained at the present capacity with an ample supply of water except as aforesaid, and that the pipes shall continue to be maintained in sufficient size to stand and resist the force of water sent through them for the purposes intended, and that said Company shall keep and maintain said standpipes and other machinery and accessories in good repair at all times.

The said Town on its part hereby agrees:

FIRST: That during the terms of this agreement it will continue the hydrants now in use, seventy-six (76) in number, together with such additional hydrants, if any, as the Town may from time to time authorize and have installed. Each existing hydrant to be paid for at the rate of Thirty-Five Dollars ($35.00) per year, and each additional hydrant at the same rate from the time it shall be in a proper condition for use until the termination of this agreement. Payments are to be made in equal semi-annual installments upon the first days of April and October, except that the first payment for any additional hydrant shall be for the proportional period from the date of installment to the date of first payment.

SECOND: That the Town will use all due and reasonable care by its agents, officials, representatives or servants in opening and closing the hydrants when they have occasion to use the same, and in the event

that any water pipe or any portion of the water works being damaged in consequence of any such want of care on the part of said Town or its agents, officials, representatives or servants, as aforesaid, said Company shall be reimbursed for the cost and expenses incurred thereby.

THIS AGREEMENT is entered into subject to the right of said Town to take over the franchise and property of said Company as provided in its Act of incorporation and legislation since enacted, if any, applicable thereto.

IN WITNESS WHEREOF the Company has caused these presents to be signed in duplicate and its seal to be attached thereto by its President hereunto duly authorized by a vote of the Board of Directors, and the Town has caused these presents to be signed in duplicate in its name and behalf and its seal to be attached thereto by W. Otis Day, Mark A. Palmer and Ben W. Drew, being the committee duly authorized and appointed under an article contained in the warrant for the annual Town meeting duly called and held on the third Monday of February, 1936.

AUDIT OF THE TAX COLLECTOR'S ACCOUNTS

Audit of the Tax Collector's accounts as made by the Director of Accounts, Department of Corporations and Taxation.

The books and accounts of the tax collector were examined and checked in detail. The taxes outstanding at the time of the previous examination were audited and all subsequent commitment lists were verified and checked with the assessors' warrants. The collections as recorded on the cash books were checked to the commitment books being compared with the payments to the treasurer; the abatements as recorded were checked with the assessors' record of abatements granted; and the outstanding accounts were listed and proved to the accountant's ledger as of March 9, 1936, when the taxes were recommitted to the new collector.

Appended to this report are summaries of tax accounts.

TAXES—1933

Arthur L. Healy, Collector

Outstanding October 17, 1935, per previous audit		$ 167.82
Payments to treasurer October 17 to December 31, 1935	$ 157.52

*Estimated

Article 5 Item 3—

The Finance Committee feels that $4,900.00 is too much for Police Protection in this town, we therefore recommend the sum of $3,900.00 be appropriated for one full time officer and his deputies.

Article 5 Item 15—

The recommendation of the Finance Committee is for $10,500.00 instead of $12,000.00 as it is their belief that this will be enough to finance the Old Age Assistance.

Article 9 and Article 15—

The Finance Committee leaves the appropriation for these articles to the discretion of the town.

Article 13—

The Finance Committee recommends no additional street lights this year.

If the money is appropriated according to our recommendations and we receive the same returns from the State and County as of last year the tax rate for 1937 will not exceed $37.00 per thousand.

Respectfully submitted,

JULIAN A. CAMERON,
OSCAR R. SPALDING,
FRANK L. FURBUSH,
P. HENRY HARRINGTON,
WILLIAM E. WRIGHT,
ROBERT PRESCOTT,
Finance Committee.

TOWN OF WESTFORD
WARRANT

COMMONWEALTH OF MASSACHUSETTS

To the Constable of the Town of Westford in said County:

GREETINGS:

You are hereby required, in the name of the Commonwealth aforesaid, to notify and warn all the inhabitants of said Town, qualified to vote in elections, and also in Town affairs, to meet at their several polling places, viz:

Precinct 1. Town Hall, Westford, Centre.
Precinct 2. Abbot's Hall, Graniteville.
Precinct 3. Abbot Worsted Mills, Brookside.
Precinct 4. Abbot's Hall, Forge Village.

MONDAY, FEBRUARY 8, 1937

being the Second Monday in said month, at 12:00 o'clock noon for the following purposes:

To bring in their votes for the following officers:

For Three Years

One Selectman
One Member of Board of Public Welfare
One Assessor
Two Members of the School Committee
One Member Board of Cemetery Commissioners
One Trustee of Public Library
One Member of Board of Health

For One Year

Moderator
Town Treasurer
Collector of Taxes
Constable
Tree Warden

Also upon the following:

"Shall an act passed by the General Court in the year nineteen hundred and thirty-six entitled 'An Act placing under the civil service laws the office of the chief of police of the town of Westford' be accepted?"

The polls will be open from 12:00 o'clock noon to 8 P. M., and to meet in the Town Hall at Westford Centre on the following

MONDAY, FEBRUARY 15, 1937

at 1.00 o'clock in the afternoon, then and there to act on the following articles, viz:

1st. To hear the reports of the Finance Committee, other Committees, Boards and Officers.

2nd. To determine the salary and compensation of elected Officers and such Officers and Officials as provided by law.

3rd. To see if the Town will vote to establish a Road Machinery Account, to which shall be credited all receipts received for the use or rental of road machinery, the proceeds to be appropriated as voted by the town for road machinery purposes, or take any action in relation thereto.

4th. To see if the town will vote to appropriate money to establish a Road Machinery Fund for the purpose of purchasing, repairing and operating road machinery.

5th. To appropriate money to meet the cost and expenses of the following departments, officers and purposes:

1. General Government.
2. Town Hall.
3. Police Department.
4. Fire Department.
5. Hydrants.
6. Sealer of Weights and Measures.
7. Fish and Game Warden.
8. Forest Fires.
9. Town Forest.
10. Tree Warden.
11. Moth Department.
12. Health Department.
13. Cattle Inspector.
14. Highway Purposes.
15. Board of Public Welfare.
16. Soldier's Benefits.
17. School Department.

18. Vocational Tuition.
19. Public Library.
20. Care of Common.
21. Commemoration of Memorial Day.
22. Publishing of Town Reports.
23. Liability Insurance.
24. Fire Insurance.
25. Cemetery Commissioners.
26. General Loans.
27. Interest on General Loans.
28. Interest on Revenue Loans.
29. Electric Lights.
30. Reserve Fund.
31. Bills outstanding December 31, 1936.

6th. To see if the Town will appropriate $10.00 and elect a Director under the provisions of Section 40-45 of Chapter 128 of the General Laws as amended by Section 166 of the Acts of 1932.

7th. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17 of Chapter 44 of the General Laws.

8th. To see if the Town will appropriate a sum sufficient to pay the County of Middlesex as required by Law on account of assessments levied on the Town for its share of the principal of the Middlesex County Tuberculosis Hospital Funding Loan, Act of 1932, bonds maturing in 1937, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the Town's share of the cost and interest on said bonds due in 1937, also for the care, maintenance and repair of said hospital for 1936, and including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable thereto, and for all other expenses in connection therewith, determine how money shall be raised, or in any way act thereon.

9th. To see if the Town will vote to appropriate $400 for Band Concerts for the current year.

10th. To see if the Town will appropriate $100 for guide boards.

11th. To see if the Town will appropriate money to meet the expenses incurred in connection with the W. P. A. or other similar projects.

12th. To see if the Town will vote to appropriate $800 to repair the house on the Fire House lot at Westford Centre.

13th. To see if the Town will vote to install additional street lights as follows:

One at the junction of the Hartford Road and Patten Road.
One at the culvert on the Hartford Road.
On Nutting Road from the junction of Groton Road to the residence of Narcisse Page.
On Concord Road.

14th. To see if the Town will vote to install one additional hydrant on Hildreth Street.

15th. To see if the Town will vote for the allowance of damages occasioned to the following named through the relocation of the following named roads and appropriate money therefor:

Pine Street and Town Farm Road:

Estate of Ella M. Prescott

Tyngsboro Road:

John D. Psaris
Joseph A. Matthieu

16th. To see if the Town will vote to discontinue that portion of Cemetery Road extending from the Concord Road to the Patten Road.

17th. To see if the Town will vote to authorize an investigation of the necessity or desirability of erecting a new High School Building, and act in relation thereto.

18th. To see if the Town will vote that beginning with the annual election in 1938 the Town Treasurer shall be elected for a term of three years.

19th. To see if the Town will vote that beginning with the annual election in 1938 the Collector of Taxes shall be elected for a term of three years.

20th. To see if the Town will vote to enter into an agreement with the Abbot Worsted Company for hydrant service at Brookside.

21st. To see if the Town will vote to have a survey and examination made of the land devised to the Town by Martina A. Gage, appropriate money therefor, and act in relation thereto.

22nd. To see if the Town will vote to amend its By-Laws by inserting a new article after Article II as follows:

ARTICLE IIA—ANNUAL AUDIT

There shall be an annual audit of the Town's accounts under the supervision of the Director of Accounts of the Department of Corporations and Taxation as authorized by law.

And you are directed to serve this warrant by posting up true and attested copies thereof at the Town Hall and each Post Office in said Westford, seven days at least before the time of holding said meeting.

Hereof fail not, and make return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of holding the first meeting aforesaid

Given under our hands this twenty-first day of January, in the year of our Lord 1937.

WILLIAM R. TAYLOR,
ARTHUR M. WHITLEY,
ARTHUR L. HEALY,

Selectmen of Westford.

REPORT OF SCHOOL COMMITTEE

January 1, 1937

Citizens of Westford:

I herewith submit my annual report as Chairman of the School Committee of the year 1936.

No changes occurred in the personnel of our committee this year, as George P. Gibbons and Eric J. Anderson were re-elected. At our first meeting the following officers were elected: Eric J. Anderson as Chairman, and George P. Gibbons as Secretary.

The Building Committee, consisting of Mr. Buckingham, Mr. Gibbons, Mr. Forty and Mr. Whitney, made several recommendations. We were able with our limited budget to paint the inside of Cameron School, and install new toilets in the boys' basement. We hope it will be possible to put new toilets in the girls' basement this year. At the Nabnasset School it was necessary to take down part of the back wall and rebuild it.

The Committee, with the Superintendent, has made a study of the over-crowded condition at the Academy, and we recommend a new school somewhere between the three villages taking advantage of the 45 per cent gift the Government will give us through a W. P. A. project.

We rearranged our transportation routes, so that the tuition and transportation costs we were paying for a few students attending Chelmsford High School would be eliminated, and the students now attend our Academy.

As a result of increased costs in maintaining our Schools for next year, we respectfully ask for the sum of $67,000.

For Vocational Schools we respectfully ask for $2000.

Respectfully submitted,

ERIC J. ANDERSON,

Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January 1, 1937.

To the School Committee:

I herewith submit my fifth annual report as Superintendent of the Westford Schools. This report, supplemented by those of my colleagues, covers the fiscal year 1936.

At the last Annual Town Meeting, the School Department was voted $65,000 to support the Westford Schools for the ensuing year. This was the amount requested by the School Committee and approved by the Finance Board. The estimate was based upon expenditures for the previous year, there being no indication of any necessity for increasing school costs. At the opening of school in September, however, we were met with some new items of expense. The crowded condition in the Frost School necessitated the employment of an additional teacher. The sale and occupation of several vacant farms on the Acton Road called for an extra mileage for one of the school busses. The new development in the south-east corner of the town, near Nagog pond, resulted in new bills for tuition at and transportation to the schools in Acton. In order to offset these items, we were compelled to curtail our plans, and three of the coal bins, usually filled at the end of the year had to be left nearly empty.

Crowded conditions at both the Frost School and the Academy are responsible for a number of temporary arrangements which are far from being satisfactory, and which should not be allowed to continue. In order to find a place for Grade II in the Frost building, we were forced to use the large storage room on the second floor. We also had to have additional seats installed in the first grade room to accommodate the increased number of pupils. The situation in the Academy was met by the further crowding of classrooms and the use of the assembly hall as a large, unsatisfactory, study hall. It doesn't seem possible that the people of Westford realize the actual state of affairs. There are only three rooms with seats and desks available for high school classes. The others are equipped with armchairs. The following comment is taken from the report of Mr. Mack, Supervisor of Secondary Education for the State of Massachusetts, regarding his recent inspection of the high school:

"You are terribly crowded, of course, and the building is an old one. To have to use the gymnasium for a study seems especially bad to me. You have no lunchroom, no household arts, no manual arts, and no physical education, all of which means that you are not operat-

ing a truly up-to-date high school. A new building would be the solution. I almost wonder that the building inspector did not condemn Rooms 8, 9, and 10, because it seems as though the lighting and ventilation were very poor in these rooms."

These figures are given to show the comparative enrollments of pupils in the various buildings, for several years:

	1927	1932	1935	1936
Academy	92	192	199	218
Frost School	121	118	140	149
Sargent School	210	201	182	181
Cameron School	232	238	213	212
Nabnassett School	49	53	49	48

The following resignations, transfers, and appointments have affected our teaching staff during the year:

Miss Virginia Rogers resigned her position as teacher of the eighth grade at the Academy.

Mr. Chester V. Sweatt was transferred from the history department in the Academy to the eighth grade in the same building to replace Miss Rogers.

Mr. John Timon was transferred from the commercial department in the Academy to the history department, to replace Mr. Sweatt.

Miss Mary Bohenko was appointed to fill the vacancy in the commercial department caused by the transfer of Mr. Timon.

Miss Ava Swett resigned her position as a departmental teacher in the Cameron School.

Miss Madeline Stone was transferred from the Frost School to the Cameron School to replace Miss Swett.

Miss Caroline Weaver was appointed to fill the vacancy at the Frost School caused by the transfer of Miss Stone.

Mr. Paul Ford resigned his position as principal of the Frost School.

Mr. Joseph Underwood was appointed to fill the vacancy caused by the resignation of Mr. Ford.

Miss Margaret Carney resigned her position as teacher of Grade IV in the Cameron School.

Miss Alberta Ringer was appointed to fill the vacancy in the Cameron School caused by Miss Carney's resignation.

Miss Mary Healy was employed as a cadet teacher to relieve Miss Blodgett of Grade II in the Frost School.

Shortly after the Annual Town Meeting, we received from the Reverend Sylvio Barrette and Mr. Joseph Parmentier, as representatives of the French-American Club of Westford, a request for an Evening Americanization School. The school was opened and continued until the close of the public schools. A large number of people who have resided in the town for many years were able to procure their citizenship papers through this instruction. Unless night work at the mills interferes, there is a probability of a similar request again this year. We employed five teachers for these classes. The number needed for another such project would depend upon the enrollment, which could not be estimated in advance.

The book situation has been greatly improved. Old copies that have accumulated on the shelves for many years have been turned in toward new ones or destroyed. Grammars and readers have been replaced in Grades V, VI, VII, and VIII. Careful attention has been given to the selection of a new series of reading texts which has been introduced into the lower grades.

In order to clarify in the parents' minds the purpose and idea of this new series, I am including the following excerpts from the pen of its author, Dr. Julia Hahn, Supervising Principal of the Third Division, Washington, D. C., formerly chairman of the National Council of Primary Education, and president of the Association for Childhood Education:

"Certainly learning to read is a much less painful process than it used to be. Attractive books and increasingly better methods have made it possible for many children to read thoughtfully and with satisfaction to themselves.

To some of us, the reading of books is a very satisfying experience. To others, it is a last resort in the way of entertainment. The main difference is one of interests, which have been built up through many experiences.

This is even more true of children than of adults. Children must have a background of vivid experience in order to comprehend ideas that they will meet in reading. For expressing those ideas, they must be encouraged to talk freely about their experiences so they will also have an adequate vocabulary and language facility in expressing their ideas in continually better form and more logical sequence. For that reason children must be encouraged and guided in using their experiences to interpret what they read in every possible way.

Although adequate experiences and language facilities are implicit at every stage of reading, they are most vitally important at the beginning. Most children come to school wanting to learn to read. Most of them have confidence in their ability to learn to read. Practicing success is a major factor in learning to read. Practicing failure, on the other hand, is one of the most serious conditions in our schools.

If we are to make reading a joyful and successful adventure, we must provide a new kind of pre-reading work for the children, a kind which will overcome the deficiencies which they may have, and prepare them to succeed when they begin to read. Such pre-reading work must be based upon a complete study of the child's development. We must remember that we are not teaching reading alone, but we are teaching reading to Johnnie, whose total development enters into the problem and always complicates it.

Through the reading of pictures and the oral development of abilities and techniques which are necessary to successful reading later on, through discussion of orientation picture cards, and through reading of the vital onmoving experiences of book children, pupils can be given a better opportunity to succeed at every step. Thus reading can be made for a larger number of children, a joyful and successful adventure."

Dr. Cowles, school physician, with the assistance of Mrs. Meagher, the town nurse, has made two physical examinations of every child in the system. He has also given freely of his time when called upon for special advice. There have been so many cases of contagious diseases and of other sickness this fall, that Mrs. Meagher has been delayed in making her examination to determine the underweight children and in assigning free milk to the undernourished.

All the pupils in the elementary schools were once again entertained at Christmas parties made possible by liberal donations from the Abbot Worsted Company and the C. G. Sargent Sons, Incorporated. Needy children have also been cared for by the Red Cross and by the Board of Public Welfare.

During the year the following major building repairs have been made:

Academy. The driveway was patched and tarred again.

Frost School. The windows in the classrooms on the north end of the building were weatherstripped. All classrooms were equipped with new dual shades.

Nabnassett School. The parapet wall was torn down and rebuilt. The copper flashing along the edge of the roof was repaired, and in some sections replaced with new. The window casings were reset in

cement, and the windows in the classrooms weatherstripped. The fire doors were also repaired and weatherstripped.

Sargent School. The driveway was retarred and tar patch material added to provided a hard surface walk to both cellar entrances. The new tennis court, that was built as a Federal project, was furnished with equipment. New backstops were built, a tennis net put up, and marking tapes put in place.

Cameron School. The entire interior of the building has been painted and varnished. Part of the toilets in the basement have been replaced. The work of tarring the school yard, which was started a year ago, has been completed.

General. The fire escapes on all of the buildings were given a coat of paint.

The following projects were supported by Federal Aid during the past year:

1. The nursery school in Forge Village was started again after considerable delay. Miss Priscilla Wright is in charge of the work, with Mrs. Florence Werner as her assistant. The enrollment varies from twenty to thirty pupils. At present Miss Wright is trying to obtain the services of a cook to prepare a free meal for the children at noontime as part of the program.

2. The ball field at the Nabnassett School has been regraded and partially finished. We hope that this project will be completed before long.

3. The two new cesspools at the Academy were built to replace the inadequate cisterns which failed to function properly during the early part of the year. The new cisterns seem to be large enough to take care of the sewerage. Thus far we have had no trouble with them.

As part of our program for next year, the projects listed below are suggested:

1. Regrading and tarring the driveway at the Frost School.

2. Resurfacing and tarring the walks and driveway at the Cameron School.

3. Replacing the rest of the toilets in the Cameron School.

4. Painting the outside of either the Cameron or the Sargent School.

5. Exchanging four or five typewriters at the Academy for new ones of a different make. At present we are offering instruction in

two makes only. There should be at least four standard makes of typewriters available for instruction instead of two.

6. Purchase of an extra typewriter in order to enable our typewriting classes to go on without interruption. Since every typewriter is in use, it means that some pupil has to fall behind in his work if a breakdown occurs. A spare machine would be helpful in eliminating such delays while waiting for the repairman.

7. Continuation of the replacement of old books in the elementary grades, especially in Grades IV, V, and VI.

8. Repair of playground equipment without further delay.

In concluding this report I wish to express my sincere appreciation to the Committee and to my fellow-workers who have shown a fine spirit of co-operation in the interests of the public schools of Westford.

Respectfully submitted,

ROBERT W. BARCLAY,
Superintendent of Schools.

REPORT OF WESTFORD ACADEMY

January 1, 1937.

Mr. Robert W. Barclay
Superintendent of Schools
Westford, Massachusetts

Dear Sir:

Following is my twenty-fifth and last report as principal of Westford Academy:

FACULTY

William C. Roudenbush .....Latin
Mrs. Mary L. Robinson.....English
Miss Ethel N. Caldwell.....Science and Mathematics
Floyd S. Turner.....French and English
John J. Timon.....History
Frederick Delaney.....Science and Mathematics
Miss Ethel T. Tewksbury.....Commercial and Secretary
Miss Mary I. Bohenko.....Commercial
Chester V. Sweatt.....Eighth Grade

Miss Dorothy Vincent resigned in December, 1935, and Miss Tewksbury was elected to the vacancy. Mr. Timon was transferred from the commercial to the history department, and Miss Bohenko was appointed in his stead. Miss Virginia Rogers resigned as teacher of the eighth grade, and Mr. Sweatt was elected to that position.

Enrollment

	Boys	Girls	Total
Post Graduates	0	4	4
Seniors	16	15	31
Juniors	10	20	30
Sophomores	30	23	53
Freshmen	33	39	72
	89	101	190

Home Room Teachers

Post Graduates and Seniors.....Mr. Roudenbush
Juniors .....Mrs. Robinson
Sophomore Boys .....Mr. Timon

Sophomore Girls.....Miss Caldwell
Freshmen Boys.....Mr. Delaney
Freshmen Girls.....Miss Bohenko
Eighth Grade..... Mr. Sweatt

WESTFORD BASKETBALL SCHEDULE

1936 — 1937

Date	Teams
Tuesday, December 1	Alumni
Friday, December 4	Westford at Pepperell
Friday, December 11	Open date
Tuesday, December 15	Westford at Ayer
Thursday, December 17	Townsend at Westford
Tuesday, January 5	Lunenburg at Westford
Friday, January 8	Westford at Groton
Friday, January 15	Ashby at Westford
Tuesday, January 19	Westford at Littleton
Friday, January 22	Pepperell at Westford
Tuesday, January 26	Westford at Dracut
Friday, January 29	Westford at Lunenburg
Tuesday, February 2	Open date
Friday, February 5	Ayer at Westford
Tuesday, February 9	Littleton at Westford
Thursday, February 11	Westford at Townsend
Tuesday, February 16	Westford at Ashby
Friday, February 19	Groton at Westford
Friday, February 26	Dracut at Westford

Mr. Delaney coaches the boys and arranges for schedules, transportation, etc. Miss Bohenko coaches the girls. The boys practice Monday and Wednesday, the girls Tuesday and Thursday. All practice is done after school hours.

BASEBALL 1935-1936

Westford Academy won the championship in the Northern Middlesex League the season of 1935-36, winning twelve games and losing none, a percentage of 1000.

CLASS OFFICERS

Seniors:

President ..... Albert Hall
Vice-President ..... Irene Dudevoir
Secretary ..... Leslie Swanson
Treasurer ..... Herbert Kazeniac

Juniors:

President ..... Richard Hanson
Vice-President ..... Annie Denisevich
Secretary ..... Agnes Rhodes
Treasurer ..... Austin Healy

Sophomores:

President ..... Henry Corey, Jr.
Vice-President ..... Robert Leonard
Secretary ..... Mary Costello
Treasurer ..... Stella Britsko

Freshmen:

President ..... Roger Minard
Vice-President ..... Robert Perrins
Secretary-Treasurer ..... Rachel Burnham

Faculty Advisers

Senior Boys ..... Mr. Roudenbush
Senior Girls ..... Mrs. Robinson
Junior Boys ..... Mr. Turner
Junior Girls ..... Miss Tewksbury
Sophomore Boys ..... Mr. Timon
Sophomore Girls ..... Miss Caldwell
Freshmen Boys ..... Mr. Delaney
Freshmen Girls ..... Miss Bohenko

School Clubs

These clubs at present are: Newspaper Club, led by Mrs. Robinson; Current Event Club, led by Mr. Timon; Camera Club, led by Miss Caldwell. One point or credit is allowed for satisfactory completion of the club project. Membership is voluntary, but regular attendance and application to the work are required. The clubs meet the last period on Wednesday, on which day one period is omitted in rotation from week to week to allow for the time necessary.

The School Paper

The members of the Newspaper Club under the direction of Mrs. Robinson, publish the "Clarion." The members of the staff are:

Editor-in-Chief.....Louise Willis, '36
Associate Editor.....Barbara Blackadar, '37
Business Manager.....Frank Stepinski, '37
Assistant Business Manager.....Henry Corey Jr., '39

A special edition of the "Clarion" was published in June, 1936, in a cover of blue and gold, the colors of the graduating class, and containing photographs and sketches of each member, together with photographs of the teams, and orchestra, also the Class Day exercises and the Salutatory and Valedictory.

Music

Chorus singing under the direction of Miss Lilley Moran has been introduced this year. Miss Moran meets the Freshman Class on Monday, the seventh period, and the Sophomore Class the eighth period of the same day. Some time is devoted to singing by the whole school following the assembly exercises on Monday morning. Mr. Woessner, instructor in instrumental music, directs an orchestra of boys and girls who meet for practice every Wednesday the last period.

Scholarship Reports

Report cards, showing rank in each subject, attendance, and conduct, are issued bi-monthly. These cards are marked as follows: A, 90-100; B, 80-89; C, 71-79; C-, 70 (warning); D, 50-69; E, below 50. The lowest passing mark is 70. On the new cards printed this year, the number of points already credited is given. At the last marking period in June, the number of points earned during the current year will be added to those already earned, the total showing the final standing of the pupil to date. 80 points are necessary for a diploma. Parents are urged to examine carefully the reports as submitted throughout the year. They indicate very closely the progress the boy or girl is making.

The Academy Student Association

Any regularly enrolled student is eligible for membership in this Association. The dues are $1.00 a year. Members of athletic teams must pay their dues to represent the school in contests with other schools. The payment of dues entitles the members to admittance to all home games, and the right to vote on money matters.

The officers of the Association are:

President .....Richard Crocker, '37
Vice-President .....Austin Healy, '38
Secretary .....Frank Stepinski, '37
Treasurer .....John J. Timon

*Eligibility Rules of the Wachusett League

1. Every player must be taking at least four major subjects and be passing in three. (A major subject is one which counts one unit toward graduation.)

2. The marking period shall be eight weeks, and those eligible at the end of that time shall be eligible to play throughout the next eight weeks.

3. No player who represents a team in this league shall be allowed to be a member of any other organized team during the season through which the league extends.

*Note: The above three rules are taken from the Constitution of the Wachusett League to which Westford Academy belongs. In addition, the following rule will apply to the Academy:

Any player taking five subjects must be passing in four. If **two** of these five subjects are **being repeated,** the player must be passing in **all five.** All eligibility rules apply alike to baseball and basketball.

Necrology

It is with sincere regret that we record the death of Robert Norris Hildreth of the class of 1935 who died December 15, 1936, after a brief illness. He was a sophomore in Tufts College.

We are sorry to record the death of Lillian Sutherland Anderson of Tewksbury, who passed away January 1, 1937, after an illness of several weeks. Mrs. Anderson graduated at the Academy with the class of 1912, and later became a successful teacher.

* Prizes for 1936-1937

I. Given by the Massachusetts Society of Sons of the American Revolution

The Washington and Franklin Bronze Medal to the Senior who attains the highest rank in United States History for the year.

II. Given by the Trustees of Westford Academy

1. Ten dollars to that member of the Junior Class who makes the most improvement in general average over his average of last year.
2. Ten dollars to that member of the Sophomore Class who makes the most improvement in general average over his average of last year.
3. Five dollars to that member of the Senior Class who makes the most improvement in English over his average of last year.
4. Five dollars to that member of the Freshman Class who has the highest general average for the year.
5. Five dollars to that Junior or Senior who has the highest rank in Stenography and Typewriting at the close of the year in June.

(Circumstances may warrant the division of this prize.)

* Note: The prizes in public speaking, given by the Alumni Association, are discontinued for the present.

Gifts from the Julian's Fund

The Trustees of the Academy have applied this fund to add to the reference books in the school library. The purchases this year include the following:

1. 71 Volumes of the Careers Research Monographs, published by the Institute for Research of Chicago. These monographs give up-to-date information on a large variety of careers which are open to young people of the present day, and point the way to success in these careers.

2. Between 40 and 50 miscellaneous books of value in the study of English, which add much to the efficiency of the reference library.

Miscellaneous

1. The honorary members of the Tadmuck Club from the class of 1937 are Barbara Blackadar and Helen Zubowicz.

2. The New England College Entrance Certificate Board has again granted the certificate privilege to Westford Academy for a term of four years ending December, 1939. Four years is the limit of time given to any school without renewal.

3. The fall state convention of Pro Merito Societies was held in Greenfield, October 17, 1936. The Senior members, with one exception, attended this meeting in company with Mr. Roudenbush. Westford's delegation came the longest distance of any school represented. All of our Pro Merito members, and Mr. Roudenbush, also attended the spring state convention in Agawam, May 9, 1936.

4. The Student Association held a Hallowe'en dance in the gymnasium on October 30, 1936. A Christmas party, sponsored also by the Association, was held the night of December 23, at which time gifts were distributed, followed by a dance, with music by the school orchestra.

Following is the program of the graduation exercises of June 9, 1936 which further supplements the items of this report.

In conclusion, I wish to thank all those who in the past and present have helped me in my service to the Academy. May the future years be happy and fruitful ones for all who guide its destinies.

Respectfully submitted,

WILLIAM C. ROUDENBUSH,

Principal of Westford Academy.

GRADUATION EXERCISES

CLASS SONG

On, Class of '36!
Ever firm and fast,
We'll plunge into the fray,
In a fearless, undaunted way,
And carry off the day.
Westford, those so proud of you
Tonight, we must say adieu,
But we'll prove to near and far,
Just how proud we really are
Of Westford Academy.

On, Westford! Gold and White!
Onward into life!
These colors we adore,
So, classmates, we must onward soar
Forever, ever, more.
Westford, farewell tonight!
Thou emblem of truth and right!
But we'll pledge to carry on
'Till the day that we have won—
For Westford Academy.

By Kenneth De La Haye and Dorothy Fecteau

SCHOOL SALUTE

Hail to Westford! Our Alma Mater!
And her sons and daughters true.
We will strive to give, as we work and live,
The best of our service to you.

(Words by W. C. R.)

NOTICES

Aortic and Mitral Murmur	2
Acne	2
Anemia	1
Bronchitis	3
Bronchial Breathing	56
Cervial Gland	2
Enlarged Tonsils and Adenoids	15
Enlarged Heart	1
Mitral Murmur	3
Partial Paralysis	4
Posture	2
Relaxes Inguinal Rings	1
Rheumatism	1
Spasms resembling Chorea	1
Teeth defective	148

Respectfully submitted,

VERONICA P. MEAGHER, R. N.
School Nurse.

REPORT OF SCHOOL PHYSICIAN

Members of the School Committee:

The following is my report as school physician for the year ending December 31, 1936.

The usual physical examination was made on all the children attending the public schools of Westford twice during the school term.

All of the cases in which major physical defects are found are rechecked by a special physical examination every school term and the parents of those found with a major physical defect are informed at once in order that the children may receive treatment at once, if needed.

A special examination of the pupils who are to take part in athletic sports has always been made on request of the coaches of the athletic teams and those found with a major defect are not allowed to play without the special permit of their parents.

I have always responded to calls at the schools in the emergency cases when called by the school principals.

The relatively few undernourished children have been under the observation of the Board of Health nurse during the school term and she has most ably assisted me during my examinations and calls at the schools.

In my work for the past year I have had the splendid co-operation of the Board of Health nurse, teachers, and the parents of the children.

Respectfully submitted,

DR. D. W. COWLES,

School Physician.

REPORT OF MUSIC SUPERVISOR

Mr. Robert Barclay,
Superintendent of Schools,
Westford, Massachusetts

Dear Sir:

Since my appointment as Supervisor of Music in the schools of Westford, I feel that much advancement has been made although for the first few months progress seemed rather slow.

I have spent considerable time in teaching the children two important elements in singing: First, to sing softly which insures sweetness, together with good singing position which insures breath control and better tone quality. Second, to feel the rhythm, the swing of their songs and exercises.

In all of our first grades we have Rhythm Bands which help lay the foundation of the work in the latter.

Much time has been given to individual singing and considerable advancement has been accomplished through all the grades which greatly benefits our two and three-part singing. We have given some time to the theory and arithmetic of music and I am pleased with the results of the tests.

In the Academy the time allowance of only one music period a week and the material allowed is very inadequate for accomplishing what is usually required in a high school music course.

In the graded schools where attendance has increased, more new books are greatly needed to replace the insufficient number of badly torn and worn books. I hope in the near future these may be replaced by new books.

At this time I wish to thank the Superintendent for his co-operation and the teachers for their helpful support in my efforts.

Respectfully submitted,

LILLY M. MORAN,

Music Supervisor.

Annual Report

OF THE

J. V. FLETCHER LIBRARY

OF THE

TOWN *of* WESTFORD

For the Year Ending December 31,

1936

REPORT OF THE TRUSTEES OF THE J. V. FLETCHER LIBRARY

January 1, 1937

The trustees of the J. V. Fletcher library respectfully submit their annual report for 1936, including the report of the librarian and the list of books added in 1936.

The trustees ask for the following appropriation, viz:

1. The sum of twenty-four hundred dollars ($2400.00) to meet the current expenses of the main library and its branches.

2. The receipts from the dog licenses in 1936.

It is with appreciation that the trustees acknowledge the legacy of six thousand dollars under the will of Albert E. Prescott for the benefit of the J. V. Fletcher Library.

JULIAN A. CAMERON, Chairman
WILLIAM C. ROUDENBUSH,
ALICE M. HOWARD, Secretary.

REPORT OF LIBRARIAN

January 1, 1937.

To the Trustees of the J. V. Fletcher Library:

The report of the Library for the year ending December 31, 1936, is herewith presented.

The work at the library has been carried on as usual—loaning books, checking off on their return, mending them, putting them away, and then loaning them again. Meanwhile new books must be bought, catalogued and made ready for circulation; pictures must be mounted and loaned; overdue notices written; books sent to the deposit stations and schools; reference questions answered; etc.

Travel continues to be the most popular group among the adult non-fiction with 696 books loaned. Biography is second with 503 and useful arts (medicine, engineering, aviation, agriculture, home economics) third with 426 books.

As the family who was living in the Community Hall has moved away, it has been necessary to give up the deposit station at Brookside temporarily. It is hoped that some other arrangement can be made if the people in that neighborhood wish to have the books.

The library has continued to borrow necessary books on various subjects from the Library Commission. Among these were 20 books of plays for the use of the Lake Shore Theatre. Books in Italian, Polish and Russian were also borrowed. Other libraries which have loaned books to us were the Congregational Library, Lowell, Newton, Watertown, Gardiner, Boston Medical and Littleton. We have loaned books to Groton, Littleton, Chelsea, Petersham and Adams.

During the celebration of the Nashoba Apple Blossom Festival the library kept open house on both Sundays, thus giving many people a chance to go over the building which was much appreciated.

The librarian collected and turned over to the town $39.21 in fines.

Two years ago the library received word that George R. Harrison, a former Westford resident, had willed a portion of his private library to his native town but the books were not sent until this year when nine cases filled with books arrived. Some are already in circulation and others will be soon.

A mineral exhibit for the Frost museum case has been arranged with the assistance of Mr. Harold M. Davis of Nashua, N. H., to illustrate the formation of granite and gneiss as found in the quarries of Westford. Grouped around the block of granite are the primary constituents—mica, feldspar and quartz. Beyond these are arranged the accessory and secondary materials, consisting of apatite, garnets, kaolin, epidote, chlorite, etc. Several varieties of granite from other places are also shown. In the back of the case has been placed a specimen of andalusite, a mineral found in Westford, "where the perfect andalusite prisms rival those of Andalusia" according to the U. S. Geological Survey. Knowledge of its exact location in the town is not known but is much desired. Can anyone tell us?

The librarian attended the meetings of the Massachusetts Library Association in Boston in January, at Swampscott in June and at Amherst in October.

A few additions have been made to the list of magazines, whose circulation has increased over that of last year. All except current numbers may be borrowed for one week and the list for the coming year is as follows:

REGULATIONS

The J. V. Fletcher Library is open Tuesdays, Thursdays, and Saturdays (legal holidays excepted) from 1.30 till 5, and from 6.30 till 9.00 P. M.

The Graniteville deposit station at the home of Mr. Carroll M. Sawyer, in charge of Mrs. Agda Peterson, is open Monday afternoon and evening.

The Forge Village deposit station at the Post-Office in charge of Mrs. Josephine Connell is open daily.

New books of fiction can be kept only one week; but there may be one renewal. All other books may be kept four weeks. Renewals may be made by telephone or by postal.

No book shall be transferred, or acknowledged as returned, unless delivered to the librarian.

For each day that a book is kept beyond the prescribed time a fine of one cent is charged.

Borrowers finding books mutilated or defaced should report the fact to the librarian.
